the bounty of government allows.

I have confined myself to what I believe to be a plain statement of facts, that certainly must have been unknown to the Porttainly must have been unknown to the Portland Board of Trade at its meeting last week.

ATTORNEY AT LAW.

Port Orford has long been talked of as a point for a harbor of refuge, whereas Foulweather harbor was altogether unknown until first entered and surveyed last summer by R. A. Habersham, of this city, acting as in the State.

Having had four years experience as County Judge, and given close attention to Probate matters, I am well prepared to attend to all business in that line; also contested Road Matters. I will give strict and prompt attention as congress has wisely done) to the unstances of the twenty-four, and repeatedly have turned the full power of these mighty engines upon the pumps, and put out dangerous fires before even our elert Fire department could reach the spot. The chained slave has saved his master nearly half a million of money in this way, to say nothing of the averted disorganization of business from a fire.

WOMAN.

Table to Road of Trade at its meeting last week. Port the twenty-four, and repeatedly have turned the full power of the twenty-four, and repeatedly have turned the full power of these mighty engines upon the pumps, and put out dangerous fires before even our elert Fire department could reach the spot. The chained slave has saved his master nearly half a million of money in this way, to say nothing of the averted disorganization of business from a fire.

New Constitution of California has many beard of U. S. engineers.
H. DENLINGER.

'Morley's" Letters from New York.

She may not have youth or beauty, or even manners, but she must have something in her voice or expression, or both, which it makes you feel better disposed towards your race to look at or listen to. She knows that as well as we do; and her first question after you have been talking your soul may be with the worst of criminals. This is prohibited in Section 7. The mode of trial by into her consciousness is, did I please? A was won by one cent. If any other house sold a certain grade of goods at one dollar, Macy marked his at 99 cents. Somatimes for oddity's sake his prices would be \$12.01 for a given article, or \$13.99. A price at even money was as rare as an honest politician, and this peculiarity, more than any other cause, probably, brought his store into notoriety and him into a handsome fortune. But the grim Book-keeper has been balancing accounts rapidly with the old firm of R.

Sa talse note in the narmomes of nature. She may not have sounted nor beauty, or even manners, but she must have something in a great improvement on the old one. It has been the cruel custom in some countries to confine witnesses who could not give honds for their appearance in the same room with the worst of criminals. This is prohibited in Section 7. The mode of trial by into her consciousness is, did I please? A large and the worst of criminals. This is prohibited in Section 7. The mode of trial by into the consciousness is done the cruel custom in some countries to confine witnesses who could not give honds for their appearance in the same room with the worst of criminals. This is prohibited in Section 7. The mode of trial by into the rappearance in the same room with the worst of criminals. This is prohibited in Section 7. The mode of trial by into the rappearance in the same room the worst of criminals. This is prohibited in Section 7. The mode of trial by into the mode of trial by into the mode of the clustom in some countries of the clustom in some countries. The mode of trial by into the mode of trial by into the mode of t riety and him into a handsome fortune.
But the grim Book-keeper has been balancing accounts rapidly with the old firm of R.
H. Macy & Co. Two years ago Mr. Macy died in Paris, leaving an inebriate son on an allowance of a few hundreds annually. Not son, her quickness to feel the changes of thought and feeling with her that makes an hour memorable? What can equal her tact, her delicacy, her subtlety of apprehension, her quickness to feel the changes of long after Mr. Laforge, the second partner, died, and this has now been followed by the death of Mr. Valentine, the sole remaining partner of the original firm. The son alludscrupulous in judgement as an analyst's balworker of either sex, right in their own 10calities. Particulars and samples worth \$5

death of Mr. Valenting,
partner of the original firm. The son alludto also died a few weeks ago. The immense the sum of the sum of the firm after Mr.
Webster, who came into the firm after Mr.
It is in the hospitable soul of a woman that

After every large dry goods fire the smaller class of retailers get up a tremendous run on "wet goods from the late fire;" and even larger houses have done more or less in on "wet goods from the late fire;" and even larger houses have done more or less in this particular line. It has long been a mystery to some people how so much goods could be damaged in any fire without breaking all the insurance companies. Some other people didn't stop to speculate intellectually, but proceeded vigorously to financial speculation in these goods, thinking that materials which were damp and dirty, without attempting to hide their shame, must be cheap. The recent heavy fires gave fresh wiseacres blinked and winked and hinted about good, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the goods, the good to hints, for they scented—"bar-goods, the good to hints, for they scented—"bar-goods, the good to hints, for they scented—"bar-goods, the goods, the dear people were blind to blinks and deaf to hints, for they scented—"bar-goods, the goods, the goods, the goods, the goods, the goods, the goods and goods and goods and goods and goods and goods are goods goo gains!"

It was left for an Eighth avenue Israelite

Short settlements make long friendship.

By a departure from this rule we thinkthe Supreme Court of this State greatly er-red in granting a new trial to John D. Whitney; there were no facts before the court to show that Whitney had not had a fair and impartial trial; there were no evidences that went to show that injustice had been done in any degree. The grounds upon which a new trial was granted was purely technical and not upon an exception taken by counsel for the defense at the time of trial. It was a forced effort to follow precedent

rather than substantial justice. The minority opinion given by Judge Boise is clearly in the right. When an attorney takes upon himself the obligations of his professions he is in honor bound to do: business committed to his management on "What?" she demanded.

He again explained.
"Well, you must have lots of money, or lise you're a lunatic!" she growled. "Pay wo shillings to kiss a little young and little property in the taking of any undue advantage of an unsettled principle or technical defeat in the Commerce not of Time; he knows no law but the demands of Trade and acknowledges no master else!

Two shillings to kiss a little young 'un like that when you might have kissed my whole family and the dog to boot for fifteen cents!
