Arrivals and Departures of Mails.

MAILS ARRIVE From Albany (North and South) daily, at 4 P. M. Newport and Philomath, Tuesday, Thursday and Saturday, at 6 P. M. ...

OFF FOR THE BAY.

In consequence of continued ill-health, and upon the advice of several physicians, we have concluded to spend a few weeks at Yaquina Bay. James A. Yantis will have charge of the editorial department during our absence, and Mr. Johnson Odenwald will attend to office business, and is authorized to receive and receipt for all moneys due the GAZETTE. Mr. W. P. Keady, of course, will look after the job department. Any favors shown these gentlemen will be duly appreciated. Hoping soon to recover our wonted health, we bid our readers a temporary adieu, and bid us to the "rounding sea."

TRACT No. 5.—We are in receipt of a heat, 28-page tract, entitled, "Experience and wonderful sayings of Mrs. C. A. Castle," late of Philomath, Oregon. Published by the Holiness Association in the Church of United Brethren in Christ. It is full of comfort to the true Christian, and affords much encouragement to the seeker of religion. Mrs. Castle, by her holy and devoted life, self-sacrifice, did much to implant a higher type of Christianity in her circle of acquaintance, and leaves a rich legacy to those who may enjoy the privilege of reading her wonderful sayings. Her life is a glorious eulogy upon the pure religion of the blessed Saviour, and well worthy of imitation. The tract concludes with a beautiful poem, entitled "The angels are still waiting for me," by Mr. J. B. Homer (Hornier), of Philomath college.

AT THE BAY.—W. B. Carter, the Boss of the GAZETTE, started for Newport last Monday, to be absent several weeks, and is now, doubtless, at Newport. We mention this fact for several reasons. First: the hotels will desire to order an extra ship load of provisions, and the oyster men and clam diggers may now understand that their "fish times" have commenced. We offer no other reasons at present, as our first duty is to him. We have announced him, and the people must take care of themselves. He carries with him a paper collar, a copy of the GAZETTE, four dollars and fifteen cents in coin, and a deadhead ticket over the road. And still the GAZETTE is "only \$2.50 a year, in advance."

TEMPERANCE LECTURES.—Mr. P. Annetts Peckham, the temperance lecturer from San Francisco, will deliver address at the following places in this state, as per dates affixed: Hillsboro, July 24th, 25th 26th; Forest Grove, July 28th, 29th and 30th; McMinnville, July 31st, August 1st and 2d; Lafayette, August 5th, 4th and 5th; Dayton, August 6th, 7th and 8th; Amity, August 9th and 10th; Da'las, August 11th, 12th and 13th; Monmouth, August 14th, 15th and 16th; Corvallis, August 18th, 19th and 20th.

MODEST.—Recently, a very modest young lady from Long Tom, who wanted a pair of garters, addressed a good-looking Second street merchant thus: "It is my desire to obtain a pair of circular elastic appendages, capable of being contracted or expanded by means of oscillating burnished steel appliances that sparkle like particles of gold leaf set with Alaska diamonds, and which are utilized for retaining in proper position the habiliments of the lower extremities, which innately delicacy forbids me to mention."

FINE GRASS.—Mr. A. B. Powers, of this county, on last Saturday, placed some very fine specimens of meadow grass in the express office, in this city, directed to the managers of the O. & Cal. R. R. Mr. Powers thinks this one of the best grasses that has been introduced in this state. It is adapted both for grazing and hay. We hope Benton county will be fairly represented in the Mechanics' exhibition next month. Mr. Powers sends this specimen in answer to a request recently published in the GAZETTE.

MASONIC FUNERAL.—Mr. Sigmond Fox, who died at his home in Albany on the 17th inst., was buried last Sunday with the honors of the Masonic fraternity, of which, for several years, he had been a zealous and prominent member. Although only twenty-eight years of age, Mr. Fox had, by his uniform courtesy and true worth, attached to him a very large circle of friends in different parts of the State, who deeply mourn his untimely death.

RAILROAD IRON.—The iron and rolling stock for the Yaquina railroad arrived in Portland last week, and for convenience in unloading, the company have graded the bank of the river on the flat in the upper part of town and constructed a pier to land it on, also graded and tied a track out to 3rd street, where the iron will be for the present stacked up, ready for use. The iron is now expected any time.

DISCHARGED.—The railroad contractor, M. T. Ward, who was arrested at Seaside, W. T., last week, was taken before Chief Justice Green, at Olympia, on habeas corpus, and discharged Saturday. It appears that Ward was arrested on a civil warrant from Polk county, and Gov. Thayer properly refused to issue a requisition and Ward's release was inevitable.

SOMETHING NEW.—Mr. S. H. Look, in order to please his children, has just completed a \$50 play house for them. Mr. S. G. McFadden was the architect and builder. By the way, Mr. McFadden is one of our best mechanics and has put up some excellent work in the city.

The farmers of the Deep creek country, in Eastern Washington, are very much troubled with squirrels. They are using poison with very good results.

Cesar wears number twelve. The Palace market is the place to get you meat. Chas. Kohn of San Francisco was in town Monday, Sunday, Tuesday, Thursday, Friday and Saturday, at 6 P. M.

MASS BUREAU For Albany (North and South) daily, at 4 P. M. Newport and Philomath, Tuesday, Thursday and Saturday, at 6 P. M. ...

The farmers of the Deep creek country, in Eastern Washington, are very much troubled with squirrels. They are using poison with very good results.

PACIFIC COAST. Oregon. The hay crop of Douglas county will be large. An anti-Chinese club has been organized at Beaverton. Fine salmon are running up Bear creek in Southern Oregon. A money order office has just been established in Monmouth. Mrs. Murray, of Oregon City, fractured an arm a day or two ago. John Clark will buy the stage line from Drain's to Scottsburg. Rust has appeared in some fields in the vicinity of Irving, Lane county. It is reported at Ashland that a \$1,000 nugget had been picked up on Silver creek. The frost on the morning of the 6th killed the bean crop in some places on the Applegate. A fine quartz specimen recently taken from a claim on Foot's creek, weighs over \$400. A sawmill will be put up one mile and a half from Hillsboro on the Tualatin river bottom. The wool clip of Umpqua valley will sell for over \$50,000. Most of it has already been sold. A Lane county boy, named John Hemmenway, was thrown from a horse last week and had an arm broken. Gin Len last Sunday cleaned up \$1200 after a two weeks run. An attempt was made to rob his saloon a few nights since but it was foiled. Thirty-three horses for U. S. cavalry service have recently been bought in Southern Oregon. They are now en route to Vancouver harbor. Mr. A. S. Watt of Washington county is engaged in collecting samples of Oregon products for exhibition at the mechanics' fair, San Francisco. School Superintendent Fountain of Jackson county has reported \$7,467.25 as the amount of school money received and distributed for the fiscal year ending June 30th. Messrs. Clough & Carl have reduced the fare on their stage line from Roseburg to Coos Bay to \$5 and are selling through tickets from Roseburg to San Francisco at \$14.50. Plovman, Mr. Judson Wood and Miss Emeline, daughter of Van Blaricom, and born on the same date and at the same place, a daughter to the bride's mother. Crops never fail in Oregon.

Don't Forget It. If you are troubled with nervousness or debilitated tired of life, fear death or feel out of sorts as the saying is, you may safely conclude that you have the Dyspepsia or Liver Complaint. The liver is very apt to become torpid this season of the year as poison arising from stagnant water or decaying vegetation are more numerous and are through inhalation taken into the blood. Unless the liver is strong and active and furnished a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death. White's Liver Plover proves the most effectual Liver Purgative. Its action on the liver is different from any medicine ever compounded. Its cures are truly wonderful. Try it. Price twenty-five cents and seventy-five cents.

Ask Yourself these Questions, If you are a despondent sufferer from Sick Headache, Headache, Nervousness, Palpitation of the Heart? Have you Dizziness of the Head? Is your Nervous System depressed? Does your Blood circulate badly? Have you a Cough? Low Spirits? Coming up of the food after eating? &c. All of these and much more are the direct results of Dyspepsia, Liver Complaint and Indigestion. Green's Anemizer. Flow is now acknowledged by all Druggists to be a positive cure. 2,400,000 bottles were given away in the U. S. through Druggists to the people as a trial. Two doses will satisfy for \$200.00. Their catalogue of several hundred standard publications, at very low prices, will be sent free on request.

Consumption Cured. An old physician retired from active practice, having had placed in his hands by an East Indian missionary the formula of a simple and effectual remedy for consumption, Catarrh, Asthma, and all Throat and Lung affections, also a positive and radical cure for Rheumatism and all nervous complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to his fellow men. The remedy will be sent free of charge, to all who desire it, with full directions for preparing and successfully using. Address with stamp, naming this paper, Dr. J. C. Stone, 44 North Ninth Street, Philadelphia, Pa.

Sad Haven is Created Among the tenants of the month by allowing impurities to collect upon the lungs, and in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them brilliancy and vigor, but counteracts hardness and roughness to the gums. The breath acquires most acceptable fragrance from its use; it is a purely botanic liquid, and it may be employed to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

An Encyclopedia of Universal Knowledge, in 20 volumes, 18,000 pages, all for \$10, and equal in all important respects to any cyclopedia heretofore sold for less than \$100, is announced for publication by the American Book Exchange, 55 Beekman street, New York. They have also just issued an edition of Chamber's Cyclopaedia of English Literature, complete in four volumes, neatly bound for \$2.00. Their catalogue of several hundred standard publications, at very low prices, will be sent free on request.

The National GOLD MEDAL was awarded to Bradley & Rolofson for the 1st Photograph in the United States, and the Vienna Medal for the best in the 2nd Montevideo Street, San Francisco.

WHAT IS LIFE? A little crib beside the bed, A little face above the spread, A little foot behind the door, A little shoe upon the floor.

A little lad that looks brown hair, A little blue of dark brown hair, A little lane that leads to school, A little pencil, slate and rule.

A little blitheesome, winsome maid, A little hand within her maid; A little cottage, acres four, A little old time household store.

A little family gathered round; A little turf-heaped, tar-dewed mound, A little added to the soil, A little rest from hardest toil.

A little silver in his hair, A little food, and easy chair; A little night of earth-lit gloom, A little cortege to the tomb.

DAILY MAIL.—Petitions are now being circulated for a daily mail between this city and Newport. This is a move in the right direction, and we hope the petition will be signed by every one in the county. To all our citizens west of Corvallis this will be a convenience long needed, and surely the county and towns in that vicinity deserve it.

ABSOLUTELY NO FURTHER PORTMENTMENT.—The Benton County Blade will send out its first issue Friday, August 2nd and not on the 29th inst., as heretofore announced. Mr. Mosher, the editor, informs us that he can not get his office in shape by the 29th, but that this is positively the last postponement.

FOR COLFAX.—Dr. John Bowtell and his daughter, Miss Emma Bowtell came out from the agency Wednesday. Miss Bowtell started Thursday morning for Colfax, W. T., on a visit to her brother, Dr. Cal. M. Bowtell.

It is not until the flower has fallen off that the fruit begins to ripen. So in life, it is when the romance is past that the practical usefulness begins.

Value the friendship of him who stands by you in the storm; swarms of insects will surround you in the sunshine.

When fortune caresses a man too much, she is apt to make a fool of him.

Those days are lost in which we do no good, those worse than lost in which we do evil.
