THANKSGIVING PROCLAMATIONS.

The following proclamation has been issued by President Hayes for the observance of a day of general thanksgiving:

At no recurrence of the season, which the devout habits of religious people has made occasion for giving thanks to Almighty God, and humbly invoking His continued favor, has the material prosperity enjoyed by our whole country been more conspicuous, more manifold or more universal. During the past year also unbroken peace with all foreign nations, general prevalence of domestic tranquility, the supremacy and security of the great institutions of civil and religous freedom have gladdened the hearts of our people, and confirmed their attachment to the Government, which the wisdom and courage of our ancestors so fitly framed, and the wisdom and courage of their descendants have so firmly maintained, to be the habitation of liberty and justice to successive generations.

Now, therefore, I, Rutherford B. Hayes, President of the United States, do appoint Thursday, the 27th day of November, inst., as a day of National thanksgiving and prayer; and I earnestly recommend that, withdrawing themselves from secular cares and labors, the people of the United States do meet together in their respective places of worship, there to give thanksgiving and praise to Almighty God for his mercies, and and devoutly to beseech their continuance.

In witness whereof, I have set my hand and caused the Great Seal of the United States to be affixed.

RUTHERFORD B. HAYES.

In accordance with an established custom, which has been observed annually far a long period of time, I, W. W. Thayer, as Executive of this State, do hereby appoint Thursday the 27th day of November, 1879, as a day of thanksgiving.

In testimony whereof I have hereunto set my hand and caused to be affixed the Great Seal of the State of Oregon this the 10th day of November, A. D. 1879.

By The Governor, W. W. THAYER.
R. P. EARHART,
Secretary of State.

THE NEW CISTERN.

The following is the report of the committee to whom was referred the matter of improving the cistern at the intersection of Second and Madison streets, except the itemized expenses:

To the Mayor and Common Council of the City of Corvallis:

GENTLEMEN:—Your committee to whom was referred the matter of improving cistern at the intersection of Second and Madison Streets beg leave to make the following report, to-wit: That they have improved the same in the following manner; after having the water pumped out and the timbers and planking from the inside removed, we then proceeded to have the same rounded out and walled up with an eight-inch wall of good hard brick and lime mortar, arch turned in same manner, and a cast iron rim and lid placed in center. The bottom of same is laid with two layers of brick on side the first is grotted with lime-mortar and second layer with cement mortar. The entire surface is plastered one coat with lime mortar to make a smooth surface, then a coat of good cement with light cement wash over the same. The size of cistern is: circumference, 43 feet; height, 12 feet, including arch which is 4 feet. Its capacity, about 14,000 gallons. It has been filled with water and so far has shown, no signs of leakage.

WEDDING CAKE.—We frequently receive wedding cake, of all styles and make, but never, until the past week, received any that was three years old. Mrs. Peak (daughter of Mr. Thos. Russell, of Alsea,) and her husband celebrated the third anniversary of their marriage on the 22d ult. Upon the occasion of their marriage Mrs. Peak made three fruit cakes, and the third and last was cut on the late anniversary. This cake, a sample of which is now before us, seems just in its prime, and is really splendid. Many thanks to Mr. & Mrs. Peak for their kind remembrance of the editor of the GAZETTE. May they live to enjoy many happy anniversaries of their wedding day, and life be "all a golden dream."

PLEASANT SURPRISE.—Last Thursday evening Miss Pawlona Clark, formerly of this city, accompanied by an elder brother, arrived at Mr. D. G. Clark's, in Albany. They came without annoucement, as a surprise to the folks, and arriving while "Dave" and family were at prayer meeting, they had to "amuse" themselves for about an hour on the "outside" of the house. The surprise was complete and mutual.

MEETING CLOSED.—The revival meeting, which had been in progress in the Lewis neighborhood, closed on Thursday of last week. Rev. W. C. Kantner conducted the services. He informs us that there were sixteen conversions and eighteen additions to the church membership. A Sunday school was also organized. Rev. Kantner is an indefatigable worker in the cause of the Master.

THE New York election is still unsettled. Republicans claim the success of their entire State ticket, and the Democrats concede all except Lieut. Governor and Treasurer. The official count, which began on Tuesday, will be necessary to determine the result as the two officers named.

A LARGE ENTERPRISE.—During the past week quite a change has occurred in the proprietorship of the Plummer fruit dryers in this valley. A company has been formed consisting of Wallis Nash and Mr. Reelman, of the English colony at Corvallis, and Nathan Whealdon, of Benton county, and they have bought the manufacturing right of the drier in this county from Jones & Sill, and have also purchased the Benton and Lane county rights. Next season they will put out canvassers and introduce a great many driers throughout the three counties, and our people will then be able to save their fruit crops—Mr. Sill has been employed by the company and will engage in the canvass next spring. Heretofore there has been a difficulty in finding a ready market for the dried fruit, but this will now be remedied. The new company has rented the old Alden fruit dryer in this city, and will buy all the fruit offered for sale and store it at that place, after which it will be shipped direct to England. We are glad to see monied men like Mr. Nash taking hold of this enterprise, as its success is thus assured, and its success guarantees to our farmers remunerative prices for their fruits, which, heretofore, has rarely been marketed.—Albany *Democrat*.

BOSCHEE'S GERMAN SYRUP can now be purchased right at home, it is the most successful preparation ever introduced to our people. It works like a charm in all cases of Consumption, Pneumonia, Hemorrhages, Asthma, severe Coughs, Croup and all other Throat and Lung Diseases. No person has ever used this medicine without getting immediate relief, yet there are a great many poor, suffering, skeptical persons going about our streets with a suspicious cough, and the voice of consumption coming from their lungs, that will not try it. If you die, it is your own fault, as you can go to your Druggist——and get a Sample Bottle for 10 cents and try it; three doses will relieve any case. Regular size only 75 cts.

Consumption Cured.

An old physician retired from active practice, having had placed in his hands by an East Indian missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung affections, also a positive and radical cure for General Debility and all nervous complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to his suffering fellows. The receipe will be sent free of charge, to all who desire it, with full directions for preparing and successfully using. Address with stamp, naming this paper Dr. J. C. Stone, 44 North Ninth Street, Philadelphia, Pa.

Forewarned Forearmed.

Physicians and invalids use with confidence The Kaiser Celebrated German Elixir for Consumption and throat and lung diseases. It is rich in the medicinal properties of tar, wild cherry, etc. Is rendered perfectly harmless to the youngest child. This would have proved an Angel of mercy in the household of those unhappy parents at Vallejo, Dixon, Beaver, Utah, and numerous other places, whose children were slaughtered by a quack medicine recommended by its owner to cure croup, possessing no properties calculated to cure it, but instead a deadly drug which has slain its thousands. Be sure you get only German Elixir. The genuine bears the Prussian coat of arms and the fac-simile signature of Dr. Kaiser. Samples at all drugstores. Large size, 75 cents. CHAS. Sad Havoc is Created

Among the tenants of the mouth by allowing impurities to collect upon their surface or in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosiness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.
