The best cigars are kept by E. Rosenthal. A large variety of holiday presents for sale by P. P. Greflow.

For your jewelry and holiday presents, call at W. C. Crawford's.

For fine French candies, you must go to E. Rosenthal's.

County School Superintendent's convention will meet in Portland Dec. 31st.

Unique New Year calling cards at this office—fifteen varieties of the latest style.

Latest styles of solid silver and plated ware, just received by W. C. Crawford.

G. W. Quivey, of the River Side, has recently been elected City Recorder of Independence.

If you want to buy reliable time-keepers, cheap, either for your house or pocket, go to P. P. Greflow.

Capt. J. W. Kelly has been dismissed from the Portland police force, and Charles Critzmauer appointed in his place.

Peter Meals proposes to give a grand ball at his residence, in King's Valley, on the night of the 25th inst.

And don't you forget it, Rosenthal's is the place to find the finest, largest, and cheapest stock of holiday presents in Corvallis.

Dr. F. A. Vincent accompanied our young friend, Zeph. Job, on his wedding trip. The route over in the forks of the Santiam, are awful.

Take a peep into Carlisle's and see the Christmas fixin's, and you won't fail to buy, for he sells lower than any body else.

Rev. Mr. Condit, of Albany, will fill the pulpit in the Presbyterian church of this city next Sabbath, morning and evening.

Rev. Mr. Dunning exchanges pulpits with him.

The most suitable Christmas present is a first class Photograph, which can be had, up to life size, at the Corvallis Gallery. Call and see specimens. Pupils taken on reasonable terms.

The "valuable horse" mentioned in last week's issue as having been missing from his stable, has turned up. He was found behind an empty bran box, chewing a placard bearing the inscription, "Oats for sale."

The jury in the case of Bernard and Fairchild, indicted for the murder of Mrs. Hagar, near Oregon City, last summer, failed to agree and were discharged. They were out twenty-three hours. This trial has cost the county nearly large sums of money, and is quite unsatisfactory.

The Oregonian of the 9th inst. again announces that the citizens of Corvallis may expect a ride on the West Side railroad about Christmas, as the iron has been taken to the front. That's just what we most desire. Our citizens would like to have the pleasure of making our New Year call on the metropolis by rail.

TO THE TEACHERS OF LINN AND BENTON COUNTIES. A Teachers' Institute has been appointed to meet in Corvallis, at 9 o'clock A. M., Monday, Dec. 22, 1879, and to continue two days and a half. All teachers of the public schools of these two counties are cordially invited to be present to participate in its work and to share its benefits.

A good programme has been arranged and competent instructors secured. Let every person who expects to either make or maintain a reputation as a live, energetic, progressive teacher, and who is within reasonable distance of this Institute, be present and all in making it the very best possible. Let no trivial excuse prevent your coming.

It is to be hoped that boards of directors will help in this work, at least so far as to allow teachers to adjourn their schools long enough to attend the Institute, without requiring them to make up the necessary time spent.

Prof. E. B. McElroy, the eminently able and efficient county superintendent, of Benton county, is earnestly working to make the gathering one of great profit to those who may attend. Not teachers alone, but all persons who may feel interested in making our schools more efficient, are respectfully invited to attend and participate in the work.

Persons paying full fare on the railroad in going to the Institute, will be returned free. L. J. POWELL, Supt. Pub. Ins. Salem, Or., Dec. 31, 1879.

COUGH MEDICINE. Mrs. J. W. Cook, of this city, is manufacturing a superior medicine for coughs and colds, which we have used with great satisfaction, in our family. One of the principal ingredients is the Mountain Balm, which is a universal favorite for lung complaints. The following testimonial has been handed us for publication, and we have no doubt scores might be added:

I have used Mrs. Cook's remedy for coughs and colds, and can truly say, that it is the best I ever used. I can recommend it as a positive cure for coughs and pulmonary affections. W. H. GOLDSOON.

THAT EAR-TRUMPET.—One of our English friends writes us: "We are indeed sorry to see that a certain County Blade has so much difficulty in finding news to please its readers that they are forced to invent such an absurd story as that which appeared in their last issue relative to a certain inventor whose manufacture obliges the use of an ear-trumpet. We failed to see the wit, and as we attribute the remarks that were made to ignorance, we would strongly advise the gentleman who inserted them to remember that "where ignorance is bliss 'tis folly to be wise."

SKATING.—The attendance at the skating rink last Saturday evening was good, and everybody seemed to enjoy the sport. The rink will be open every Saturday evening, and on the 27th inst. the managers, Messrs. Gardiner & Crim, will give a grand masquerade carnival, with suitable prizes for the best sustained characters, and the best and poorest skaters. The programme will be diversified with sack and potato races. Ad. next week.

PACIFIC MONTHLY.—An official Gazette and travelers guide to Oregon and Washington, has just been established in Portland, by D. H. Stearns. The initial number, for October, has been laid upon our table by H. M. Clinton, editor, who has been in the city canvassing, during the week. This magazine will meet a want long felt in this State. We are glad to make the acquaintance of Mr. Clinton, and can heartily commend the work to our readers. Success to the enterprise.

PLEASANT PARTY.—We are informed, by Hon. R. A. Bensell, who was en route to Salem and Oregon City on business. We arrived home in good state of preservation, having stood the trip remarkably well.

The river reached its highest point last Saturday night, at this city—over 20 feet above low water mark. The highest point reached for about three years.

BURGERS AROUND.—It would be well for our citizens to get their shot guns in good order, and keep a sharp lookout for night-prowlers. Several wood piles have been robbed, and on last Monday night, during the temporary absence of the family, the residence of Mrs. S. H. Thompson was entered and a sum of money, belonging to Mrs. Libbie Biddle, stolen, also some account books belonging to Mrs. Thompson, destroyed.

MONTHLY WEATHER REPORT. Kept at the State Agricultural College, for the month of November, 1879:

Table with columns: DATE, WEATHER, THERMOMETER (HI, LOWEST), WIND, RAINFALL, 48 inches.

At Bartlett Springs, Lake county, Cal., Nov. 16, 1869, Edward N. Sawtell.

The Death-rate of Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant origin. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late that a Fever or Lung trouble has already set in. Thousands lose their lives in this way every winter, while 50 and 60,000 die of Consumption, taking a cure would have resulted, and a large bill from a Doctor been avoided. For all diseases of the Throat and Lungs, Boeck's German Syrup has proven itself to be the greatest discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known.

Physicians and invalids use with confidence the Kaiser Celebrated German Elixir for Consumption and throat and lung diseases. It is rich in the medicinal properties of tar, wild cherry, etc. It is rendered perfectly harmless to the youngest child. This would have proved an Angel of mercy in the household of those unhappy parents at Vallejo, Dixon, Beaver, Utah, and numerous other places, whose children were slaughtered by a quack medicine recommended by its owner to cure croup, possessing no properties calculated to cure it, but instead a deadly drug which has slain his thousands. Be sure you get only German Elixir. The genuine bears the Prussian coat of arms and the fac-simile signature of Dr. Kaiser. Samples at all druggists. Large size, 75 cents. GREAT, HAMILTON & Co., Wholesale Druggists, Sole Agents, Corvallis, Oregon.

Sad Fate is Created Among the tenants of the mouth by allowing impurities to collect upon their surface or in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and resilience to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely tonic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

The National GOLD MEDAL was awarded to Bradley & Rulison for the best Photographs in the United States, and the Vienna Medal for the best in the world.
