We Don't wait for any formal call, but can dry and ship many tons of the you are ready to act, without the aid cores and waste apples. or interposition of political demagogues and wire-pullers-which are to be found in all parties.

What the Republicans of Benton county, and the entire State, want, is thorough organization and united effort. Let all past party conflicts I tell you it is not. It is rational and and differences be buried, let "bygones be by-gones," and let every true Republican, without regard to its aid and influence to build up and his past political action, resolve to develop our town and county. You stand firm and square to his party in the next contest, and the result is not ject, and we invite every and any problematical. To secure success in body that is interested in these things the first place see to it that the very best, and ablest men, are put forward views. for office, and then go to work for their election. In this way, the peocounty, will you try it this year?

Acquirren.-Last week we mentioned the killing of Henry Strode, at Pendleton, Umatilla county, Oregon, by Gen. James Turner, editor of the East Oregonian. Gen. Turner was arrested, and after a careful exnation before Judge Youkam. discharged, the Judge deciding e deed was committed purely ense. The court room was ople, who warmly con

OUR FUTURE.

May be very bright, or very county. We must all use caution, adhere to business principles, and foloccupies a very prominent position in the Willamette valley, and consequently wields more or less influence in the state. Our soil is productive, our markets good and reasonably convenient, and now the West Side railroad is here our shipping facilities stage connections, will always be a prominent factor of all that goes to make Benton county one of the first in the state. But in order to hold

that position and reach the pre eminence that is worth striving for we must not shut our eyes to all that may be accomplished, and tamely course will not do. Such a course country village, containing a few In military affairs, the best drilled stores, postoffice and a hotel or two.

would pay, where could be manufactured barrels and casks for the vinegar, kegs for salmon and other fish,

LAST FRIDAY'S STORM.

The most fearful wind-storm that cloudy and stormy. We speak of has visited this State, since its occuthe future of Corvallis and Benton pation by the whites, occurred last harmony, without which all effort for the city and the advancement of the city and county will be futile. This county falling of a two-story frame saloon pertinent and well-timed remarks, died during the night.

The loss of property was estimated at \$75,000, scattered over the entire are largely increased. Corvallis, from its location and river, railroad and dental Hotel, is said to be the heaviest from Astoria, passing through the Minto or

storm, and suffered serious losses.
The handsome little Catholic church was a total wreck, and the Baptist church was greatly damaged. Mr.
Paquet's boat house was also a total plank, borne by the wind, knocked the snow their substitute for water.

The trade of Prineville, situated on the entirely from the bridge, falling some the verge of this desert, equals, perhaps ex-

fatally, injured. At Salem several buildings were unroofed, and otherwise damaged, and some barns blown down. The tin roof of the capital building was torn loose from its fastenings, and about one-third of the building laid bare to the weather. Hon. R. P. Earhart, Secretary of State, soon had a force of men at work, shoveling live, to insure the construction of the short snow and mopping up the water, by and surely profitable line from Yaquina to Prineville, to diverge thence upon easy grades to some point on the Central Pafrom any very serious loss. The Supreme Court, which was in session, was compelled to seek shelter in the rather damp for comfort.

The saddest event, that we have short, the organization of the army it. We have, in close proximity to ter, in W. T., where a large tree fell, lanch. Four children of John W. Bartlett across a school house, instantly killsame is true in politics, and no party can hope for success, without proper organization. Under our form of government, at least two great party of them. The buildings and machinery that this coast will never be the scene than the body of the building. The tree fell directly over have not learned, and injuring several others. The great wonder seems to be, that the loss of life was not much greater than it is. It is to be hoped that this coast will never be the scene the building. The tree fell directly over have not learned, and injuring several others. The great wonder seems to be, that the loss of life was not much greater than it is. It is to be hoped that this coast will never be the scene that the building. The tree fell directly over have not learned, and injuring several others. The building. The tree fell directly over have not learned, and injuring several others. The building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building. The tree fell directly over the barries and the building the barries and the barries are the building. The tree fell directly over the barries are the barries and the barries are the barries and the bar ties are actually necessary for the are here; but instead of being the scene of another such fearful storm; but it injuries. Her recovery is doubtful. She protection of public interests. In of busy and profitable employment, should be a warning to those who lay fastened under the tree for nearly two

It should be kept at hand in every household, for the pro-tection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious,

The marvellous cures which Aver's The marvellous cures which Aver's Cherry Pectoral has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend Ayen's Cherry Pectoral to invalids and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass.

SOLD BY ALL DRUGGISTS EVERYWHERE.
