Mr. T. H. Follett has purchased R. Hultz's interest in the City Market, and hereafter the business will be conducted under the name of Lewis & Follett. They expect, by fair dealing, to merit a fair share of patronage.

Gen. W. H. Odell will be elected State Printer by a rousing majority next Monday. Gen. Odell is too well known as a journalist to need comment from our pen. He has conducted the Statesman during all the time he has had control, in a manner that has not only secured the respect and esteem of his own party, but of all who know him or read his paper.

The editor of the Astorian will be pleased to attend to business for the people generally, in any part of the Atlantic or Western States, at a reasonable price. Prior to July 15th correspondence may be addressed: D. C. Ireland, 141 Broadway, New York; Elliott House, Washington; or in care of A. Booth & Co., Chicago, Illinois. After that date, Mr. Ireland will be on his way home, via Idaho and eastern Oregon.

B. W. Wilson has faithfully served the people of Benton county as County Clerk for six years and has been a most efficient and conscientious officer. It is his wish to resign his office, and he has accordingly called on the Board of Supervisors to that effect. He has been a most efficient and conscientious officer, and his resignation will be a loss to the county.

The Republican and Democratic nominees for State Senator have made no canvass. Mr. Woodward, the Republican nominee, after accepting the nomination, arranged to go with the other candidates, but the wards Mr. Shannon, when nominated, did not wish to make any canvass, and on his solicitation Mr. W. consented to remain at home, hence they are not with the party in the canvass. We can not but believe that Mr. Shannon's character, as shown by his conduct as Mr. Woodward is universally conceded to be, in point of ability, considerably above Mr. Shannon, and would have made the canvass rather warm for the Democracy, but Mr. W. will be elected nevertheless.

FIREMAN'S EXCURSION.—In another column will be seen the advertisement of the excursion to Portland, given by Young America engine company, No. 1. This promises to be one of the grandest affairs of the season. No pains will be spared by the "fire boys" to make the trip well worth the money. Surely no one can grumble at the price of the tickets, \$3 50 for the round trip, with the privilege of staying over night in Portland. Aside from this it is for an object that is worthy of patronage. Let every ticket be sold.

EDITOR GAZETTE.—Some anonymous writers for the GAZETTE try to stir the Republicans of Kings Valley by intimating that they are dissatisfied with Sol. King, and that this dissatisfaction is from personal spite to Mr. King. I have only to say that the votes cast on election day will show that Sol. King is the choice of this precinct for Sheriff.

RESOLUTIONS OF CONDOLENCE. The undersigned, appointed as a committee to draft resolutions expressive of the feelings of this Board of Trustees of Corvallis, upon the death of Hon. J. S. Palmer, submit the following:

Resolved, That it is with feelings of deep regret that we learn of the death of Hon. J. S. Palmer, a member of this Board, and that this dissatisfaction is from personal spite to Mr. King. I have only to say that the votes cast on election day will show that Sol. King is the choice of this precinct for Sheriff.

Resolved, That in respect to the memory of the deceased, these resolutions be spread upon the minutes of this Board; that a copy thereof be furnished each of the city papers for publication, and that a copy be presented to the family of the deceased by the Secretary of this Board.

Respectfully submitted, JOHN BURNETT, M. JACOBS, B. L. ARNOLD, Committee.

A CARD. At a meeting of the Greenback County Central Committee, held sometime since, my name was placed upon the ticket as a candidate for the office of Representative. As such was done without my knowledge and against my wishes, I immediately wrote the Secretary, declining to have my name so used, but for some unaccountable reason it was retained upon the ticket, as I have just learned. I wish it to be distinctly understood that I am not a candidate for any office, and do not wish to be so considered; and in simple justice to myself I hope each voter will see that my name is not upon his ticket.

Respectfully, J. H. ALDRICH. Summit, May 28.

HON. M. C. GEORGE was a friend of the Willamette valley while he represented Multnomah county in the State Senate, and it is not likely that he will be any more interested in the interest of Portland when he represents the whole State of Oregon in Congress.

The constant charge that he has been made against Mr. George that he is running in the interest of Portland, is too weak to have any effect with thinking people. The interests of Oregon are the interests of Portland, and although we can not but feel and see that this city is selfish in the extreme and does not favor any internal improvement unless it is in the interest of Portland, yet we can see no reason why Mr. George should be specially biased in favor of his present place of abode, he is not a capitalist, has no large property interest in Portland and nothing to cause him to act otherwise than for the best interests of the whole State. He was raised in Linn county and still has an interest in that county. When elected, he will be, just as sure as election day comes, Mr. George will be the Representative of the State of Oregon, and not of Portland.

HOME AGAIN. For three weeks we were in the southern portion of the State but returned home last Friday night, and once more are at our post upon the GAZETTE. During our absence we visited Lane, Douglas and Coos counties, and shall, at some time in the future, refer to some of the advantages and resources of that portion of the State. Our trip was a pleasant one and we had never been before that portion of the country situated on Coos Bay, was surprised at the extent of its resources and natural advantages, but we will refer to this at length in the future.

FROM KINGS VALLEY. EDITOR GAZETTE.—The candidates spoke at this place, on last Friday, to a very large audience. The Republicans of this precinct are jubilant over their legislative ticket. They all acquitted themselves remarkably well. Bessell has hosts of friends here. Dr. Carter just literally scalped Dr. Beyley; Wadsworth took the scalp of Boss M. Faulden. Bessell, Woodward, Carter, Wadsworth and Waggoner will receive the hearty support of the Republican voters of Kings Valley Precinct. As Mr. Jerry Lilly made a good Commissioner once before for Benton county, and we need one from this part of the county, we would like to see Mr. Lilly elected. The rest of the candidates on our ticket will not be forgotten by their many friends on election day.

Do You Believe It. That in this town there are scores of persons passing out of every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distressed Stomach, Liver Complaint, Constipation, when for 75 cents we will send them Shilo's Vitalizer guaranteed to cure them. HIP'S REMEDY. Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent work. It is highly recommended by distinguished educators and leading newspapers, and is considered by all to be one of the most useful books that was ever laid upon the counting-room desk or drawing room table.

THE OREGON KIDNEY TEA.

Read the following testimonials, not from persons 3000 miles away, whom no one knows, but from well known and trustworthy citizens of Oregon, whose names written with their own hands can be seen at our office.

Salem, Oregon, January 18, 1880. I bought a can of the Oregon Kidney Tea and have used only a part of it, but my back-ache is entirely cured. It has a splendid effect upon the urinary organs.

Silverton, March 20, 1880. I have used the Oregon Kidney Tea for pains in the back and am satisfied with its effect. I have no hesitation in recommending it as a mild and safe remedy for lame back or derangement of the kidneys.

Had Have is Created. Among the tenants of the month by allowing impurities to collect upon their surface or in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their enamel decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosinness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

THE AMERICAN PEOPLE. No people in the world suffer as much with Dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, Palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S AUGUST FLOWER we believe there is no case of Dyspepsia that cannot be immediately relieved.

When we say we believe, we have evidence to prove that Shilo's Consumption Cure is decidedly the best Lung Medicine made, in as much as it will cure a common or Chronic Cough in one half the time and relieve Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Consumption cured than all others. It will cure whooping Cough, it is pleasant to take, harmless to the youngest child and we guarantee what we say. Price, 10c. and \$1.00. If your Lungs are sore, Chest or Back lame use Shilo's Consumption Cure. Sold by Allen & Woodward, Druggists.

THE AMERICAN PEOPLE. No people in the world suffer as much with Dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, Palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S AUGUST FLOWER we believe there is no case of Dyspepsia that cannot be immediately relieved.

When we say we believe, we have evidence to prove that Shilo's Consumption Cure is decidedly the best Lung Medicine made, in as much as it will cure a common or Chronic Cough in one half the time and relieve Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Consumption cured than all others. It will cure whooping Cough, it is pleasant to take, harmless to the youngest child and we guarantee what we say. Price, 10c. and \$1.00. If your Lungs are sore, Chest or Back lame use Shilo's Consumption Cure. Sold by Allen & Woodward, Druggists.
