## TAKING LANDS.

BILL TO AID SETTLERS TO CHOKE OFF JUMPERS AND SPECILLATORS.

WASHINGTON, March 10.-The bill pa by the senate yesterday for the relief of nomestead settlers is a measure of great im-portance to a very large number of settlers on the Pacific Coast. It was originally in-troduced by Booth, and his persistent efforts procured its passage, both in the public land committee and in the senate. Under the existing law the right of pre-emption or public land attaches from the date of settle ent, but the right of a settler under the the homestead law only from the date of the entry. This bill provides that the land shall be given to the first settler, whether that i: has become almost veneration by the frequency of its application. It is regularly given an airing when the volume of imports begins to in crease, no matter what may be the to the people being relegated to the position of infants who have no thought for the morrow. It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray. light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The VIGOR cleanses the scalp, cures and revents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the mors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scaln and hair are impossible.

As a Dressing for Ladies' Hair.

The VIGOR is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.
