IMPROVEMENTS.

Never before in the history of Corvallis has there been so many buildings in course of construction, in one summer, as there is at present. In taking a walk around town last week we noticed no less than ten or a dozen new buildings, including a mammoth warehouse and a brick store. Nor is it going to stop with these. The brick are being burnt for the new store of Jacobs & Neugass, and for Hamilton & Co.'s bank. Corvallis has been progressing but slowly for the past few years, but she has got woke up, and from this on will present a different aspect. The time is not far distant when Corvallis will rank among the largest towns in the State. And why should she not? Nature has done everything that could be asked, and all that remains is for her citizens to unite their efforts in building up a town that will be second to none. With two railroads and the river she need never lack for means of transportation, and the richness of the surrounding country will naturally tend toward establishing a great commercial mart.

CONCERT.—On next Wednesday, June 23d, the Albany Ladies' Brass Band will give a vocal and instrumental concert, at Hamilton's Hall, in this city. This is the only Ladies' Brass Band in Oregon, and their instrumental music is excellent, but the brass music is only an incidental of the concert, as all the young ladies in the band are accomplished musicians, and their well known ability makes the success of the concert an absolute certainty. Let everybody who enjoys good music attend this and they will not be disappointed.

ELUCUTORY ENTERTAINMENT.—On last Friday evening Mrs. D. F. Smith gave one of her select readings at Hamilton's Hall, in this city. The audience, though not so large as the merit of the entertainment deserved, was composed of intelligent persons, all of whom enjoyed the readings very much, and the universal verdict was good. It is seldom we have the opportunity of attending so meritorious and entertaining in Corvallis, and we hope Mrs. Smith may be induced to return at an early date and favor us with another reading.

FOURTH OF JULY BALL.—We are informed that Austin Rosebrook will give a grand ball at Wright's Hall, in Newport, on the coming Fourth of July. Newport can not be beat for its Fourth of July balls, and this one promises to be no exception to the general rule. The supper will be given at the Fountain House. Visitors who are fortunate enough to be at Newport on that occasion may promise themselves a rich treat.

TALL WHEAT.—Last Saturday Mr. A. B. Moore left at our office several stalks of wheat, just in the flower, which measured very nearly five feet. It was raised on his farm, about 8 miles south-west of this place, and he has twenty acres just like it. If anybody can beat this he would like to hear from them.

THE GRAVE OF ELMER ELLSWORTH at Mechanicville was profusely garlanded with flowers on Decoration Day, and a local clergyman preached a patriotic sermon, standing beside it. Young Ellsworth was one of the earliest victims of the war, hence the memory of his tragical death made a more lasting impression than the death of more noted men did afterwards.

FIREMEN'S EXCURSION.—The firemen of Corvallis had an excursion to Portland on the 15th, returning the day following they were in full uniform and accompanied by the Second Brigade Band. We are informed that they had a very pleasant time, but as we were not along, can give no particulars.

FROM ONEATTA.

EDITOR GAZETTE: Now that the election is over and the strife of contending parties is stopped, a word in regard to the way things went on the bay may be interesting to the readers of your paper. The results of the election, from a Republican standpoint are more, than could have been expected by the most sanguine. Some of the Republican candidates, however, were defeated, mainly, through the efforts of Republicans, on the bay. Several officers holding public positions, at Siletz Agency under Government, did all within their power, not only to defeat persons upon the Republican ticket, but voted for those upon the opposite side. It may appear strange that men who boast of their Republicanism and make great pretensions to temperance religion and morality, should vote for those who drink whisky and play polo most of their time, and yet such was the case. The election passed off quietly. The main fight was upon the Clerk and Sheriff, probably a warmer contest for office has never been witnessed in Benton county. The old war horses won and the present incumbents are installed for another term. The prospects for the bay are hopeful and should we get the promised appropriation, times will be good here this summer. The wagon road is being put in excellent condition, under the supervision of Wallis Nash, Esq. When this is accomplished, we may expect a large rush of pleasure seekers to the bay, in quest of health and recreation.

Yaquna Bay, June 14, 1880.

Goods at auction prices, at Ghieslin's—selling off to close.

Miss Grace Hanna paid a flying visit to Portland, last week.

Miss Fannie Odeneal, of Albany, is visiting friends in Corvallis.

A handsome 3-foot black walnut show case for sale by Ghieslin, Phil's building.

Jas. A. Cuthbert started for Washington Territory last week, to be absent several weeks.

Hon. Allen Parker, of Yaquna, was in town the first of the week, and favored us with a call.

Miss Eva Ostrander, of Olympia, W. T. and Miss Lily Readpath, of Lebanon are visiting friends in this city.

W. P. Keady is taking the census of Monroe and Alsea Precincts, was in town Saturday night and Sunday.

Quite a number of our Masonic friends have been at Portland this week attending the Grand Lodge and Chapter.

J. E. Lander has sold his interest in the Occidental Hotel to C. O. Pally, the business hereafter will be conducted by him.

In another column will be seen the official vote of Benton county. The result is but little different from our statement in last issue.

We learn that a man working in Imman's mill, near Monroe, had his arm broken on last Monday, but did not get his name, or any of the particulars.

New and elegant stock of millinery goods just received, at Mrs. E. A. Knight's, which will be sold cheaper than they can be bought anywhere else in the city.

Dr. Wm. Biddle and wife left, last week, for Oakland, California. They go there on account of the health, which, for the last year or two, has been very poor.

Calvin Hanna, formerly a resident of this city but now living in Lane county, was in Corvallis last week, and returned home on Saturday, accompanied by his brother, Rev. J. A. Hanna.

Frank Horning, who has been residing in Lake county for several years, is expected home in a few days. We are informed that Frank will bring with him a wife, but this of course is only gossip.

Mr. T. H. Follett has purchased R. Hult's interest in the City Market, and hereafter the business will be conducted under the name of Lewis & Follett. They expect, by fair dealing, to merit a fair share of patronage.

We are pained to learn that the family of our friend Gabriel Long, of Kings valley has been again visited with that terrible scourge diphtheria, and his youngest son, aged about two years, was buried last Friday.

Last Sunday a back load of Albany boys came up on a visit to Corvallis. Among the number were W. H. Mansfield, of Mansfield & Monticello, job printers, W. H. H. Barnes, of the Albany Herald. Come again boys.

The Corvallis Plow Factory is now running regularly and turning out satisfactory work. This is an enterprise that has long been needed in Corvallis, and we are glad our citizens realize its importance and give it their patronage.

W. S. James, of Dallas, gave us a friendly call last Monday. He looks just as natural as he did twelve years ago when he worked in this office. His sister, Mrs. Jas. Buras came up also. They are up on their last visit to their brother, C. H. James, of this county.

The Pioneer Reunion met at Portland on Tuesday of this week, and have, doubtless, had the usual good time always enjoyed by them on such occasions, but up to the present writing, we have had no report. Full particulars next week.

In an other column will be seen the ad of the Fountain House, at Newport, kept by Geo. W. Stevens. Mr. S. has taken great pains to prepare this house for the accommodation of guests during the coming summer, and visitors will find it decidedly cozy and plenty of good things to eat. We know where we affirm.

Mr. R. D. Hume, owner of the Alex. Duncan, came up from Portland on Tuesday, Wednesday morning, started for Alsea to examine the resources of that valley, with a view of running vessels into the Alsea Bay. This looks like business, and we hope for our Alsea neighbors better prices for their produce in the future.

Lost—Between Corvallis and Jas. P. Worley's, on the Albany road, a black cashmere shawl. The finder will confer a favor by leaving the same at this office.

Tom Cuthbert says that he has found that he cannot be elected County Treasurer but he can sell the best Threshing Machine that was ever sold in Oregon or any other country. For proof of the same see Norm. Lilly, who has just bought one of these celebrated J. I. Case short Apron Threshers. 32-inch cylinder, and 10 Horse Dinger Power.

Now is the time to bring in your wood on subscription. A few more cords wanted yet.

FROM TUM TUM.

EDITOR GAZETTE: Election passed off very quiet in this precinct. J. Maxey was elected justice and J. G. Flickinger, constable. We have had hard rain the past week. Grain looks well; more grain put in than usual, this year in Tum Tum. Blodgett's valley looks like one waving field of grain and bids fair of having a bountiful harvest. The lumber for the Tum Tum school house will be hauled this week, and the house erected immediately. Al. Flickinger, our Supervisor, is working the road in good shape. John Pedrick has gone to Albany to see friends. Miss Bowman has got back from Vancouver. Mr. Grant's people have got over the ague, but have had colds. There will be preaching at Summit school house next Sunday at 11 A. M. The question is, will the Yaquna railroad be built—it should be. Build the road from the bay to Corvallis, then eastward to the Westside railroad, and then to Junction. Benton county may look for a glorious future. Corvallis will be a central point for the Willamette valley, and bring to our mountains an industrious and enterprising people.

D. C. SHERMAN.

Tum Tum, June 14, 1880.

POOR CUT.—Mr. Carson Rademaker, living in Lima county, while cutting wood a few days since, inflicted a very severe and painful wound in his foot, which will confine him to his room for several days. Dr. Cuthbert was immediately called and dressed the wound, and at last accounts the patient was doing well.

FOR THE STATE FAIR.—During the State Fair the steamer A. A. McCully will make daily trips between Corvallis and Salem; leaving Corvallis at 6 A. M. and arriving at Salem at 10 A. M. On returning, will leave Salem at 5 P. M. The tickets for the round trip will be \$2.00.

MAMMOUTH WAREHOUSE.—The carpenters are busy on the Mammoth warehouse of W. A. Wells, at the depot. This building when completed, will be one of the finest warehouses in Benton county. Already the frame is nearly ready to raise, and the building will be completed before the coming harvest.

Probably no one preparation has received so much praise from its patrons, nor is so deserving of commendation as Hall's Hair Renewer! We but echo the voice of the millions who have used it when we pronounce it the best Hair Dressing in the world. It stands unrivalled. Those who are affected with diseases of the scalp accompanied with itching or irritation, find relief and renewal in this invaluable remedy. When the hair is inclined to fall off, a moderate use of the Renewer will strengthen the roots of the hair, and preserve it, and if it exhibits a tendency to turn gray it will restore the natural color.—Fulton (Mo.) Telegraph.

THE OREGON KIDNEY TEA!
Read the following testimonials, not from persons 3000 miles away, whom no one knows, but from well known and trustworthy citizens of Oregon, whose names written with their own hands, can be seen at our office:

Portland, Or., July 29, 1879.
My kidneys were in a very bad condition. The urine was like brick dust, and I suffered a great deal with my back. All remedies were unavailing until I tried the OREGON KIDNEY TEA, which gave me almost immediate relief.
H. HAMILTON.

Portland, Or., August 2, 1879.
Having a severe backache last winter, I was induced to try the OREGON KIDNEY TEA. I found it very beneficial in its results. It is not more unpleasant to take than other tea. I would recommend it to those troubled as I was.
JOHN P. FARMER.

We Challenge the World.
When we say we believe, we have evidence to prove that Shiloh's Consumption Cure is decidedly the best Lung Medicine made in as much as it cures a common or Chronic Cough in one half the time and relieves Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Consumption cured than all others. It will cure where they fail, it is pleasant to take, harmless to the youngest child and we guarantee what we say. Price, 10cts. and \$1.00. If your Lungs are sore, Chest or Back lame use Shiloh's Famous Plaster. Sold by Allen & Woodward, Druggists.

Do You Believe It.
That in this town there are scores of persons passing over every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distressed Stomach, Liver Complaint, Constipation, when for 75 cents we will sell them Shiloh's Vitalizer, guaranteed to cure them. The most popular and fragrant Perfume of the day "HACKMETACK" try it. Sold by Allen & Woodward, Druggists.

THE AMERICAN PEOPLE.
No people in the world suffer as much with Dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, Palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S AUGUST FLOWER we believe there is no case of Dyspepsia that cannot be immediately relieved. 30,000 dozen sold last year without one case of failure reported. Go to your Druggist and get a Sample Bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

Hill's Manual.

Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent work. It is highly recommended by distinguished educators and leading newspapers, and is considered by all to be one of the most useful books that was ever laid upon the counting-room desk or drawing room table.

Sad Hayco is Created
Among the tenants of the mouth by allowing impurities to collect upon their surface or in their interior. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosinness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.
