CHURCH DIRECTORY.

M. E. CHURCH—Regular services every Sunday, at 11 A. M. and 7 P. M. Sunday-school at the close of morning service, with Bible classes for old and young. Prayer meeting on Thursday evening at 7 o'clock. A general invitation and cordial welcome.

Ice at Geo. Gerhard's. Jas. Dixon, of Elk City, is in town. Soda by the case or glass, at Gerhard's. Look out for the "pig," under New this Week.

See the ad. of the "Corvallis Household Stores." Dr. Smith reports a ten-pound girl at the residence of Mr. Kitchin.

Dr. F. A. Vincent left for Dallas, on professional business, last Saturday. W. G. Steel, of the Albany Herald paid our amicum a visit last Wednesday.

Now in the time to bring in your wood on subscription. A few more cords wanted yet. R. S. Strahan, of Albany, was in the city during the week, looking after professional business.

See the dissolution notice of Eglin Bros., in another column. Thos. Eglin assumes entire control. Polly & Lomer, of the Occidental Hotel, have dissolved partnership, and the business will hereafter be conducted by J. C. Polly.

B. P. Cardwell, of Portland, has been in the city for the past few days. He is on his regular trips looking after the revenue affairs. J. R. Lomer is now engaged in drawing the plans for the new two-story brick soon to be erected by Jacobs & Neugass and W. B. Hamilton & Co.

Preaching at the College Chapel Sunday at 11 and 7 o'clock, by Rev. Mr. Davidson, a Baptist Minister. Dr. Wm. Biddle and wife, who went to Oakland, Cal., about two weeks ago, returned last Friday evening. They could not stay away from Corvallis.

Messrs. Titus and Marple started for Yaquina last Monday. Mr. Titus is returning home, and Mr. Marple goes on account of his health, which is very poor. New and elegant stock of millinery goods just received at Mrs. E. K. Knight's, which will be sold cheaper than they can be bought anywhere else in the city.

Just as we were going to press, yesterday, the telegraph announced that Gen. Hancock had just won the Democratic nomination for president. Garfield will walk over him.

Jas. A. Cuthorn, our general warehouseman, returned from a short trip into the Yakima country last Monday. He looks as if there had been some sunshine up there. The friends of "Stormy" Jordan will be glad to learn that he has succeeded in getting his pension claim allowed by the government. He got \$800 00 back pension and \$6 00 per month.

Jack Alphin, the chief house mover of Oregon, had all his business he can tend to at present. Those wishing their houses moved should leave their orders with him for they come in turn. Lost—On the evening of the Ladies' concert, between or in the opera house and the Vincent House, a heavy gold ring, with a yellow stone setting. The finder will suitably be rewarded by leaving the same at this office.

Farmers remember, that if you buy an Oxbow Self Binder of A. Cuthorn & Son this year, you will be furnished with a perfect corn binder next year for \$20 00 or a corn binder will be exchanged for your wire binder free of charge.

On last Monday afternoon Mrs. James A. Cuthorn, of this city, and Miss Fanny Odeneal, of Albany, gave us a pleasant call. Miss Fanny had been spending a week with her relations and friends in this city, and returned home last Tuesday morning.

Mrs. Vincent, of the Vincent House, with her characteristic energy, went to work last week and raised money to pay for a month's horse rent for the Sickle family, who had been turned out of house and home, and both the man and his wife being sick, moved and "camping out" on the flat above town. His hearing of their condition, left her business affairs at home and went to their rescue. Mrs. V. deserves great credit for the manner in which she has acted toward this family.

GOOD TEMPLAR GRAND LODGE.—The Grand Lodge of the Independent Order of Good Templars for the State of Oregon convened in Albany last week and after a very interesting session adjourned. Following will be found the names of the new officers installed on Wednesday evening: G. W. C. T.—C. A. Sehbreda, of Salem. G. W. C. O.—Mrs. E. M. Van de Vert, of Folk county. G. W. V. T.—Miss Sue Joplin, of Astoria. G. W. S. J.—E. Houston, of Junction. G. W. A. S.—W. T. Richies, of Marion county. G. W. T.—G. W. Dimmick, of Marion county. G. W. M.—Hugh Harrison, of Salem. G. W. D. M.—Miss Edith Tozier, of Hillsboro. G. W. L. G.—Miss Emma Fisher, of Salem. G. W. O. G.—M. Chambers, of Linn county. G. W. Mess.—E. A. Putnam. G. W. Chap.—H. A. Wallace, of Drains. Reqs. to Grand Lodge of United States.—E. W. Ryan and J. H. Gist. Astoria was chosen as the place for holding the next session.

MONTHLY WEATHER REPORT.—Kept at the State Agricultural College, for the month of May, 1880:

Table with columns: DATE, WEATHER, THERMOMETER. Rows for April and May.

CAMPMEETING.—The campmeeting at Roberts Bridge, in Linn county, under the direction of the M. E. church, was largely attended last Sunday; it has been in session ever since, and will continue over the coming Sabbath. If the weather continues good an immense crowd will be in attendance next Sunday.

CHANGE OF TIME.—On last Monday morning the new time table of the W. O. R. R. went into effect, and since that time the train has left Corvallis at 8:30 A. M., and arrived at S. P. M. This is far more convenient than the former arrangements, and we are glad to know that it will continue in the future.

THE STATE FAIR.—In another column appears the advertisement of the Oregon State Fair which commences on Tuesday, July 1st and closes July 8th, 1880. The season of the year renders good weather almost a certainty, and a good time may be expected by all who attend.

A large assortment of fresh candies at Gerhard's.

PACIFIC COAST.

Oregon.—Crops are late but look very well through Umattilla county. Curry county circuit court has a larger spring docket than ever before.

Four hundred persons saw a baptism in the Umattilla river about the agency. The Port Oxford cedar mill will soon start up again—lumber demand increasing. Umattilla county furnishes a Chinawoman, gone crazy, an inmate for our asylum.

The camping, at Milton, Umattilla county, of the Adventists, is a success. Through Yamhill there is greater acreage in grain than usual and crops promise abundantly.

Grain in Lake county is said to be better than for many years past. The snow fall helped it. The Occident lately took up to Salem 100 tons Walla Walla wheat for Salem Flouring Mills Co.

Colfax has raised \$350 of the \$500 required of that place for the purchase of poles to use in constructing the military telegraph line. Mr. Villard says Walla Walla will have fifteen thousand inhabitants within the next five years, and he speaks from large experience.

Mr. Moody, of Eagle Creek, Union county, had his smoke house burned and lost farm machinery, flour, meat, etc. Estimated at \$2000. Peter Swartz, trumpeter of Company A, 1st cavalry, was married to Miss Lavina Preston, of Walla Walla, at the garrison near that city, on Tuesday last week.

Bernard, who was tried at Oregon City for the murder of Mrs. Hager, is now under arrest at the Dalles, charged with stealing sundry articles from a hotel in that place. The Stateman says: Last Monday morning at 9 o'clock, Judge Harding sentenced Charles Percy, George Cook, and Frank Cook to the penitentiary for three years each. Steele was fined \$50 and costs for stabbing Ferrell at Astoria.

An uncle of Hager, the young man lately murdered near Vastabona, has written that he will visit that locality shortly, take charge of the financial affairs of deceased, and make vigorous search for the perpetrator of the atrocious deed. A handsome monument has been erected over the grave of the late Dr. Marsh, president of Pacific University. It is of Italian marble, both base and shaft, the whole being eight feet high and suitably inscribed. It was fashioned under the direction of the widow of the lamented founder of Pacific University, and is a fitting testimonial to his great and good deeds.

A. J. Thomas and wife, alleged murderers of Bromfield and Amanda Shanks, have been remanded to jail until the December term of court. A territorial statute providing that no person shall be put on trial on indictment for murder until thirty days after his arrest without his consent in open court left Judge Wingard no alternative but to postpone the trial. The prisoners were returned to Walla Walla and placed in jail, and will hereafter be confined in separate cells.

The "Society for Promoting Female Welfare" is a London charity. London is very charitable. DIED.—At Monroe, Benton county, Oregon, June 18th, 1880, of typhoid fever, Mary Lillian, daughter of W. F. and Harriet Bowen, aged 9 years and 10 months.

BORN.—In this city June 23d, to the wife of T. J. Buford, a son.

THE OREGON KIDNEY TEA! Read the following testimonials, not from persons 2000 miles away, whom no one knows, but from well known and trusted citizens of Oregon, whose names written with their own hands, can be seen at our office: Portland, Or., July 31, 1880. The OREGON KIDNEY TEA has cured my back and kidneys, and I am at a loss to express my gratitude. I shall always remember the Oregon Kidney Tea with pleasure and esteem, and highly recommend it to all my friends and acquaintances. J. H. P. DOWNING, (at P. Selling's).

Portland, Or., July 31, 1880. While I was in Tillamook last Winter, I was affected in my back and kidneys so that it was almost impossible for me to reach Portland. When I got here I was induced to try the OREGON KIDNEY TEA. I drank, at my meals, the tea made from it, and it has effected a radical cure. I can highly recommend it to all who are afflicted as I was. E. COHN.

GREEN'S AUGUST FLOWER. It is natural for people suffering with Dyspepsia and liver complaint or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Habitual Constipation, palpitation of the Heart, Heart-burn, Water-brash, gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue, and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c., to try the August Flower. It is an article that they know has cured their neighbor, friend, or relative, yet they have no faith in it until it is too late. But if you will go to your Druggist and get a bottle of GREEN'S AUGUST FLOWER, you will find the cure is as certain as your life. Sample Bottles of this medicine can be obtained for 10 cents to try its superior virtue. Regular size 75 cents. Try it, two doses will relieve any case.

I Wish Every body to Know. Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen, and Christian Minister of the M. E. Church just this moment stopped in our store to say, "I wish every body to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure." It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. Bourbon, Ind., May 15, '78. Drs. Metchet's & France. Sold by Allen & Woodward, Druggists.

No Deception Used. It is strange so many people will continue to suffer day after day with Dyspepsia, Liver Complaint, Consumption, Sour Stomach, General Debility when they procure at our store SHILOH'S VITALIZER, free of cost if it does not cure or relieve them. Price, 75 cts. Sold by Allen & Woodward, Druggists.

For Lane Back Side or Chest use SHILOH'S PECTORAL FLASHER. Price 25 cts. Sold by Allen & Woodward, Druggists.

Sad Haywe is Created. Among the benefits of the mouth by allowing impurities to collect upon the surface or in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their premaria decay impossible. It acts only upon the teeth, whitens and vigor, but communicates hardness and rosinness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

Hill's Manual.

Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent work. It is highly recommended by distinguished educators and leading newspapers, and is considered by all to be one of the most useful books that was ever laid upon the counting-room desk or drawing room table. 17-8
