PASSED AWAY.

Mr. H. Brenner, proprietor of the Esmond Hotel, Portland, died suddenly in his apartments at the hotel last Friday afternoon at 1:30 o'clock. About two weeks before his death, Mr. Brenner was taken sick with rheumatic fever, and up to the time of his death was unable to leave his room. For some days he had been improving and his recovery seemed assured. Thursday evening and the day before his death he was feeling quite well. He took a sudden turn for the worse about 1 o'clock, and half an hour later passed away. The direct and immediate cause of Mr. Brenner's death was rheumatism of the heart.

The deceased is well and favorably known all over the State. He was for some years proprietor of the St. Charles Hotel at Albany. For the past eight years deceased has been a resident of Portland, being most of that time engaged in mercantile pursuits. He was proprietor of the Progress Club rooms at the corner of Alder and Front streets, for about two years. Some two months ago he became proprietor of the Esmond.

Mr. Brenner was a native of Bremen, Germany, and 52 years of age. He came to Oregon over 20 years ago and since then has been a resident of the State. A fond and devoted wife, and a son—Mr. Jacob Brenner and daughter, Miss Rosa—survive. His family are greatly afflicted over the sudden and terrible stroke.

Mr. Brenner was an industrious, enterprising and estimable citizen, and his death is widely regretted by a large circle of friends and acquaintances. He was an honored member of North Pacific Lodge, I. O. B. B.; also a member of the Old Fellows fraternity. Mr. Brenner was well and favorably known in this city, having formed hosts of friends here during his residence in our neighboring city, Albany.

A CUTTING AFFAIR.—On last Saturday evening, just after dark, considerable excitement was created in town, by the report that a man had been assaulted and robbed in the lower part of town. On making inquiry, we found that Mr. Collins, who lives on Soap creek had been in town all day and had started home, a little the worse for liquor, and when just below the M. E. church, on Second street, was assaulted by two men, supposed to be persons that he had had difficulty with a few hours before.

The result was, that Collins was pretty severely beaten, and cut with a knife in several places about the head and face. It was quite dark and the assaulting parties were not recognized, but no attempt was made to rob Collins, so the difficulty must have been the result of a former quarrel. Dr. Lee was called and after the wounds were dressed Mr. Collins was taken home, and we are informed, is rapidly recovering.

CELEBRATION AT ALSEA.—The citizens of Alsea valley will celebrate the 104th anniversary of American independence in grand style, on Monday the 5th. At a recent meeting arrangements were completed, and if the weather remains fair, one of the most enjoyable events in the history of the valley will take place. Rev. J. H. Becker, of Philomath, has been chosen orator; Geo. H. Rycraft, Marshal of Declaration; Willis Vidito, Reader; Rev. Mr. Ellis, Chaplain. The picnic dinner in the grove will be an important feature of the day, and we know from experience that the ladies of the valley are adepts in the art of cooking. Following is the table committee: Mrs. W. Vidito, Mrs. James Russell, Miss Kate Rycraft, Messrs. J. H. McCormick, Wm. Hedrick and Silas Howell. The Philomath Brass Band is expected to be in attendance.

LODGE INSTITUTED.—Last Tuesday evening P. G. M., J. B. Congle, proxy, for R. P. Earhart, G. M. of A. F. & A. M., for the State of Oregon, instituted Rocky Lodge No. 75, of F. & A. M., in this city. The following officers were duly elected and installed: J. R. Bayley, W. M.; J. B. Lee, G. W.; J. H. Lewis, J. W.; M. Stock, Treas.; Wallace Baldwin, Sec.; S. E. Belknap, S. D.; Ed. Belknap, J. D.; Myer Harris, Tyler.

GRAND LODGE OF WORKMEN.—A gentleman, a delegate to the Grand Lodge of Workmen, which was in session at Astoria last week, took the census of that body by their affiliation, and found of the delegates in attendance forty-six in number; that 32 were Odd Fellows, 19 were Masons, and 12 were both Masons and Odd Fellows, while 7 only belonged to the A. O. U. W. alone. A political census showed 35 votes for Garfield and 11 for Hancock, while a vote of all passengers on the Bonita, including the above, resulted—Garfield 61; Hancock 23.

CRICKET MATCH.—On Monday and Tuesday next there will be a grand Cricket Match between the Portland eleven and our Corvallis eleven, on the ground west of the depot. The Portland team will arrive on Saturday afternoon, and will be billeted on the various English houses. This is the first match of the kind that has ever been played in this city, but we hope it will be by no means the last.

State Fair commenced yesterday. Next Sunday is the glorious Fourth. Are you going to the Fair next week? Corvallis is very lively at present. Prof. Elvin Glass closes his second term of school to-day.

E. A. Swan, Indian agent at the Siletz, was in town last week. The McCully makes daily trips between this city and Salem. The excursion to Astoria has been fixed for the 20th of July.

A large number of our citizens will attend the Fair this year. The Willamette is much higher at this place than usual at this season. Our citizens were treated to a genuine Eastern thunder shower last Tuesday.

Gen. Gerhard keeps the boss chewing gum; if you don't believe it, ask Miss —. Thanks to Mrs. H. Gerber for a fine lot of cherries and a beautiful bouquet. J. B. Congle, of Portland, was in the city last Thursday and Friday.

Only seven "Drunks" in Recorder Bryson's court last Monday morning. Dr. F. A. Vincent started for Buena Vista yesterday morning on professional business. The Fourth of July will be celebrated on the fifth at Salem, in grand style this year.

You can go to Salem and return the same day, for \$2.00, until Saturday night of next week. Jas. Drake, of this city, has gone to Portland to have his throat treated by Dr. Jones.

Dr. A. M. Belt, John Parker and E. W. Cooper, of Independence, were in the city last Thursday. Commencement exercises at Philomath College last Wednesday. More extended notice next week.

Prof. J. W. Johnson, of the State University at Eugene, is visiting his brother, J. D. Johnson, near this city. Will B. Rice, agent of the O. & C. R. R. Co. at Albany, paid our city a flying visit last Saturday evening.

See the advertisement of the Dana Stock Marks, in another column. No stock-raiser can afford to be without them. Found.—In this city a gold ring, which the owner can have by calling at this office, proving property and paying for this notice.

Charlie Miller, deputy marshal, is busily engaged in renovating the old side walks about town and building new ones. Good move. We notice that the Vincent House has an unusual run of guests lately, including all the employees of the Railroad Company. Why is this thusly?

Excelsior Lodge, No. 9, I. O. G. T., meets this evening. A full turnout is desired, as there is special business to be transacted. Visiting members cordially invited.

New and elegant stock of millinery goods just received, at Mrs. E. A. Knight's, which will be sold cheaper than they can be bought anywhere else in the city.

Miss Winnie McFarland, of Newell, Cal., formerly a resident of this city, is visiting friends in Oregon, and will pay Corvallis a visit in a short time.

Rev. J. A. Hanna, accompanied by his daughter, Miss Hattie, started for Yacquina last Friday, to be absent several weeks. Hanna will preach at Newport next Sabbath, July 4th.

Farmers remember, that if you buy an Osborn Self Binder of A. Cuthbert & Son this year, you will be furnished with a perfect cord binder next year for \$20.00 or a cord binder will be exchanged for your wire binder free of charge.

Mr. Chas. Prosser, editor of the Seattle Inquirer paid our city a visit last Thursday. Mr. Prosser had been traveling in Eastern Oregon for several weeks past and paid this section of the country a visit on his way home.

We are informed that the work on the Yacquina Bay wagon road is now nearly completed, and that a person can easily drive through from Corvallis to Newport in a day. This may be rather a hard drive, owing to the distance, but no obstructions in the road will prevent it.

Among the visitors from Albany to Corvallis, last Saturday night, we noticed the following gentlemen: Gen. M. V. Brown, J. I. Cowen, J. K. Wenzelhorst, R. S. Strahan, W. R. Blyden, L. E. Brown, Geo. E. Chamberlain, C. H. Stewart, J. J. Whitely, L. H. Montyone, W. H. Mansfield, S. L. Porter, D. P. Mason and a number of others, all Democrats of the strictest order.

ANNUAL CONFERENCE.—The twenty-eighth annual session of the M. E. Conference will be held in Eugene City, commencing August 19th. Bishop Wiley, of Cincinnati, will preside.

SEVERELY INJURED.—From the Portland Bee we learn that Walter De Clark, son of Tillman De Clark, road master on the W. O. R. R., was severely injured, last Monday, by an axle glancing on a knot. The axle struck him near the ankle, severing all the cords of the leg, and it is thought he will be a cripple for life.

ALBANY R. R. HOTEL.—Mr. J. M. Gross, formerly proprietor of the Railroad House at McMinnville, has assumed the management of the Railroad Hotel at Albany, which will be ready for the public July 1st.

FESTIVAL.—The ice-cream and strawberry festival given by the ladies of the M. E. Church, of this city, last Thursday evening was a very pleasant and enjoyable affair. The ice-cream was excellent, and clearly proved that those who made it understood their business. A novel feature was the hot strawberry short cake, which was served during the evening. There was not a very large attendance, but all who did attend seemed well pleased.

A CARD TO THE FARMERS.—When the East Side Railroad was being built, at Albany, some unsolicited gentlemen were induced by the Railroad Company to build a "Mammoth Warehouse" at the depot—the Railroad Company asserting all the while that no switch would be built to the river warehouses. The farmers consulted their best interests and stored their grain on the river, whereupon the Railroad Company built a switch to the river, thus leaving the "Mammoth Warehouse" out in the cold. Moral—Railroad companies will do what ever it is their interest to do—don't you forget it.

THE OREGON KIDNEY TEA.
Read the following testimonials, not from persons 2000 miles away, whom no one knows, but from well known and trustworthy citizens of Oregon, whose names written with their own hands, can be seen at our office:
Independence, Or., Dec. 13, 1879.

Both myself and wife have been for some years afflicted with disease of the Kidneys, and had tried many remedies without obtaining any permanent relief. About three months ago we were induced to try a package of the OREGON KIDNEY TEA, which has apparently entirely cured both of us, as since taking it two weeks we have felt no symptoms of the disease. We can heartily recommend it to others similarly afflicted, as we believe it will do all that is claimed for it.
M. L. WHITE.

I take pleasure in testifying to the merits of the OREGON KIDNEY TEA. For the past three years I have been suffering from kidney troubles, and during the time have tried nearly every kind of kidney medicine in the market, almost without any relief. Having heard that the OREGON KIDNEY TEA possessed wonderful properties, I purchased a package, and from the first dose obtained relief, and by the use of the one package feel completely cured. SAM'L GRAY.

THE AMERICAN PEOPLE.
No people in the world suffer as much with Dyspepsia as Americans. Although years of experience in medicine have failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Costiveness, Palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S AUGUST FLOWER we believe there is no case of Dyspepsia that cannot be immediately relieved. 30,000 dozen sold last year without one case of failure reported. Go to your Druggist and get a Sample Bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

We Challenge the World.
When we say we believe, we have evidence to prove that St. John's Consumption Cure is decidedly the best Lung Medicine made, in as much as it will cure a common or Chronic Cough in one half the time and relieve Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Consumption cured than all others. It will cure where they fail, it is pleasant to take, harmless to the youngest child and we guarantee what we say. Price, 10cts and \$1.00. If your Lungs are sore, Chest or Back lame use St. John's Porous Plaster. Sold by Allen & Woodward, Druggists.

Do You Believe It.
That in this town there are scores of persons passing on a sore every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distressed Stomach, Liver Complaint, Constipation, when for 75c etc. we will sell them St. John's Vitalizer, guaranteed to cure them. Sold by Allen & Woodward, Druggists.

The most remarkable Permanent Portraits of the late President LINCOLN, try it. Sold by Allen & Woodward, Druggists.

Sad Havoc is Created
Among the tenants of the month by allowing impurities to collect upon their surface or in their intestines. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and resilience to the gums. The breath acquires a most acceptable fragrance from it; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent work. It is highly recommended by distinguished educators and leading newspapers, and is considered by all to be one of the most useful books that was ever laid upon the counting-room desk or drawing room table.
