MATRIMONIAL.

On last Sunday, July 4th, 1880, at 3 P. M., Mr. Eugene R. Senthall and Miss Sarah Kline were united in marriage, at the residence of the bride's parents, in this city. The marriage ceremony was performed by Rev. H. Morris, of Portland, and witnessed by the relatives and a few intimate friends of the contracting parties. It was our good fortune to be present on this occasion, and it is seldom that we have the privilege of attending a more enjoyable affair. The bride was dressed in white silk, with the usual flowing veil and orange flowers and looked simply lovely. The ceremony was beautiful and impressive.

After the marriage ceremony the company repaired to the dining room where two hours was spent in the discussion of the dinner that did credit even to the well-known hospitality of the hostess. A number of toasts were offered with pleasing and appropriate remarks by different persons, among which the remarks of Mr. Moses Neungas, urging the younger members of the company to follow the example just set them by the occasion, were very happy. The party did not break up until a late hour of the evening, when all went home with the best wishes for the future prosperity and happiness of the newly wedded couple.

THE CRICKET MATCH.—Last Saturday evening the Portland Cricket team arrived in Corvallis for the purpose of playing a match game with the Corvallis team on the Monday following. The players were composed of fine athletic men, many of whom had earned quite a reputation as players, and many were the predictions as to who would be the successful competitors in the contest, of course the Corvallis team being at home, had many sympathizers. But the Portland boys seem to be confident, and both parties went to the field confident of success. The game commenced at 10 A. M., the Corvallis team having the bat, and on the first inning ran their score up to 111 runs. The Portland team then took their turn with the bat but misfortune seemed to be in store for them at every move, some of their best players being put out on the first run, and at the end of their first inning they had only scored 15 runs, they then, under the rules of the game, took the bat for the second inning and were more fortunate, but only succeeded in running their score up to 58, making in the two innings 73 runs, so Corvallis was victorious by one inning, and 38 runs. Of the Corvallis team, Mr. Francis was the best player, making 41 runs. Mr. Gray also made the good score of 28 runs. Mr. Coote, though less fortunate with the bat, was an excellent bowler and added much to the success of the game. The game lasted all day, and was witnessed by a large crowd of spectators who took a lively and enthusiastic interest in the playing.

SNOW IN THE CASCADES.—For the benefit of those who wish to cross the Cascade mountains, we would say that we are informed from reliable sources, that cattle and horses can now cross without much trouble, although there is considerable snow on the road, commencing on Seven Mile hill, between Snow creek and the summit, and reaches from there over to a point between Crater springs and Cache creek. The snow is so deep wagons cannot now cross, but will probably be able to get over by the 20th of this month.

IMPROVEMENTS.—Among the many improvements in our city, we notice the following new residences in course of construction. The Presbyterian and M. E. Church are each building a new parsonage. J. C. Taylor, E. W. Fisher and J. H. Lewis, each a new dwelling house. These buildings are all neat and commodious and will add much to the general appearance of the city.

CENSUS OF BENTON COUNTY.—The census enumerators of Benton county have completed their labors and filed their lists with the County Clerk. Many of the facts collected by them, they are required to keep secret, but we have obtained from their lists the number of inhabitants which amounts in all to six thousand, nine hundred and twenty-two.

RETURNED.—Rev. J. A. Hanna and his daughter, Miss Hattie, returned from Bay Tuesday. They came near being upset on one of the grades, owing to a car being stuck with Mr. H. unexpectedly and suddenly getting out of the buggy. We suppose they are enjoying the ride. No one was hurt by the accident.

Of the Corvallis players: Mr. C. H. Nash made 31 runs, Mr. Taylor 19, and Mr. Coote 12.

An oriental traveller describes this busy scene, witnessed on historic shores: "Our steamer landed on a beach which was the port of Antioch, where the disciples were first called Christians. There was no town at the water's edge, no people, no wharf, the passengers and the merchandise were landed on the beach, ready to transfer the goods into the interior. Among the articles landed were boxes marked 'J. C. AYER & Co., Lowell, Mass., U. S. A.', showing that they contained medicines and whence they came. These with other goods were hoisted on the backs of camels, for transportation to Antioch. Thus the skill of the West sends back its remedies to heal the maladies of populations that inhabit these eastern shores, whence our spiritual manna came."—Windsor (Vt.) Chronicle.

ALMOST A FIRE.—On Tuesday evening about 6 o'clock P. M. a fire alarm was heard, and soon the house owned by Mrs. Briggs, in the lower end of town, occupied by Mr. Spens, was discovered to be on fire. RETURNED.—Rev. J. A. Hanna and his daughter, Miss Hattie, returned from Bay Tuesday. They came near being upset on one of the grades, owing to a car being stuck with Mr. H. unexpectedly and suddenly getting out of the buggy. We suppose they are enjoying the ride. No one was hurt by the accident.

EXHIBITION.

The Philomath Public School gave an exhibition in Kisor's Hall, Friday evening, June 29th, which was largely attended and was duly appreciated. The exercises consisted of declamations, essays, dialogues, etc. Excellent music was furnished by the Philomath Band. Although the exercises were good throughout there were some that deserve special mention. The salutatory by Miss Davidson was delivered in a most excellent manner. The recitation of "Doomed Sentinel," by Master Fred Rayburn, was a brilliant feature of the evening. The tableaux "Mysteries of an initiation into a Good Templar's Lodge," was very amusing, the goat was perfectly gentle, and the candidate was taken through. This performance pleased the average Philomathites very much.

Mr. Becker, editor of the Crucible, was called upon and made some special and general remarks, and treated the audience to a hearty laugh, he spoke in very eulogistic terms of Prof. Thompson and the accomplishments of his school. Presents were conferred by the teacher upon the several pupils, who, by punctual and regular attendance, and application to study merited the tokens received.

The exercises closed with remarks by the teacher, Prof. N. A. Thompson, and music by the band. SKYLIGHT.

THE OREGON KIDNEY TEA.

Read the following testimonials, not from persons 3000 miles away, whom no one knows, but from well-known and trustworthy citizens of Oregon, whose names written with their own hands, can be seen at our office:

Silverton, Or., March 27, 1880. I have been afflicted with a kidney trouble for twelve years, during which time I have used almost every kidney remedy I could hear of but obtained no relief until I tried the OREGON KIDNEY TEA. I am now using the second box and am free to say that I am much better and have no hesitancy in recommending it as a pleasant and safe kidney remedy.

W. B. COX. Goldendale, W. T., March 31, 1880. I have had the diabetes for thirty years. Have had many physicians prescribe for me, but failed to get relief. I tried the OREGON KIDNEY TEA, and the first dose gave me relief. I am now almost well, and would recommend it to any one suffering from this disease. MOSES PIKE.

GREEN'S AUGUST FLOWER.

It is natural for people suffering with Dyspepsia and liver complaint or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Bilious Colic, Constipation, palpitation of the Heart, Heartburn, Water-brash, gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up at night, to feel low spirits, etc., to put off from day to day, in an article that they know has cured their neighbor, friend, or relative, yet they have no faith in it until it is too late. But if you will go to your Druggist and get a bottle of GREEN'S AUGUST FLOWER your immediate cure is as certain as you live. Sample Bottles of this medicine can be obtained for 10 cents to try its curative virtue.

Regular size 75 cents. Try it, two doses will relieve any case.

Hill's Mennel.

Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent and reliable work.

It is highly recommended by dis-satisfied and leading newspapers, and is considered by all to be one of the best and most useful books that was ever laid upon the counting-room desk or drawing-room table.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen, and Christian Minister of the M. E. It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. Bourbon, Ind., May 15, '78. Drs. Matchett & Francis. Sold by Allen & Woodward, Druggists.

Sad Hovee is Created

Among the tenants of the mouth by allowing impurities to collect upon their surface or in their intestines. SOZODONT removes every vestige of tartar from the teeth, and renders the gums tender and impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosinness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.
