DIPTHERIA.

This terrible disease haa again made itself manifest in our midst. On last Friday, a little daughter of J. H. Penn was taken sick with what was considered only an attack of sore throat, but, becoming worse, Dr. Farra was called, and he pronounced it a case of bona fide diphtheria.

Many families in this city, and throughout the Willamette Valley, will ever remember the visit of this scourge three years ago. Many family circles were broken up by the dread monster. There was seemingly no remedy to be found for it, and when a little one was stricken down, it seemed that all the grief-stricken parents could do was to make the last hours of their darling as pleasant as possible. We have, indelibly stamped upon our brain, the memory of one family, which, on the 4th of July, 1877, was as happy as could be, but before the 4th of August, only one short month, had laid three of their darlings to rest in the quiet shades of Crystal Lake cemetery. They were the pride and joy of a kind and indulgent father—who has since gone to join them in the better world above—and the centcalization of all the hopes of a loving mother, but diptheria, the unrelenting demon, fastened itself upon them, and the grave claimed them for its own. Many other families suffered as deeply, and some even lost more. May God in His mercy grant that those scenes of horror may not be re-enacted in this, or any other community.

GARFIELD AND ARTHUR CLUB.—On last Friday evening the Garfield and Arthur Club of this city held a business meeting at the Court House to make arrangements for a more vigorous compaign in this county. The meeting was well attended and the necessary steps taken to carry war into the enemies camp from this time forward until election. The various committees heretofore appointed reported progress, and the following additional ones were appointed: Executive committee, J. W. Rayburn, E. B. McElroy, John Kelsay, B. W. Wilson and M. S. Woodcock; on music, F. A. Vin-Vincent, L. Y. Wilson and F. M. Johnson. The last mentioned committee have organized a glee club composed of some of the best musical talent in the city and will be ready to furnish vocal music for the public meeting of the club. The Republicans of Benton County are alive in this work and for the next five weeks will make their presence felt in political circles. Let the good work go on.

TWO-FACED.—Sister Duniway, of the "New Northwest," in her issue of Sept. 23d, in speaking of the different lobbyists at the capital, is very hard on Mrs. Packard and accuses her of being two-faced. 'It seems that Sister Duniway, under the impression that she was a woman suffragist, has been giving her some free advertising; and now that she finds that Mrs. Packard does not believe in women having the ballot, is considerably worried. We are glad to note, however, that Sister D. will admit that there are some smart women who do not desire the use of the ballot box.

PUBLIC SPEAKING.—During the coming week the Garfield and Arthur Club of this city will be addressed as follows: By Hon. Geo. H. Williams on Tuesday the 5th and W. J. Curtis on Wednesday the 6th. Further notice will be given by posters in the city and surrounding country. A cordial invitation is extended to the public, generally, and the ladies in particular. The ability of the speakers will insure a crowded house on such occasion. Come every body and you will be both entertained and instructed.

REV. W. H. MILBURN.—Rev. W. H. Milburn, the "Blind Man Eloquent," who lectured in this city about a month ago, and has since that time been visiting and lecturing in different parts of this State and W. T., will return to Corvallis to-morrow and remain over Sabbath. On to morrow evening he will lecture at the College Chapel on the life of Aaron Burr. This lecture is spoken of as one of his best, and many of our citizens having expressed a desire to hear it will now have the opportunity.

TOUCHING LINES.—In last weeks' issue of the *New Northwest*, appear some very touching lines from Mrs. M. E. Burbank, the mother of Miss Eva Burbank, who was recently drowned at Ilwacco Beach, and a reply from the pen of Mrs. Duniway. The mother's poem shows that it came from the heart, and Mrs. Duniway's reply, also in verse, exhibits a deep, sympathetic feeling.

MARRIED.—On last Sunday Mr. Virgil Parker, of Albany, was united in marriage with Miss Mary A. Parker daughter of Hon. Allen Parker. The marriage took place at the residence of the brides parents, at Oneatta, in this county, Rev. L. J. Wolf officiating clergyman. "May they live long and prosper."

Daniel Bringle, an old and respected citizen of Linn County, died at his residence near Halsey on last Friday. Many of our readers are personally acquainted with Mr. Bringle, and many more know of him as an earnest friend and zealous worker for the Yaquina Bay Railroad a few years ago. We are not informed as to the particulars of his death other than stated above.

EASTERN TOURISTS.—Probably more Eastern tourists have visited this Northwest Coast during the present season than ever before, and they all bear testimony to our unsurpassed natural advantages and great resources and are enthusiastic in regard to our future when railroads shall have superseded the tedious ocean steamers and population comes pouring in. The proprietors of the Oregon Kidney Tea are equally sanguine of its future, for it has thus far cured every case of backache or disease of the kidneys and urinary organs that it has been tried on. Sold everywhere.

SYNOD OF COLUMBIA.—The Synod of the Columbia will meet in the Presbyterian Church of Corvallis, on Thursday, Oct., 7th at 7½ o'clock, and will be opened by a sermon.

The Synod will hold over the Sabbath, and on the Sabbath and each evening of the session, there will be preaching or other public exercises to which the public are cordially invited. The daily sessions of the Synod are also open to the public and all who can attend will be most heartily welcomed.
H. P. DUNNING,
Char. of Committee.

We clip the following notice of the political addrss of Congressman George from the Yamhill *Reporter* of last week:

Hon. M. C. George spoke to a crowded house at this place on Friday evening. He is a fine and logical talker; one whose argument will set the people to thinking instead of stirring up their partisan feelings. It is to be regretted that there are not more of his style in both political parties, instead of these ranting, roaring, rip-snorting blood and thunder personal mud-slingers who come among us.

M. STOCK & CO.

An Immense Stock of Goods, Embracing Every Grade, Quality and Price.

We were politely shown through the immense stock of goods at M. Stock & Co's the first of the week, and were astonished at the quality, styles and prices of the various articles offered for sale. In the ladies department there are the handsomest shawls, styles and quality to suit every age and purse; satin, silk, and some of the handsomest of velvet trimmings; dress goods in endless shades and variety; shoes, button, lace, etc., of genuine French kid, cloth, half-cloth, and all the cheaper varieties, and an endless variety of cloaks and dolmans, richly trimmed, which will be sold at astonishing low figures. We cannot begin to enumerate the rich and attractive goods that fill shelves and counters, rare silks and velvets that require full purses, as well as more substantial goods at prices to suit the hard times. The ladies must call and see for themselves. For men and boys there are hats of the finest wool; shapely caps; all kinds and qualities of boots and shoes, pegged and sewed, from the best manufactures—but it is impossible in this space to enumerate the extensive array of articles in men's wear. Suffice it to say that the new fall and winter clothing embraces some of the best goods we have ever seen in any market. This store is crowded full of new goods, making by far the largest stock ever brought to this city, embracing not only staple grades, but rich and costly velvets, silks, satins, etc., not forgetting groceries, crockery-ware, and an endless variety of notions. This firm is getting an immense trade, and they propose to keep it, if goods and low prices will draw customers. They invite everybody to come and see for themselves, and defy competition in quality, style or prices.

ENCOURAGING.—The following telegram, which appeared in the Oregonian of yesterday, explains itself:

The Times prints an article headed "Another Great Railroad," giving the history of the Oregon Pacific Railroad Company, and the plans of Eastern capitalists to push it forward. It is proposed to go to work at once and finish the line from Corvallis to Yaquina Bay and to construct 70 miles from Corvallis eastward, the entire 130 miles to be equipped and in running order by September 1, 1881. A line of steamers will then be put on to run from Yaquina bay to San Francisco.

CROWN SEWING MACHINE.—These number one machines can be purchased of J. A. Knight at his furniture store. Call and examine them; they are much cheaper than any in the market, contain all of the attachments and are first-class in every particular. 17:39m1

Mr. J. L. Clark, of Portland, who has been visiting friends in this city, returned home yesterday.

GREEN'S AUGUST FLOWER.

It is natural for people suffering with Dyspepsia and Iver Complaint or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Habitual Costiveness, palpitation of the Heart, Heart-burn, Water-brash, gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue, and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c., to put off from day to day buying an article that they know has cured their neighbor, friend, or re ative, yet they have no faith in it until it is too late. But if you will go to your Druggist and get a bottle of GREEN'S AUGUST FLOWER your immediate cure is as certain as you live. Sample Bottles of this medicine can be obtained for 10 cents to try its superior virtue.

Regular size 75 cents. Try it, two doses will relieve any case.

I Wish Every body to Know.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen, and Christian Minister of the M. E. Church just this moment stopped in our store to say, "I wish every body to know that I consider that both myself and wife owe our lives to, Shiloh's Consumption Cure." It is having a tremendious sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. Bourbon, Ind., May 15, '78. Drs. Matchett & France. Sold by Allen & Woodward, Druggists.

No Deception Used.

It is strange so many people will continue to suffer day after day with Dispepsia, Liver Complaint, Consumption, Sour Stomach, General Debility when they can procure at our store SHILOH'S VITALIZER, free of cost if it does not cure or relieve them. Price, 75 cts. Sold by Allen & Woodward, Druggists.

For Lame Back, Side or Chest use SHILOH'S POROUS PLASTER. Price 25 cts. Sold by Allen & Woodward, Druggists.

It is a fact well established by unquestionable testimony that Hall's Hair Renewer renews, cleanses, brightens, invigorates and restores to its original color and lustre, faded gray or discolored hair, cheaply, quickly and surely. The poorest people prefer to buy it and use it, rather than to proclaim in a manner more forcible than words can delineate, through blanched locks or grizzy beard, that they are aged and passing to decay. A very short trial will convince the most skeptical that it does eradicate the scalp diseases which rob the hair of its color and life.—Fort Scott (Kan.) Daily Monitor.

Sad Havoc is Created

Among the tenants of the mouth by allowing impurities to collect upon their surface or in their interstices. SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosiness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

Mr. N. Newton, agent for Benton county, is now canvassing for subscribers to the new and revised edition of the above excellent work. It is highly recommended by distinguished educators and leading newspapers, and is considered by all to be one of the most useful books that was ever laid upon the counting-room desk or drawing room table. 17:8
