Hon. A. C. Gibbs .- On Tuesday even ing the Garfield and Arthur Club of this city was addressed by Ex-Gov. A. C. Gibbs. The Governors speech was in every way of good one. He showed by the able manne in which he handled his subject that he was thoroughly master of the situation. His address was logical, eloquent and witty, and the reasons given why the Republican party should be successful in the pending election was sound and conclusive. The meeting was held at the Court House and was attended by a large and intelligent audience. The Garfield and Arthur Glee Club furnished, as usual on such occasions, excellent and appropriate vocal music. As is the case with all Republican meetings a considerable amount of enthusiasm, was felt on this occasion, which manifested itself by frequent applause of the speaker, and by three rousing cheers for Garfield and Arthur at the close of the meeting.

RAN OFF THE GRADE. -Mr. Mullen, our thii county. enterprising Singer Sewing Machine Co,'s agent, while out canvassing last week, met with a misfortune that came near ending sand, by Max Friendly at the Corvallis Sav his usefulness on this mundane sphere. He was passing along the road between Pioneer and Elk cities on Yaquina river, by the way a rough road, when his team as he says, through pure cussedness. ran off the grade, and horses, hack, sewing machines and Mullen went down the mountain a distance of over one hundred feet, the team rolling over Mullen three times before landing in the river. Strange to say the team was unhurt and Mullen only slightly bruised, but the hack was smashed into kindling wood and the Singers will sing no more. - Albany Reg- 1 o'clock of that day.

Among the tenants of the mouth by allowing impurities to collect upon their surface or in their interstices. SOZODONT recouple returned to this city where they will in the future reside. On Tuesday evening they were the recipients of a serenade at the Occidental Hotel by the 2d Brigade Band. George has since his residence among us made for himself a host of friends who join us in sincere congratulations. The bride also has many friends here, having been for a number of years a resident o Philomath. Both parties spent their childhood in Benton county, and we trust that their future may be as cloudless as the past, and that among the pleasant surroundings may call them blessed.

the sad news that his son, Wm. E. Royal died a short time since at Delaware, Ohio, where he was attending the Ohio Weslevan University. The deceased was aged twenty two years, and was a bright and manly young fellow. He leaves scores of warm persona friends in this State, who will learn with deep regret that he is no more. William formerly taught in the Portland academy, and for several years was employed at the Siletz agency.

· THE LAST RALLY.-The Republicans of Benton county will have a grand rally in this city on next Monday night. Arrangements are being made to make this meeting a grand success. Delegations from different parts of Benton and Linn counties are expected to be present, as well as able speakers from a distance, and we ask each Republican to constitute himself a committee of one to assist in carrying out the pending arrangements. Let everyone be present for the occasion will be a grand one.

WOMAN SUFFERAGE. - Even the wome are not all agreed in wanting the ballot, and it is an open questson wether, if submited to a vote of women alone, they would declare in favor of undertaking to discharge the grave duties and responsibilities of electors. But if the women of Oregon and Wasnington were called upon to vote for the best and most effectual remedy for lame backs and all disease of the kidneys and urinary organs, the vote would be unanimous for the Oregon Kidney Tea, which is sold everywhere.

BIDDY AND GEORGE ARE OUT- Last Monday Mrs. Biddy Coffee procured a warrant for the arrest of her husband George Coffee to have the said George bound over to keep the peace; the facts seem to be that George who has not been living at home for some time visited the old place one day last week and an altercation ensued between the parties the result of which was Mrs. C. application for a warrant. The matter came up before Justice Wrenn who after learning the fact took the mutter under advisement and we are not informed as to his decision

No people in the world suffer as much with Dyspepsia as Americans.
