THANKSGIVING PROCLAMATION.

STATE OF OREGON, EXECUTIVE OFFICE,)
Salem, November 9, 1880.

In accordance with a custom that has prevailed for a long period of time, I, W. W. Thayer, Governor of the State of Oregon, do hereby appoint Thursday, the 25th day of November, 1880, as a day of thanksgiving.

In testimony whereof I have hereunto placed my hand and caused the seal to be affixed the day above written.

[SEAL.] W. W. THAYER, Governor of Oregon.

By the Governor, R. P. EARNHART, Secretary of State.

A SELF-CONFESSED THIEF.—Last Tuesday an old gentleman named George H. Kinser, who recently arrived from the east, was robbed of \$195.00 in gold coin. On his arrival here Kinser had been stopping at the Richmond House. On Monday night Kinser occupied a room at the hotel jointly with a young man named Frank G. Pearce, who was in the company of the hotel. The railroad company in the capacity of mail weigher. From all the circumstances suspicion was at once directed to Pearce. Chief Lappeus was notified by the theft by the proprietor of the Richmond House, and officer began to track up the matter. The case was turned over to Detective Joe Day. When Pearce came down from Corvallis on Wednesday he was interviewed by Mr. Lappeus, the proprietor of the hotel. He betrayed great nervousness when spoken to about the theft, and denied all knowledge of the matter. Although convinced of Pearce's guilt, Chief Lappeus did not arrest him, for the reason that there was no tangible evidence against him. There were several circumstances against Pearce, but still there was nothing which would warrant his arrest. While the officers were waiting and watching for some clue Mr. Pearce received a dispatch on Friday from D. H. Thacker of Corvallis, a friend of his, who by some means learned of the robbery. The telegram was to the effect that Pearce had deposited with him the sum of \$190. On receiving this dispatch, Mr. Lappeus notified Chief Lappeus of the fact. A warrant was issued at once and given to Detective Day, who, on the arrival of the western train Friday afternoon, arrested Pearce and conveyed him to the city jail where he is at present. On being arrested Pearce confessed his guilt, and gave all the circumstances of the crime. He seems very penitent and states that it is his first wrong act—Oregonian, of Monday.

Frank G. Pearce, the young man referred to in the above extract, had been boarding at the New England House in this city from October 20th until the time of his arrest, and occupied a room jointly with Mr. F. P. Lane and D. H. Thacker. The evening prior to his arrest Pearce related to Mr. Thacker the particulars concerning the theft which had been committed in the Richmond House, and stated that he was strongly suspicious as being the guilty party. In the course of his conversation he stated that on Tuesday he received \$190 from his father, who resided in the East, and as the money was of about the same denomination as that stolen in Portland, he thought it would look rather suspicious to have it found on his person, and told Mr. Thacker that if he would take care of it for him for eight or ten days, his remuneration therefor would be \$20. Thereupon Mr. Thacker took the \$190 and promised to comply with Pearce's request, and the next day telegraphed to the proprietor of the Richmond House in Portland the facts in the case, with the result as above stated. Pearce is a man of about twenty-seven years of age, of prepossessing appearance, a good conversationalist, and very agreeable in company. He now lies in the Portland jail awaiting sentence.

MUSICAL TREAT.—On last Wednesday evening our citizens had the pleasure of listening to Messrs. Chas. Hines and J. H. St. Lawrence, the blind musicians. It was undoubtedly the best entertainment for the money that we ever attended. Mr. Hines handles the violin in a manner that is truly wonderful. His selections were good, and his imitations perfect. Mr. St. Lawrence brought down the house with comic songs and recitations. Taken all in all, it was as good an entertainment of the kind as has been our fortune to listen to for some time. They go from here to Oregon City, and thence up the coast to Roseburg.

THE BONAZZA MINES.—It is an open secret that unless new discoveries of ore are made in these mines their working will have to be abandoned, and then the question arises whether more money has been taken from them than has been put in. But no such question of comparative benefits can arise in connection with the Oregon Kinley Tea, for every dollar put into that has produced a thousand dollars worth of good to the victims of backache and kidney troubles as their unanimous testimony will show. Sold in all stores.

A GHOST AT BUENA VISTA.—A ghost at the pottery is the latest sensation at Buena Vista. The Chinese made the discovery while burning a kiln at night. They say that footsteps are heard on the floor and that there is a rattling on the windows and doors by something that cannot be seen. Their fright is genuine and they refuse to work at the kiln at night.

SHARPEN UP YOUR SKATES.—The weather for the past week has been quite cold. Are you going to the H. and L. Co's ball to-night? Go to Rosenthal's and see the pet elephant.

AS OTHERS SEE US.—The New York World evolved the following opinions from the London Times: "The Republicans in America have nominated the third-term candidate, Garfield. He has already held the Presidency for two years, and his election for a third term will probably result in the crowning of his eldest son, U. S. Grant Garfield, as Emperor of America. The Democrats, led by a wild Irishman, named Hancock, appear to have nominated one Dennis Kearney, a millionaire of San Francisco, and an Irishman by birth, who lives in Paris, where he has a magnificent villa, and who is the owner of gold mines of incalculable value in Nevada, in the state of Tennessee, and works 50,000 Chinese, all of whose queues he has cut off."

CRYSTAL WEDDING.—On last Friday evening the many friends of Mr. and Mrs. S. L. Shedd tendered them a surprise party, in honor of their crystal wedding. The house was filled to overflowing, and many handsome presents were made. It was a surprise to Mr. and Mrs. Shedd, they knowing nothing of the intended visit. After spending some time in social conversation and enjoyment, the visitors retired, wishing the happy couple many returns of the anniversary.

FROM ABROAD.—The following named legal gentlemen are in the city attending Circuit Court: J. E. Watson, Judge of the Court of Roseburg; District Attorney Hamilton, of Coos Bay; L. Flinn, N. B. Humphrey, R. S. Strahan, of Albany; J. J. Daly and J. L. Collins, of Dallas; H. H. Northrup, Portland; C. A. Schilbrede, Salem.

WANTED.—A few more cords of wood, either oak, ash or maple, at this office, on subscription to the GAZETTE. We would like those intending to bring wood to deliver it soon, so that we can get it housed before the winter rains set in.

THE AMERICAN PEOPLE.

No people in the world suffer as much with dyspepsia as Americans. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Heart-burn, Water-brash, Sick Headache, Constipation, Catarrh of the Liver, Liver Complaint, coming up of the food, loss of spirits, general debility, etc., yet since the introduction of GREEN'S AUGUST FLOWER we believe there is no case of Dyspepsia that cannot be immediately relieved. 30,000 dozen sold last year without one case of failure reported. Go to your Druggist and get a Sample Bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

It is a fact well established by unquestionable testimony that Hall's Hair Renewer

renews, cleanses, brightens, invigorates and restores to its original color and lustre, faded gray or discolored hair, cheaply, quickly and surely. The poorest people prefer to buy it and use it, rather than to proclaim in a manner more forcible than words can delineate, through blanching locks or grizzly beard, that they are aged and passing to decay. A very short trial will convince the most skeptical that it does eradicate the scalp diseases which rob the hair of its color and life.—Fort Scott (Kan.) Daily Monitor.

SOZODONT removes every vestige of tartar from the system, renders their premature decay impossible. It not only imparts to them whiteness and vigor, but communicates hardness and rosinness to the gums. The breath acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.
