FOR RESTORING GRAY HAIR.—It is a most agreeable dressing, and is at once harmless and effective, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray hair, and restores to a rich brown, or deep black, as may be desired. By its use the hair is thickened, and baldness often though not always cured. It checks the fall of the hair immediately, and causes a new growth in all cases where the glands were not decayed; while to brassy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

As a Dressing for Ladies' Hair.—The VIGOR is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

PREPARED BY DR. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.
