It is a fact well established by unquestionable testimony that Hall's Hair Renewer restores, cleanses, brightens and beautifies the hair to its original color and lustre, faded gray or discolored hair, cheaply, quickly and surely. The poorest people prefer to buy it and use it, rather than to give up their hair to the hands of a barber, who will cut it, wash it, and apply to it a quantity of deleterious, through branched loaves, or gray beard, that they are aged and passing to decay. A very short trial will convince you of the truth of the above statements. It is the best and most reliable of all hair dyes, and it is reported to be the best of all hair dyes. It is reported to be the best of all hair dyes. It is reported to be the best of all hair dyes.
