A more portion of the line through Garfield pass for favorable route than expected will be obother parties.

Dr. J. B. Lee is building a new residence on the north-east corner of the block south of his present residence in this place. It is two stories high built upon a brick foundatlon four feet high having four large main rooms on the ground floor with a large hall running through the center, and four main rooms up stairs with a hall also running east and west. It will be covered with a square roof wih a large deck on top, When completed it will not only be a good house but certainly large enough to contain the Dr's. large family.

Insane Asylum Report.

Dr C. H. Raffety, State visiting physician for the insure asylum, has made the following report for the quarter ending May 31: No. under treatment March 1, males, 226; females, 81; total, 310; admitted during the quarter, 10 males, and 1 female: escaped, 1; error of last quarter, 1; discharged, 10 males and 2 females; total number of patients on hand at present date, 217 males and 92 females, making a total under treatment of

Drowaed.

A young 14-year-old son of Mr. Ash ras drowned in Beaver creek near W. O. Kendoll's place last Sunday. It seems that the deceased and some other boys were in swiming and young Ash fell off the bank into the water where it was only about 6 ft., deep the stream was probably not more store. than 30 it. across. Before proper assistance reached him he was drowned. His funeral took place last Monday.

The eager inquirer stool about the streets and around the bulletin boards during the week anxiously propounding the questions: Who is ahead? How is Sol? How is Bash? Have you heard from Soap creek Do you know how Alseva went? What is the matter with Monroe ? How is Tyric What is the reason that the Democratic nominees for County Judge, School Superintendent and Treasurer ran phead in many places with so much uniformity ? &c.

T. S. Surveys.

Monday a party of surveyors in the employ of Engineer Snow left for the Spokane county, where they will be engaged during the summer in Government surveying. They have a large number of townships to stake off, extending from the north side of

Linn County.

It is reported by a prominent Democrat from Albany, that the Liun county Democratic ticket has been elected by majorities

Will Lecture.

S. A. LATTIMORE, Ph. D., L. L. D., Professor of Chemistry in the University of Rochester, N. Y. knowing the popularity and merit of Warner's Saf-Kilney and Liver Cure, after a thorough Chemical Analysis, has furnished the following statement: UNIVERSITY OF ROCHESTER, Chemical Laboratory. ROCHESTER, N. Y., Jan. 8, 1880. Warner has placed in my possession to

Mr. H. H. Warner has placed in my possession that formula of the medicine manufactured and sold by him under the general designation of WARNER is SAFE RIDNEY AND LIVER CIRE. I have invasigated his processes of manufacture, which are conducted with extreme care and according to the best methods. I have also taken from his laboratory samples of all the materials used in the preparation of this medicine, and upon critical examination I find them, as well as the modeline into which they enter, to be entirely free from poisoners or deleterious substances.

This Remedy which has done such wonders, is putup in the LARGEST SIZED BOTTILE of any medicine upon the Market, and is sold by Druggists and all dealers at \$1.25 per bottle. For Diabetes enquired for WARNER'S SAFE DIABETES CURE. It is a POSITIVE Remedy.
