OFFICIAL PAPER FOR BENTON COUNTY

The gold certificates in circulation amount to \$46,268,850.

Congress is considering closely the various features of the tariff question.

The fifty-eight principal railroads of the country report their earnings for the month of December, 1882, at \$21,358,623.

The West Virginia Legislature, which met at Wheeling Wednesday, stands 55 Democrats to 36 opposition on joint ballot.

It is thought by some that an effort in congress will be made to annex the Hawaiian islands to the United States.

The anniversary of the birth of Tom Paine was celebrated last Sunday night in the German Masonic Temple at New York City.

It is said that the past and present star route trials will cost \$200,000 of which Brady and Dorsey have spent \$75,000. Thus goes the ill got gains.

The managers of the Holland International Exhibition hope that Congress will appropriate at least \$100,000 to provide for a United States exhibit.

It is said by the foreign affairs committee that there will be no modification or abrogation of the Hawaiian treaty by the present congress, for lack of time.

Gladstone and Bismarck are both in delicate health, and have given up the attempt to do all the governing for their respective countries. Age and failing physical power are upon them.

Henry Ward Beecher in a lecture delivered January 6th, advocated the theories of evolution, announced his disbelief in such a place as hell and dispensed all ideas of such a thing as sin.

It is reported that the number of the people largely reduced, according to recommendations of his recent message, he will call an extra session of Congress.

Fears are expressed that if De Lesseps builds the Nicaragua canal across the Isthmus, under the sanction of the United States, that it will involve the United States in war with France.

John Muir, superintendent of traffic for the western division of the Northern Pacific railroad, expresses it as his opinion that the road will be completed from St. Paul to Portland by next August.

Appalled by the enormous magnitude of the estimate of pensions, Congress is making an effort to reduce it to \$85,000,000. But at least \$15,000,000 more will be needed to satisfy all claims in the treasury.

Of the 46,162,738 bushels of grain shipped to Europe from New York in 1882, not a single bushel went under the American flag. And yet there is hesitation about repealing the absurd and destructive navigation laws.

At the inquest held over the disaster to the inmates of Newhall house, Milwaukee, much unfavorable criticism was had on the actions of the fire department. It was thought all the inmates could have been aroused if proper efforts had been made.

The starvation and destitution in the western part of Ireland is largely accounted for by a Parliamentary return showing the falling off in the crops in 1882 as compared with 1881. Reckoned in value the diminution was over \$20,000,000, and over \$10,000,000 as compared with the average of the preceding ten years.

The bulk of this loss was on the potato crop, to which is meat, drink and clothing to thousands of the peasantry.

A Washington correspondent to the Utica Herald claims that G. V. Butler, of Massachusetts, in talking with his intimate friends, makes no secret of his desire to be an independent or democratic candidate in the next presidential campaign. He may awake some time in the future and find his democratic aspirations faded away like those of the lamented Greeley.

One hundred and five clerks were discharged from the Census office at Washington one day last month.

The U. S. grand jury has found an indictment against Wm. Dickson, for corruptly endeavoring to influence the vote of his fellow jurors in the late star route trials.

The respectable Democracy of New York City are mad over the appointment of mayor Elson, and are not pleased with the action of Governor Cleveland. Must Democratic hopes be forever, like Dead Sea apples, turning to ashes on the lips?

It is estimated that two million dollars only will be needed to pay for the proposed addition to the pension list; but when the modest estimate of the amount that would be required to satisfy the arrears of pensions is recalled, people may be excused if they are somewhat skeptical about it. It is more likely to be twenty million dollars.

The New York Commercial Bulletin, after a careful examination of figures, reports the loss by fire in the United States during the past year at \$90,000,000. This confirms the estimate made some time ago, that the average losses by fire in this country are a quarter of a million dollars daily. It is a great country that can afford a quarter of a million bonfire every day in the year, Sundays included.

PROSELYTISM REBUKED. The two Mormon missionaries who arrived in the town of Rockville, York county, South Carolina, last week were not received with that greeting which is likely to promote their cause in that vicinity. They gave their names as Elders Jno. M. Eaton and Angus McKay, of Salt Lake, missionaries of the church of Latter Day Saints, and announced their intention of entering at once upon their work of proselytism. A committee of young men of the town waited on them and warned them to leave the county within 24 hours, on pain of being tarred and feathered and ridden on a rail. They did not wait for a second invitation but went away next morning.

CONDENSED TELEGRAMS. The Marquis de Lorne was dined by the President on the 27th ult.

Thomas J. Brady, one of the star-route magnates, sold his property in Washington last week for \$20,000.

The coroner of Milwaukee is investigating the Newhall disaster. No evidence of importance has been given so far.

The seals on Gambetta's papers have been removed. The papers contain copious notes on the subject of the reorganization of the army.

Two tons weight of guns and pistols were removed from Rathkeale to Limerick in apprehension of a Fenian raid being made on the town.

Henry T. Morgan, the well known banker and broker, died at New York on the 27th in a carriage, while returning from Wall street to his home.

A courier reached Hermosillo, Sonora, on the 27th, begging for immediate military assistance near Casa De Janos, on the Chihuahuas frontier. The people there are surrounded by 1300 Apaches. All the available cavalry and infantry left at once from Hermosillo, under command of Col. Garcia. Everybody in Sonora hopes the American soldier will co-operate.

A Lewiston dispatch says Mr. Osborne, surveyor of the Oregon Short Line, is missing. He is believed to have become snow-blind and lost in the mountains. A party is in search of the missing man.

A terrific wind storm again visited the city of Denver at an early hour this morning. A dozen or more buildings were demolished, while the roofs of many more were torn off, and in some instances carried 250 feet. During the storm another electric light tower was blown down, and a car on the circle railroad was blown from the track, and several persons seriously though not fatally injured. In several instances the roofs and debris was blown in one direction, while in the immediate neighborhood others were carried in an opposite direction. A singular feature was that the wind came in gusts, each succeeded by a few moments calm.

One of the surviving "Forty-niners," Levi Fernsworth, of Jonesboro, Me., returned to his old home a few days ago, after an absence of 33 years. He sailed for the Pacific in November, 1849, leaving behind him his wife and six children, all of whom were living to greet him on his return, except one daughter, who died 20 years ago.

Yesterday morning a family of nine negroes, living in Laurena county, killed and ate a goose that had been bitten by a dog which is supposed to have been mad. About two hours thereafter the entire family became sick and were thrown

into convulsions. Four of them died last night and the other five are not expected to live.

The British ship Narwhale, Captain Weston, from San Francisco, October 4th, for Queenstown, put into Falmouth. She had been aground. Five of the crew have been arrested for assaulting a sailor suspected of having given information in regard to a scuffle which occurred on the passage, between an officer and a man, during which a gun exploded, wounding the latter. The officers were compelled to carry arms during the voyage.

TO THE SICK AND AFFLICTED

AND ESPECIALLY Those Suffering from Debility, Nervous Prostration, Loss of Vitality, Sexual Infirmities, Etc., Etc.

THE GREAT NEEDS OF LIFE WHO ARE suffering from SEXUAL AND NERVOUS DEBILITY, are to a physician who can comprehend their ailments and successfully treat them.

The general practitioner is not sufficiently skilled in the science of medicine to do this. He is left to the SPECIALIST, who by education, long practice, thorough knowledge and comprehensive mind, is prepared to cure them.

DR. J. C. YOUNG Opened his now celebrated Institute in 1850 for the purpose of affording the afflicted the certainty of honorable and moral treatment and perfect and permanent restoration, and for over 30 years it has maintained the first rank not only upon this coast but throughout the civilized world.

I am aware that by dwelling upon so unwelcome subjects as DEBILITY, NERVOUS PROSTRATION, etc., you may asperse my motive, however true it may be, and I therefore do not dwell upon them.

The desire to inform those who are suffering from these ailments, and who by the earnestness or want of knowledge that they can be had, are not only to be cured, but to be cured in an untimely grave, but to give them the chance of living, and to do so, I have been too great an incentive to permit me to be silent.

SYMPTOMS. IF YOU ARE SUFFERING FROM NIGHT LOSS OF SLEEP, NERVOUSNESS, WEARINESS, CONFUSION OF MIND, SLIGHT TREMORS WHEN UNDER EXERCISE, UNUSUAL PALPITATIONS, FLUSHES, ACIDITY OF THE STOMACH, HEADACHE, EYES, IN THE SLIGHTEST PARTICULAR you are suffering from the

Bread Enemy of Human Life, and should not hesitate to seek at once health and happiness in the treatment of your ailments.

CURES GUARANTEED. FEES MODERATE. CONSULTATION BY LETTER OR OTHERWISE. Exclusively Vegetable Remedies Used.

Ladies You are especially liable to suffering from NERVOUS PROSTRATION. All your peculiar complaints are nervous in their origin and hence your sufferings are terrible. Do not despair, for I have been a student in my researches and practice of NERVOUS PROSTRATION, and I have discovered a special remedy, which I have named "Dr. Young's Female Remedies" and it is thus enabled from his experience and knowledge to aid and cure you in any of the ailments which you are suffering from.

Dr. Young's Female Remedies have obtained a reputation for efficacy unequalled by any other medicine for the cure of these ailments. They can be sent by mail or express. Those desiring personal care and attention can have all necessary accommodations furnished.

Letters. Those who cannot visit the city can by giving the symptoms of their ailments, and the nature of the desired treatment at home with every assurance a cure.

LETTERS RETURNED OR DESTROYED. Address, DR. J. C. YOUNG, Medical Institute, No. 7 Stockton St. San Francisco, Feb. 21, 1882.

KENDALL'S SPAVIN CURE. The most successful remedy ever discovered, as it is certain in its effects and does not blister. Read proof below.

Kendall's Spavin Cure. H. H. HARRIS, Proprietor. B. J. KENDALL & CO., Genls.—This is to certify that I have used Kendall's Spavin Cure and have found it to be all that is recommended to be and in fact more so; I have removed by using the above; Callous, Bone Spavin, Ring-bone, Splints, and can cheerfully testify and recommend it to be the best thing for any spavin I have ever used and I have tried many of them and have made my study for years.

Respectfully yours, P. Y. CRIST. FROM THE ONEONTA PRESS, N. Y.

Oneonta, New York, Jan. 26th, 1883. Early last summer I was afflicted with a severe case of spavin in my hind leg, which was very painful and prevented me from doing any work. I was advised to use Kendall's Spavin Cure. At the same time we secured from the firm a copy of Kendall's Treatise on the Horse and his Diseases, which we are giving to advance paying subscribers to the Press as a premium.

About the time the advertisement first appeared in your issue I had purchased a copy of Kendall's Spavin Cure and had commenced using it. I had also purchased a copy of Kendall's Treatise on the Horse and his Diseases, and had commenced reading it. I had also purchased a copy of Kendall's Spavin Cure and had commenced using it. I had also purchased a copy of Kendall's Treatise on the Horse and his Diseases, and had commenced reading it.

READ PROOF OF WONDERFUL CURES. Fremont, Ohio, Jan. 25th, 1883. Dr. B. J. Kendall & Co., Genls.—I think it my duty to render you my thanks for the benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion, worth \$4000 which had a very bad spavin and was pronounced by four eminent and far famed surgeons, beyond any cure, and that the horse was to be put to death. I purchased a copy of Kendall's Spavin Cure, and used it. It had a magical effect, the third bottle cured it and the horse is as well as ever. Dr. Dick of London, the eminent Veterinary Surgeon was an uncle of mine, and I have great interest in assisting his profession. Yours truly, JAMES A. WILSON, Civil Engineer.

Kendall's Spavin Cure ON HUMAN FLESH. West Elizabeth, Vt. Feb. 15th, 1881. Dr. B. J. Kendall & Co., Genls.—Several months ago I injured my ankle and was unable to walk. I was advised to use Kendall's Spavin Cure and it cured me. I have since used it on several other persons and it has cured them all. I have since used it on several other persons and it has cured them all.
