Readers of the Commercial can not well forget that a large space has for years been taken up by kendall's advertisement—especially of a certain Spavin Cure. We have had dealings with Dr. Ken-dall for many years, and the truth is filly and faith-ulty proven not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English language is not capable of recommending too highly. Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to curring spavins alone, they make a big mistake. It is the best r edicine known as an outward applica-tion for rheumatism in the human family. It is good for pains and aches, swellings and lameness, and is just as safely applied to men, women and children sa it is to hornes. We know that there are other youd linaments, but we do believe this spavin cure to be far better than any ever invented. Mesers. J. B. Kendall & Co., Gents:-Through the recommendation of a friend about a year ago, I was inluced to give your Kendall's Spavin Cure a trial and I am pleased to say that I was fully satisfied with the results. I used it in several instances upon splints, which after a few applications were entirely removed. I also used it on a spavin with the same results. The medicine has grown in popularity in this vicinity in the past few months and what is said here to-day I believe is put out upon its merits. *ALEX MCCORD*, Foreman for Uty R. R. Co.
