## THE AMERICAN FARMER

and the CORVALLIS GAZETTE for \$3.00 a year in advance. We have perfected arrangements with the publishers of the American Farmer, of Fort Wayne, Ind., that enable us to offer our subscribers a first-class agricultural magazine at the bare cost of the waste paper on which it is printed. The American Farmer is a 16 page monthly magazine which is rapidly taking rank as one of the leading agricultural publications of the country. Each number will contain useful information for the farmer, his wife, his sons and his daughters. As it costs you almost nothing, suppose you try it one year. Parties desiring valuable reading matter on farm, stock and agricultural subjects will find this the most profitable and cheapest way to get it.

### GENERAL NEWS.

#### Elections in Michigan and Ohio.

**DETROIT, April 6.**—The election to-day in this state passed off quietly. Besides city and township officers, the electors voted for justice of the supreme court and regents of the university. Less than half the full vote was polled in this city, and a very light vote was polled throughout the state. In Detroit Morse, democratic candidate for justice, received a majority of 5298 over Judge Cooley, republican and prohibitionist, with one precinct to hear from, which is strongly democratic. One hundred and eighty-four precincts heard from in the state outside of Detroit, give a democratic majority of 4207. At the election last fall the same precincts gave a republican majority of 2225. At midnight to-night the Free Press, democratic, claims 10,000 majority, and the Post, republican, concedes a democratic victory.

#### Republican Gains in Ohio.

**COLUMBUS, O., April 6.**—The majority of Walcott, republican for mayor, will be about 1000. Blaine carried the city by 572. The remainder of the ticket is elected by majorities of from 700 to 800. Towns within a radius of fifty miles which have been going democratic by small majorities are reported republican.

**CINCINNATI, April 6.**—The city election to-day was remarkably close. At 1 o'clock the indications are that Amor Smith, Jr., republican candidate for mayor is elected by a small majority. The remainder of the ticket is in doubt.

#### A Close Election.

**DAYTON, O., April 6.**—The democratic city ticket was elected by 300 majority.

**TOLEDO, April 6.**—The municipal election to-day was very close, and a mixed ticket is probably elected. Albridge, republican candidate for mayor claims a small majority.

#### General Grant's Condition.

**NEW YORK, April 6.**—Ex-Senator Chaffee left the house of General Grant between 10 and 11 o'clock. He said that the general's voice was clear at times and husky at times, according to the amount of mucus, and that he may live two or three days yet.

12:45 P. M.—General Grant had a quiet morning in his easy chair, napping and chatting by turns. Pulse 78, and of good volume. He has had no pain for several hours.

#### A Quiet Afternoon.

6:30 P. M.—The afternoon has been a very quiet one for General Grant. He has been free from pain and dozed most of the time in a chair. He has taken nourishment regularly and well. Pulse 72, with slight fluctuation.

#### An Unfavorable Change.

**NEW YORK, April 7, 3:45 A. M.**—An unfavorable change has taken place in the condition of General Grant. Drs. Shradley and Douglas have just been sent for. General Badeau, ex-Senator Chaffee and Dr. Newman were also sent for at the same time. The indications are bad.

#### General Grant Choking.

A carriage was sent after Dr. Sands in hot haste. This is the first time Dr. Sands has been sent for, and the supposition is that General Grant is choking, and that Dr. Sands has been called to perform tracheotomy.

5 A. M.—Dr. Sands has just arrived at General Grant's house with a case of instruments. Senator Chaffee, U. S. Grant, Jr., and General Badeau, sent for in great haste, have also arrived.

#### A Slight Hemorrhage.

6 A. M.—General Grant slept well till 4 A. M., when he awoke and took nourishment. Immediately after, in a paroxysm of coughing, he had a slight hemorrhage, which ceased spontaneously in a few moments. Drs. Sands and Shradley were sent for, and found the general as quiet as usual, having had no renewal of the hemorrhage.

### The Rome Postmaster Protests.

**SYRACUSE, N. Y., April 7.**—The Standard to-morrow will publish a letter addressed by Postmaster Palmer of Rome, to President Cleveland in which Palmer claims his removal was based upon a report, the charges in which he never had an opportunity to deny; that a chance for defending himself had been promised, and the senate having before it the papers submitted to the President, did not conclude that the interest of the government or the vindication of the law required a removal. The letter thus concludes: "I would further respectfully represent that your excellency, having nominated to the senate an appointee for postmaster in my place, and that the appointment not having been withdrawn before the adjournment of the senate, and is subject to its action, and while so pending no power rests with the President to suspend me, and I therefore respectfully protest against the assumption of the same."

### Opposed to Prize Fights and Roller Rinks.

**PHILADELPHIA, April 6.**—The mayor has prohibited sparring in theaters, and directed the police to watch roller skating rinks closely. The mayor, in his order relating to rinks, says: Every parent in the community should aid the police department in the endeavor to rectify an abuse which threatens their own happiness and the welfare of the children.

### Republican Ticket Elected.

**CINCINNATI, April 7.**—Returns from all but five precincts show that Amos P. Smith Jr. (republican), is elected mayor by a majority of nearly 4000. The remainder of the republican ticket is elected with slightly smaller majorities.

**CINCINNATI, April 7.**—Complete returns of yesterday's election give Smith (republican) a majority of 3893 for mayor. J. W. Fitzgerald, elected police judge by 1285 majority, and Vincent Schwab, elected magistrate by 1284 majority, were the only successful democratic candidates.

### Exciting Scenes.

**EAST ST. LOUIS, Ill., April 7.**—The election was attended by exciting scenes. Maurice Joyce, democratic candidate for mayor, before the polls opened this morning, was surrounded by opponents, who placed a revolver to his head and forced him to retire. Several fights occurred.

## FOREIGN.

### French Talk of Monarchy.

**PARIS, April 5.**—Comte de Paris has arrived at Naples, to meet Duc de Chartres, with whom he will have a conference in regard to the prospect of re-establishment of a monarchy in France.

The Gaulois predicts that the French elections will show that the country has no confidence in the republic, and desires to return to a monarchy.

### Meeting of Anarchists.

**PARIS, April 5.**—There were many meetings of anarchists in this city and Lyons to-day. All the speakers demanded the impeachment of the ministry and the conclusion of a treaty of peace with China.

### China's Terms of Peace.

**LONDON, April 5.**—The Chinese legation here has forwarded to the Chinese agent at Paris renewed peace proposals, the basis of which are that the blockade of Petchili and Formosa shall be raised; that Tonquin shall be ceded to China, and that no indemnity shall be exacted by France.

### England and Russia.

**NEW YORK, April 5.**—The Tribune's London cable special is as follows: The Anglo-Russian controversy has advanced two important stages this week. The Russian reply to Granville's last dispatch was delivered yesterday and considered by the cabinet to-day. There is reason to believe that such assent as it does contain is qualified by a suggestion for carrying the line of debatable territory still further south. The English are in no mood to stand much more nonsense. The ministry has not relaxed for one hour those varied preparations for war which astonished Russia and convinced her that England is far more ready than she herself. Sir Peter Lumsden, British representative on the Afghan frontier commission, is reported to be indignant over the repeated concessions made by England to Russia. He has been chafing ever since last September on account of Russia's neglect to send her commissioner to join him in delimiting the frontier, and he tendered his resignation as commissioner last January. He was then induced to withdraw his resignation, but it is reported that he renewed it and insists upon its acceptance.

### Russia's Request Denied.

**LONDON, April 7.**—Lord Granville has forwarded a dispatch to the British ambassador at St. Petersburg, refusing to accede to the request of the Russian foreign minister to extend the line of the debatable zone on the Russo-Afghan frontier to the Pampanius mountains. Earl Granville insists that the lesser line be the farthest limit, and urges an early meeting of the joint boundary commission.

There was a slight renewal of the war feeling on the stock exchange to-day, owing to reports from St. Petersburg that the chief of the staff of the Russian army had obtained the czar's assent to the acceleration of preparations for war.

### A Russian Demand.

**LONDON, April 5.**—The Novoe Vremya of St. Petersburg, openly demands that Russia withdraw from the Paris declaration regarding the fitting out of privateers.

### Deserters.

**SUALEM, April 5.**—Arab deserters who have come to General McNeill's zebra, report that Osman Digna has only 1400 followers at Ekrotat together with members of the household. They assert that if General Graham will offer a sufficient reward sheikhs are ready to deliver Osman Digna a prisoner.

### War Preparations by England.

**CALCUTTA, April 6.**—Orders have been received by the Indian government from London to actively continue preparations for war, notwithstanding the Pacific assurance of Russia. This action has created a good impression in India. The enthusiasm among the British and native troops is very great.

**LONDON, April 6.**—The government will lease fast ocean steamers. They will receive ten guns each, and each will have transportation facilities for 1500 men. Two thousand men will immediately be drafted for regiments serving in India.

### A Review Spotted by Rain.

**LONDON, April 6.**—The programme of the Easter volunteer review at Brighton to-day had to be considerably curtailed, owing to a heavy rain which set in early this morning.

### Bound for India.

**BRINDISI, April 6.**—Sixty-five British officers embarked here for India to-day, having received orders to rejoin their regiments in that country.

### Unsatisfactory Answer.

**LONDON, April 6.**—The press generally declares the Russian answer regarding the Afghan frontier dispute exclusive and unsatisfactory.

### French Cabinet.

**PARIS, April 6.**—Le Siècle, the organ of Brisson, says a cabinet has been formed including M. de Freycinet and General Campan. The new cabinet meets to-day at the Elysee to draft a programme to submit to parliament to-morrow. Brisson and de Freycinet had a conference with Ferry yesterday in reference to the Tonquin difficulty.

### The Cabinet Completed.

**PARIS, April 6.**—M. Brisson has completed the cabinet, and the ministry is composed as follows: Brisson, premier and minister of justice; Goblet, minister of public instruction; De Freycinet, minister for foreign affairs; Allan Targy, minister of the interior; Clamageran, minister of war; Sadi Carnot, minister of public works; Pierre Legrand, minister of agriculture; Herne Mangou, minister of commerce; Sarien, minister of posts and telegraphs, and Admiral Galiber probably minister of marine and colonies.

### England War Preparations.

**LONDON, April 7.**—The government is continuing its preparations for arming fast ocean steamers. Work on the Anchor line steamer America, and the Cunard steamer Oregon will be begun to-morrow. These steamers will receive an armament of ten guns each, and each will have transportation facilities for 1500 men. Every movement of Russian vessels in all parts of the world is watched and if war were declared to-morrow a vast tonnage of Russian cargoes would be liable to capture.

### Hostilities Cease the Tenth.

**PARIS, April 7.**—The preliminaries of peace between France and China stipulate that hostilities shall cease on the 10th inst., and that the Chinese shall evacuate the Red river delta on the 20th, and other positions gradually, while the French shall occupy Formosa and Pien-Hoo, enforce the blockade of rice boats and search neutrals until a definitive treaty of peace has been signed.

### French Ministry's Policy.

**PARIS, April 7.**—Prime Minister Brisson has announced the programme of the cabinet. It contemplates a revision of the constitution of 1831, abolition of the senate, liberty of the press, secularization of religious property, separation of church and state, reform of the judiciary, compulsory education, taxation for revenue, and reduction of taxes upon the articles of food and drink.

### The New Premier Speaks.

**PARIS, April 7.**—In the chamber of deputies this afternoon, M. Brisson, the new premier, said France would insist upon China recognizing the French protectorate over Tonquin and Anam, according to the provisions of the treaty of Tien Tsia, peacefully, if possible, otherwise the war would be renewed with increased vigor. In conclusion he demanded a vote of a credit for 150,000,000 francs to enable the government to carry out its policy in relation to China.

The chamber of deputies voted the 150,000,000 francs asked for.

M. Brisson concluded his statement by asking the chambers to vote the government the remainder, amounting to \$30,000,000, of the credit asked for on account of operations in Tonquin. The speech of Brisson was much applauded by the deputies.

The chamber then granted the additional credit of \$30,000,000 by a vote of 373 to 92.

### Russia War Preparations.

**ST. PETERSBURG, April 7.**—The Russian government is making active preparations to put the great naval and military station of Cornstadt in a state of complete defense. The harbor has already been protected by the sinking of hundreds of torpedoes in the ship channel.

### Peace with France and China.

**PARIS, April 7.**—M. Patenotre, French ambassador to China, telegraphs that Tsung Li Yamen has ratified the preliminaries of peace signed on the 3d inst.

### Rebellion in Canada.

**WINNIPEG, April 6.**—Troops started from Quappell at day break for Prince Albert. They will probably be joined at Touchwood hills by A battery, B battery remaining at Quappell station. The Queen's Own rifles join the main body on the march northward. A cordon of police has been established along the international boundary, and with the assistance of American troops in the department of Dakota, the rebels' escape into Montana will be prevented.

### Will make Concessions.

**OTTAWA, Ont., April 7.**—It is reported as a means of pacifying the half-breeds in the northwest the government will remove Mr. Dewdney and appoint Mr. Royal, M. P., to the lieutenant-governorship of Northwest territory. Some government supporters urge that a reward be offered for the capture of Reil, dead or alive, but the cabinet is said to be divided in opinion to the policy of such a course.

### Will Organize a Scouting Force.

**BRANTFORD, Ont., April 7.**—Superintendent Gilkison, offering to organize several hundred of Six Nation Indians as a scouting force, has been informed that their services will be accepted if required.

## PACIFIC COAST.

### Mormonism in Trouble.

**SALT LAKE, April 7.**—The action of the Mormon conference, just adjourned at Logan, caused deep disgust among Mormons and ridicule among Gentiles. The first presidency's failure to show up makes their people think they have more care for their personal safety than the good of the church. A reporter of the Tribune was excluded Sunday afternoon, and was not allowed to enter afterwards. The long address issued from their hiding place by John Taylor and Geo. Q. Cannon is considered frothy and silly. That part complaining that they had no official notice of any process of court issued against them is received with broad guffaws. The Mormons are worse torn up now than ever before in Utah.

### Rainfall.

**SAN FRANCISCO, April 7.**—A general rain has prevailed throughout the state during the past twenty-four hours. This places crops beyond any prospect of failure. In this city heavy showers occurred throughout the day at intervals.

Early dropped four cents this afternoon under the influence of to-day's rain. The decline is due, in a measure, to the fact that a syndicate in this city, who at the present moment control the barley market, is showing signs of weakness. Should rain continue during the night, the probabilities are there will be another heavy decline to-morrow.

## WASHINGTON NEWS.

### Panama Matters.

**WASHINGTON, April 7.**—Commander Kane of the Galena telegraphed Secretary Whitney from Colon under date of April 6 as follows: There is nothing new to report. The Panama railroad company is getting the road in order. Government troops are anxious about their prisoners. The railroad company and the Galena are feeding troops. All are in need. There is great anxiety among foreigners at Panama.

### Frelinghuysen Alive.

**WASHINGTON, April 7.**—A telegram was received here to-day from the home of ex-Secretary Frelinghuysen, saying his condition was the same as yesterday. The dispatch further said he might linger in his present condition for some days. Mrs. Frelinghuysen is reported as improving.
