union, but agrees to advance the price of grazing cattle now upon Okl homa lands. type-setting to forty-six cents per thousand of their splendid loyalty, he should do more posts near In lian reservations, and in proxthan the union had skel or had agreed so imity to the great strategic points of the price piece composition above the union scale, to forty-seven cents per 1000.

The statement that a loan had been Brothers, olthough deale I by the Canalian Pacific officials, is believed to be well foundet. Buring Brothers are financia agents of the Grand Trunk company, and the securities of the two roals seem to be getting into the same hands. Many rumors are affoat their amalgamation is freely talked of. One rumor has it that Jeseph Hickson will soon leave Canula and take the presidency of the Grant Trank company in England, and on the amilgination of the two companies will become president of the entire system. It is further said that there will be an executive hoard of the combined companies in imperial guarantee.

cohabitation be extended to at least two tionist. years for the first and three years for the As intinated several days ago, reports are ers, pappers and criminals be so amended as crived telling of the splendid crops, and the Tacoma.
