THE GRAVE GETS TIRED YAWNING.
Seemingly, for certain wretched invalids who toddle feebly along, though always looking as if they were going to die, but omitting to do it. They dry up, wither, dwindle away finally, but in the meantime never having robust health, know nothing of the physical enjoyment, the zest of that existence to which they cling with such remarkable tenacity. They are always to be found trying to mend by tinkering at themselves with some trashy remedy, tonic, or "pick me up" to give a fillip to digestion, or "help the liver." If such misguided folks would resort to Hostetter's Stomach Bitters it would be well with them. This superb invigorant supplies the stomach with the food required, by permanently reinforcing digestion and assimilation. It overcomes nervousness, insomnia, malaria, kidney complaints, biliousness, constipation, rheumatism and neuralgia.

Evangelical Church.—The third quarterly meeting will be held over Sabbath. Rev. C. C. Poling, P. E., of the district will be present and officiate at the following services: Quarterly conference on Saturday at 2:30 p. m., at the Beulah church; preaching at Evergreen Saturday evening; at Beulah Sunday at 10:30 a. m., and here in Corvallis in the evening at 7 o'clock.

T. C. Case, on Sunday, was called to the bedside of his mother, who has been dangerously ill at her home six miles south of Lebanon in Linn county. He took a carriage for there about 7 o'clock Sunday night. Upon his return on Tuesday he reported her some better. She is also the mother of Mrs. John C. Booth, of Salem.

At and near the summit on the coast range west of here snow is reported about three feet deep. There is but little this side of Harris and on the other side it does not extend much below Nashville.

An attachment has been levied on the building belonging to M. W. Wilkins, where the Corvallis market is located, by Hartless & Davison for \$250 and costs, etc.

Several fights occurred in this city on Wednesday night last, principally in Zise's saloon. No arrests were made—on account of the police being asleep, it is supposed.

The Benton county horticultural society will hold their regular monthly meeting tomorrow, Jan. 25th at 1:30 p. m., in their room in the court house.

Hurd & Porter had their new engine running yesterday in the new electric light building. It works like a "daisy."

The first nationalist club in the state was organized in Corvallis last night.

Attend the theatre next Tuesday night. Lynwood is the play.

Services at the Presbyterian church next Sabbath morning and evening at the usual hours.

The total number of houses now supplied by the London water companies is 754,541.

At St. Louis the Mississippi is 3500 feet wide; at New Orleans it is 2500 feet wide.

The regular meeting of the coffee club will be held next Monday.
