Children Cry for Pitcher's Castoria.

WORST FORM ECZEMA.

Defied the Best Medical Skill for Eight Months. Cured in Two Months by Cuticura. — Medica.

This is to certify that a child of nine had Eczema in its worst form, which baffled the best medical skill that could be employed here. The little sufferer was wrapped in agony for at least six months. Six months of that time its suffering was simply unendurable. The Cuticura Remedies, in two months the awful disease had ceased its vengeance, and my darling boy had rest, and to all appearance the disease had yielded, but I continued the medicine for several months after no trace could be seen of it on any part of his body. The doctors here watched the disease until it was almost gone, and could only say "Well done." The case was known far and wide, and everybody was much surprised. But thanks to Cuticura Remedies. Could there be anything on earth that would cause a father to rejoice so surely when the little innocent one could have such a remedy at hand. (See portrait herewith.)

J. A. NICOLAS, Bush Hill, Ind.

A child was brought to me with chronic eczema that had defied splendid treatment from many good doctors. As a regular M. D., should have continued similar treatment, but thought I would try it or CUTICURA. The child is well.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

We want every mother to know that croup can be prevented. True croup never appears without a warning. The first symptom is hoarseness; then the child appears to have taken a cold or a cold may have accompanied the hoarseness from the start. After that a peculiar rough cough is developed, which is followed by the croup. The time to act is when the child first becomes hoarse; a few doses of Chamberlain's Cough Remedy will prevent the attack. Even after a rough cough has appeared the disease may be prevented by using this remedy as directed. It has never been known to fail. 50 cent and \$1 bottles for sale by T. Graham, druggist.

Something for the New Year.

The world renowned success of Hostetter's Stomach Bitters, and their continued popularity for over a third of a century as a stomachic, is scarcely more wonderful than the welcome that greets the annual appearance of Hostetter's Almanac. This valuable medical treatise is published by the Hostetter Company, Pittsburgh, Pa., under their own immediate supervision, employing 60 hands in that department. They are running about 11 months in the year on this work, and the issue of same for 1892 will be more than ten millions, printed in the English, German, French, Welsh, Norwegian, Swedish, Holland, Bohemian and Spanish languages. Refer to a copy of it for valuable and interesting reading concerning health, and numerous testimonials as to the efficacy of Hostetter's Stomach Bitters, amusement, varied information, astronomical calculations and chronological items, etc., which can be depended on for correctness. Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hard, of Grotton, S. D., we quote: "Was taken with a bad cold which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave up saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now as well and hearty woman." Trial bottle free at T. Graham's drug store, regular size, 50¢ and \$1.

NO STRIKE HERE.—Yesterday's Oregonian is responsible for the following statement: "The telegraphic strike on the Pacific division of the Southern Pacific does not affect the lines in Oregon. None of the company's operators in the state have gone out, and Train Dispatcher Taylor says that there is no sign of a strike. A number of the operators are members of the Order of Railway Telegraphers, but they appear satisfied with the existing state of affairs. The Pacific division comprises all the company's lines west of El Paso, Texas, and Mr. Taylor says it is his opinion that the telegraphers have struck only at local points along the line." Manager Koehler yesterday, however, anticipating a telegraphic strike, sent instructions to operators all along the line. The strike, if it extends to this division, will affect all the employees.

A GOOD COMPANY.—The Original Uncle Tom's Cabin Company is billed to make its appearance at the opera house in this city Tuesday evening, December 22nd. The press of the country join in glowing words of commendation of this company and we have no doubt it will carry out the programme to the letter. It supports a band employing a full outfit of gold Beson instruments, a grand operatic orchestra, a male quartette, and many other interesting features. Seats will be on sale at Graham's for seventy-five cents each.

The last legislature made an appropriation of \$6000 for the printing of 50,000 copies of the "Resources of Oregon," to be distributed at the world's fair and elsewhere. And the state board of agriculture, which is to furnish the copy for the book, has appropriated from its funds the sum of \$1000 for the compilation of statistics and data and the preparation for the copy for the pamphlet, which is not to contain over 200 pages.

For the present the steamboat Three Sisters will remain tied up at the O. P. wharf in this city. The O. P. Company will keep two boats on the river between Portland and Albany making regular trips. A large amount of freight awaiting shipment is in store at Portland and elsewhere, and river traffic will be rather light until this is transported to make room for more. The steamer Bentley will make regular trips to Corvallis in the meantime.

A future letter to be received by a Chicago woman: "My Dear Cousin—Please do not think that because years have elapsed since you have heard from me that I have forgotten you, for I assure you I have not. The children often speak of you, and although they have never seen you, still you are very dear to them. We are coming to the world's fair, my dear cousin, and will stay with you the whole time."

Several days ago two boys, residing opposite Corvallis, having a grudge or something else, against another boy, S. B. White, whipped him in a manner to leave the signs of the combat. White swore out a warrant for the arrest of the two boys, and Wednesday afternoon they were tried before Justice Cosnow and a jury of six peers. Like all such cases this one has two sides.

"Of course it hurts, but you must grin and bear it," is the old time consolation given to persons troubled with rheumatism. "If you will take the trouble to dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain your rheumatism will disappear," is the modern and much more satisfactory advice. 50 cent bottles for sale by T. Graham, druggist.

There is no danger from whooping cough when Chamberlain's Cough Remedy is freely given. It keeps the cough loose and makes expectoration easy. 25 and 50 cent bottles for sale by T. Graham, druggist.
