

HOW TO VOTE.

The GAZETTE publishes this week a copy of the sample ballot for the benefit of its readers. These sample ballots are printed on pink tinted paper and will be obtained from judges of election at the polls.

out one at a time, and the voter is not allowed under the law to take it out of the railing. If one is spoiled it goes back to the judges and another is given out.

The name of William Glass, No. 55 on the ballot, and candidate for treasurer, will be declared vacant by cards of instruction issued pursuant to law. Cards will be posted in each booth for the guidance of voters.

McDonald, candidate for sheriff on the prohibition ticket, will also be supplied on the cards of instruction.

All names not voted must be cancelled, crossed or marked out, and those names remaining on the ballots are the names which will be counted by the judges and clerks.

a man who is dishonest enough to be bought would also be low enough to vote his own sentiments and keep his bribe. Fortunately the inhabitants of the state of Oregon are too honest to be influenced to any considerable extent in this direction.

Don't scratch these numbers, 12, 17, 18, 20, 26, 31, 32, 36, 38, 42, 44, 46, 52, 56, 58 and 61, keep them in your mind and when you make out your ticket, see that the name opposite these numbers remain on your ballot without a scratch.

FOR ATTORNEY-GENERAL.

A Reply on Behalf of Judge Webster to Editor Kaiser.

Portland, May 30.—(TO THE EDITOR.)—It seems strange that the petty spite and malice of one man, a man who is not respected and has little influence at home, can spread so widely throughout the state and mean charges against the state and abilities of a candidate for public office.

Judge Webster is so well known in his own judicial district that he needs no vindication from the press. He is a public official, not a politician, and his reputation is not dependent on the approval of the public. He is a man who is not known to any of the people here, and his name is not known to any of the people here.

Free Times is not what it seems, but is a partisan paper, all in all, save for the dollars. The people of Benton county want a man for superintendent who is industrious, diligent in his duties, broad and liberal enough in his education to understand the needs of the public schools, a man who can give his entire time and attention to them.

Scratch off the names you don't want to vote for. W. S. LINVILLE. The race for recorder of conveyances promises to be a close one with chances in favor of Mr. W. S. Linville the republican candidate.

The recorder's office will be a good living for one man. It will have just about enough work, as we are informed, to keep one man employed. The recorder will therefore do his own work. If so, Mr. Linville is the man who is engaged in other business, he has a family and aged parents to sustain and, like the majority of bread winners, he has to do that which he can find to do.

There will be a meeting of the farmers' and laborers' union in Nick Beason's store building Saturday evening at 8 o'clock for the purpose of soliciting subscriptions to a joint stock company with the intention of establishing a store to carry a complete stock of general merchandise.
