DECIDEDLY SHAKY.

A trembling hand, an uncertain step, faintness, indicated by restless shifting from one place or posture to another, usually mental annoyance at unexpected noises, are among the indications of extreme nervousness. These seem trifling, but the health of men and women in this condition is "decidedly shaky," liable to be overthrown disastrously by causes which the vigorous might defy. To fortify the nervous system, general vigor must, through the medium of reinforced digestion and a renewal of an impaired power of sleeping at night, be raised to a healthful standard. A guarantee of this is HOSSETT'S STOMACH BITTERS, which re-establishes digestion, bile secretion, and the habit of body on a permanently regular basis, thus renewing the bodily equilibrium, which is followed by a gain of strength and nerve tranquility. For kidney complaint, rheumatism, neuralgia, and as a preventive of the first attack or subsequent return of malarial disorders, this medicine is without a peer. Thrice daily take a wineglassful.

DOWN GO THE RATES!

The Union Pacific now leads with reduced rates to eastern points, and their through car arrangements, magnificently equipped Pullman and Tourist sleepers, free reclining chair car and fast time, make it the best line to travel. Two trains leave from Portland daily at 8:45 a. m. and 7:30 p. m. The rates are now within the reach of all, and everybody should take advantage of them to visit the world's fair and their friends in the East. Send for rates and schedules of trains, and do not purchase tickets until after consulting Geo. F. Egin, agent, Corvallis, Oregon, or W. H. Hurlbert, ass't gen'l passenger agent, U. P. Portland, Oregon.

BASKET MEETING AT BUENA VISTA.

An all-day open-air meeting will be held in the fine grove adjoining Buena Vista next Sunday, beginning with a consecration service at 7 a. m., followed by love-feast at 10 and preaching at 11 a. m. by Rev. John Parsons, presiding elder of the M. E. church. There will also be afternoon services, interspersed by the sacrament and the ordinance of baptism. Everybody will bring luncheon and partake of the same on the grounds. Rev. Wallace Struble, the pastor, is now holding a revival meeting in Buena Vista, assisted by Wallace Sickafosse of Corvallis. There is great interest. The meeting next Sunday will be a kind of field day in that section.

CHANGED HANDS.

The sale of the Corvallis opera house by J. H. Wilson to W. C. Crawford was completed this morning. J. D. Howell, of this city, assumes the management. This house already enjoys a well established business, and there is no doubt that under Mr. Howell's management, it will continue in the future, as it has been in the past, very popular with the people of Corvallis and the theatrical profession. The management has engagements with a number of the best attractions, among which are John Cort's "A Sure Thing" company, with Geo. P. Murphy in the leading role, and "Our Gobblins" company, the elaborate spectacular extravaganza, in which Nat C. Goodwin and Francis Wilson made such a great success, and other first class companies.
