READ.—SPEAR HEAD possesses more qualities of intrinsic value than any other plug tobacco produced. It is the sweetest, the toughest, the richest. SPEAR HEAD is absolutely, positively and distinctively different in flavor from any other plug tobacco. A trial will convince the most skeptical of this fact. It is the largest seller of any similar shape and style on earth, which proves that it has caught the popular tasts and pleases the people. Try it, and participate in the contest for prizes. See that a TIN TAG is on every 10 cent piece of SPEAR HEAD you buy. Send in the tags, no matter how small the quantity.
