The Human Electrical Forces!

of the Body.

The electrical force of the human body, as the nerve fluid may be termed, is an especially attractive department of science, as it

the entire nerve sys-m, as it supplies the eart, lungs, stomach, owels, etc., with the bowels, etc., with the nerve force necessary to keep them active and healthy. As will be seen by the cut the long nerve descending from the base of the brain and terminating in the bow-els is the pneumogastric, while the numerous lit-tle branches supply the while the branches supply the heart, lungs and stom-ach with necessary vi-tality. When the brain becomes in any way dis-ordered by irritability or exhaustion, the nerve exnaustion, the nervice which it supplies essened, and the one is receiving

the importan The noted specialist, Franklin LL. B., has given the greater pa to the study of this subject, and to the study of this subject, and the principal discoveries concerning it are due to his efforts. Dr. Miles' Restorative Nervine, the unri-valed brain and nerve food, is prepared on the principle that all nervous and many other difficulties originate from disorders of the nerve centers. Its wonderful success in curing these disorders is testified to by thousands in every part of the land. Restorative Nervine cures sleeplessness, rervous prostration, diziness, hysteria, sex-ual debility, St. Vitus dance, epilepsy, etc. It is sold on a positive guarantee by all drug-gists, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, fi per bottle, six bottles for §5, express prepaid.

REPUBLICANS should keep their eye open for the "campaign liar," one of those fellows who bob up found dead and he lying by her many illustrious statesmen, was serenely just before election with a great tale of woe regarding this weak from the effects of morphine Daly, the choice of Benton and passed in Corvallis, and have endeaor that candidate.
