Tired and Run Down.

O. W. R. Mfg. Co., 315 Front street,
Portland, Oregon. Dear Sirs: I was
completely worn out from overwork;
could not sleep at night, and felt that I
was approaching a serious condition,
but thanks to Dr. Grant's Sarsaparilla
and Grape Root, I am almost an entire
new person, as I never felt so well in my
life; and it was the cheapest doctor's
bill I ever had, as I only took five bottles.
I cheerfully recommend it to all
sufferers.

Yours respectfully,
MISS EMMA LEE,
227 Eleventh street, Portland, Oregon.

Dropsy and Heart Disease.

Gentlemen: For two years I was afflicted
with Dropsy and Heart Disease, and my
sufferings were terrible. I commenced
taking Dr. Grant's Sarsaparilla and
Grape Root, and by degrees my pain
seemed to leave me. After taking nine
bottles I was restored to my former
health, and now feel as though I never
had been ill.

Yours truly,
JOHN CURRIN,

SEVENTY-THREE YEARS OLD.

COUNCIL VALLEY, INDIAN,
December 1, 1893.

O. W. R. Mfg. Co., 315 Front street,
cor. Clay, Portland, Oregon. Dear Sirs:
About two months ago your salve-man
while traveling through this valley found
me, an old man seventy-three years of
age, almost dead with bruises caused
from a fall; and I feel that I am in duty
bound to testify that the half bottle of
"Hattie's Congo Oil" given to me by
your agent and two others that I after
words bought, have helped me to such
an extent that I am almost able to walk,
and I must say it is a great remedy. Be-
ing very thankful for the relief it has
given me and hoping for your success,
I remain yours,

Mr. W. A. G. Hatfield took his en-

paratory for the coming harvest.

Charles and James Garden, for-
merly of our little valley, are now
quite happy at Yaquina. The
boys say they like Toledo.

Haymaking has begun in earn-
est. Fears were entertained some
weeks ago that we would have no
"haymaking weather," but as is
usually the case, all is well.

It seems that not all who go to
the seaside go on the trains or in
vehicles. During the last two
weeks tourists have been passing
on foot with their blankets on their
backs, and the neighboring barns
are often the scene of peaceful

Laid to Rest.

A wire from Jacksonville under date of
the 10th inst., says: Mrs. Maggie Pape,
the wife of Henry Pape, died at the re-
sidence of her mother, Mrs. J. C. Whipp,
at noon today. Mrs. Pape was a native
of Jacksonville, a daughter of the late
Judge T. H. B. Shipley and a niece of
Hon. C. C. Beckman. She had resided
at Corvallis since her marriage to Mr.
Pape, five years since. Two weeks ago
Mr. and Mrs. Pape returned to Jack-
sonville to make their home. The day fol-
lowing their arrival Mrs. Pape gave birth
to a son. Since that time she has been
suffering from a fever that resulted
fatally today. She was 23 years of age,
and because of genuine worth and genial
social disposition was beloved by all
who knew her. She will be buried to-
morrow afternoon. During her resi-
dence in Corvallis she became a great
favorite with both old and young. She
was possessed of a kind forbearing dis-
position and a sweet gentle manner,
through the influence of which she
gained the esteem of all with whom she
came in contact. The intelligence of
her death came like a thunderbolt to
her friends in this city and all will
extend the hand of sympathy to the sorrow-
ing husband and other relatives.

C. W. Burleigh, convicted at the last

served one month and seventeen days.

Diabetes Cured!

Wonderful Work.

A New Being Created!

Dear Sirs: If you could see the writer
of this letter and note the wonderful
change that has been effected in his case
by taking Dr. Grant's Kidney and Liver
Cure, you would certainly be astonished.
I was a most wretched sufferer for three
years, trying all kinds of medicine and
getting no relief. The flow of urine was
very excessive. I was very constipated
and also covered with carbuncles, and
felt at war with myself and the world at
large; but, thanks to your wonderful
medicine, I felt as though I was a new
being, and I consider a wonderful cure
has been effected in my case.

With my best wishes for your further
success, I remain
Yours respectfully,

MARTIAL LAW AT CHICAGO.

The President Gives General
Miles Ample Authority—
Other Strike News.

WASHINGTON, July 8.—Just be-
fore midnight President Cleve-
land issued the following procla-
mation:

Whereas, By reason of un-
lawful obstructions, combina-
tions and assemblages of persons
it has become impracticable, in
the judgment of the president, to
enforce, by the ordinary course
of judicial proceedings, the laws
of the United States within the
state of Illinois and the city of
Chicago within said state; and

Whereas, For the purpose of
enforcing the faithful execution
of the laws of the United States
and protecting its property and
removing obstructions to the
United States in the state and
city aforesaid, the president has
employed a part of the military
forces of the United States.

Now, therefore, I, Grover
Cleveland, president of the
United States, do hereby admon-
ish all good citizens and all per-
sons, who may be or may come
within the city and state afore-
said, against aiding, countenanc-
ing, encouraging or taking any
part in such unlawful obstruc-
tions, combinations and assem-
blages; and I do hereby warn all
persons engaging in or in any
way connected with such unlaw-
ful obstructions, combinations
and assemblages to retire peace-
ably to their respective abodes on
or before 12 o'clock noon, on the
9th of July, instant. Those who
disregard this warning and per-
sist in taking part with a riotous
mob in forcibly resisting and ob-
structing the execution of the
laws of the United States, or
with interfering with the func-
tions of the government, or de-
stroying or attempting to destroy
the property belonging to the
United States, or under its pro-
tection, cannot be regarded other-
wise than as public enemies.

Troops employed against such
riotous mob will act with all
moderation and forbearance con-
sistent with the accomplishment
of the desired end, but the neces-
sities that confront them will
not with certainty permit dis-
crimination between guilty
participants and those who are
mingled with them from curiosity
and without criminal intent.
The only safe course, therefore,
for those not actually unlawfully
participating is to abide at their
homes, or at least not to be found
in the neighborhood of riotous
assemblages. While there will
be no hesitation or vacillation in
the decisive treatment of the
guilty, this warning is especially
intended to protect and save the
innocent. In testimony whereof,
I hereunto set my hand and cause
the seal of the United States to
be hereto affixed. Done at the
city of Washington, this 8th day
of July, in the year of our Lord,
1894, and of the independence
of the United States of America
the 118th.

ORIGIN OF THE STRIKE.

PHILADELPHIA, July 8.—A
prominent official of the Knights
of Labor said to-day:
"The strike has not now, and
from its inception never has been,
a battle between organized labor
and capital in behalf of the Pull-
man workers. It is the result,
pure and simple, of a fight for
supremacy among laboring or-
ganizations. In other words, the
strike is a trump card played by
the labor leaders in the game
which they are playing against
the leaders of rival organizations
and against rivals in their own
orders. Six months ago the
Knights of Labor found positive
proof of the fact that the great
body of the order was thoroughly
disgusted, and that the order was
on the verge of falling to pieces.
The decision was soon reached
that the only salvation for them
lay in a general uprising of labor.
They were also urged to this de-
termination by the fact that the
Federation of Labor was waging
war to the death against the
Knights. There was but one,
a young and vigorous order, built
upon the Knights of Labor's idea,
favorable to striking. That or-
der was the American Railway

Union.

The leaders of the
Knights of Labor at once pro-
ceeded to fraternize with the rail-
way union for the defeat of the
federation. At a conference in
January, it was decided to issue
a secret order to the master work-
men of every local assembly of
the knights, asking him to call
upon all members to pay in five
cents weekly to an emergency
fund, to be used in a movement
of national importance. Mean-
time, the leaders waited for the
proposed uprising.

"Plans were laid for the pre-
sent uprising, and the Pullman
strike offered the desired oppor-
tunity. All plans were perfected
and funds made ready before a
move was made. This strike is
the most formidable and deeply
planned of any uprising that has
ever occurred in a civilized coun-
try in half a century. If the out-
come will only serve to convince
honest laboring men that they
are being used as footballs by a
lot of high-salaried officials, and
if that conviction will eventuate
in the construction of organiza-
tions with the scheming leaders
conspicuous by their absence,
the cost will not be so great as
may appear."

TWO INNOCENTS WERE KILLED.

DANVILLE, Ill., July 9.—Mrs.
Glennan and Miss Clara James
were killed and an unknown
man mortally wounded at West-
ville this afternoon by a volley
fired over the head of a crowd of
rioting miners by a company of
militia. The miners had been
rioting here since yesterday after-
noon. Last night a number of
freight cars were destroyed in the
Eastern Illinois yards by incendi-
ary fires. This forenoon a num-
ber of cars were derailed at Grape
creek on the Shelbyville branch.
When the wreckage had been
cleared, the inbound passenger
train proceeded without molesta-
tion until Westville was reached.
When it stopped there it was sur-
rounded by a crowd of miners
and held. Word was telegraphed
to Danville and a special train,
with a company of state troops,
started at once for the scene of
the trouble. About one mile
from Westville a large crowd of
miners had collected, and upon
the approach of the train bearing
the militia, began making war-
like demonstrations. Pistols
were fired at the troops, who
returned the fire, shooting over
the heads of the mob from the
train, intending to scare them.
Miss Clara James, 17 years old,
was standing in the door of her
home. A bullet struck her
just below the right breast and
she died almost immediately.
Mrs. Glennan, a widow who was
standing in her own yard, was
also struck, and died in five min-
utes. An unknown man received
a mortal wound and will die be-
fore morning. The militia left
the train and charged the crowd,
securing three prisoners. After
this the crowd dispersed and no
further resistance was offered the
troops, and they returned to the
train. The trip to Danville was
made without further incident.

CONGRESS ASKED TO ACT.

WASHINGTON, July 9.—Sen-
ator Sherman today presented to
the senate the petition of J. B.
Corey, of Pittsburg, requesting
the passage of a law to punish
the leaders of labor organizations
for obstructing the civil process
of state and national authority,
and also unlawful combinations
of capitalists. The petition asks
that a law be passed making all
unlawful labor unions, unknown
to our civil laws, treasonable
conspiracies against the govern-
ment, and membership thereof as
prima facie evidence of intent to
commit treason, making the
members of any trades union
liable for all treasonable acts
committed against state or na-
tional authority by members of
these unions, who shall be en-
gaged in conducting a strike for
wages or other grievances. Upon
conviction of any acts, in pur-
suance of any orders of any offi-
cer of a labor union by a mem-
ber thereof, such as murder, ar-
son, obstructing the civil pro-
cesses of state and national au-
thority, the president or officers
of the labor organization shall be
deemed guilty of conspiring to
incite treason, and shall be
disfranchised from citizenship in

the United States and from own-

ing property. These penalties
are to equally apply against all
unlawful combinations of capital-
ists who form against the people
of the civil governments of state
and nation.

DEBS UNDER ARREST.

CHICAGO, July 10.—The fed-
eral grand jury, after receiving
the charge of Judge Crosscup this
afternoon, returned indictments
against Eugene V. Debs, presi-
dent of the American Railway
Union; George W. Howard, its
vice president; Sylvester Keliher,
secretary, and L. W. Rogers, one
of its directors, and shortly there-
after the men were arrested.
They were charged with con-
spiracy to commit an unlawful
act in attempting to block the
progress of the United States
mails. Joined in the indictment
with the four leaders of the rail-
way union was James Murwin,
the Rock Island striker who
threw the switch which derailed
a mail train at Blue Island on
the night of June 30. Debs,
Howard, Keliher and Rogers
were taken to the office of Dis-
trict Attorney Milchrist immedi-
ately after their arrest, and
after a few hours' detention were
released on bail by Judge Cross-
cup, their bonds being \$10,000
each.

While waiting for bail to be
arranged, in an interview Debs
said: "We have been placed
under arrest to answer to an in-
dictment found against us by the
federal grand jury, on which we
are accused of conspiracy to com-
mit, and of committing offenses
against the United States by ob-
structing and intercepting the
mails of the country. Since I
have been brought here, I have
been informed officers of the
court have gone to our head-
quarters and taken my personal
correspondence and some of the
records of the American Railway
Union. I do not know by what
right this act has been com-
mitted. It seems to me to be an
infamous outrage. Not only
did they take my personal effects
and papers, but carried with them
my unopened mail. It is an
outrage, and you call this a free
country. It seems to me not
compatible with the stars and
stripes. It is no longer a ques-
tion of right in this country, but
a question of force, and resolute
force at that."

U. S. TROOPS AT SACRAMENTO.

SAN FRANCISCO, July 10.—
There are many conservative
men of affairs here who say and
believe that tomorrow will de-
velop a desperate conflict between
the federal soldiers and the strik-
ing A. R. U. men and their
allies. Sacramento is the threat-
ening point. The seriousness of
the situation is shown in the
warlike precaution that the army
authorities have taken. Up to
11 o'clock this morning the fed-
eral authorities had made every
move in secret. At about that
hour the big ferry steamer Ala-
meda steamed to Presidio wharf.
Two troops of cavalry and five
batteries of light artillery were
rushed on board. Gatling guns
and two Hotchkiss canons were
in evidence and Col. Graham,
commandant at Presidio, was
personally in command of the
expedition. The Alameda with
her formidable looking cargo
started to Mare island. There
300 marines were taken on board
and all transferred to two river
steamers and started to Sacra-
mento. One troop of cavalry
was landed on each bank of the
river and will march to Sacra-
mento as an advance guard.

This afternoon the crews from
the Charleston, Monterey, The-
tis, Marion and Independence
were landed at Mare island for
riot drill. They comprise about
500 men and will leave for Oak-
land tonight.
At all points in the state save
Sacramento and possibly Oak-
land, the events of today have
turned in favor of the railroad
company. At Oakland trains
were moved. In this city and
San Jose passenger traffic was re-
sumed today over the coast di-
vision.
STRIKE PRACTICALLY ENDED.
CHICAGO, July 11.—The great
railroad strike is practically at
an end in Chicago. Trains on

all roads are moving; passenger

trains are almost without excep-
tion on time and freight traffic is
rapidly becoming regular. "The
backbone of the strike is not only
broken," said Manager Egan of
the general managers' associa-
tion, "but the backbone has en-
tirely disappeared. The block-
ade has been raised and it will
require but a short time to get
business back into its usual rou-
tine."

SACRAMENTO THE CENTRAL POINT.

All eyes are now turned on
Sacramento where several thou-
sand strikers have had full sway
until last Wednesday when sev-
eral hundred U. S. troops under
command of Col. Graham as-
sisted by 850 national guards-
men under command of Gen.
Shuhan, surprised the mob and
indications are favorable for a re-
sumption of traffic at once. A
passenger train was wrecked
about three miles from the city
Wednesday afternoon. The ac-
cident was caused by unspiking
the rails which were covered
with sand to avoid detection.
The engineer and three privates
were killed and five more are
seriously injured. The feeling
of the soldiers toward the strik-
ers is very bitter and an order to
fire would be hailed with delight
by the troops now maddened by
the murder of their comrades.
The Southern Pacific company
have offered a reward of \$500
for the arrest and conviction of
one or more of the guilty parties.

The Latest.

CHICAGO, July 13.—President
Debs declared the strike off A.
R. U. at 9:30 a. m. today.

Newsy News.

Rev. W. C. Kantner, pastor of the
Congregational church has just been
informed that Richmond college has con-
ferred upon him the degree Doctor of
Divinity.

Services in the Congregational church
on Sunday. Morning sermon, "The
Abiding Covenant;" evening sermon,
"Our Stars in the East." Sunday school
at 10 a. m.; Junior Endeavor 4 p. m.; Y.
P. S. C. E. at 7 p. m. Everybody wel-
come.

The excellent services rendered by
Mrs. F. A. Helm during the past twelve
months as grand secretary of the order
of Eastern Star, were so thoroughly ap-
preciated that the grand chapter, in
session this week in Portland, honored
her with re-election.

A. F. Hershner's horse ran away yester-
day morning. The shafts to the
vehicle and the harness were considera-
bly the worse for the wear. Aside from
this no damage was done. While the
horse failed to immortalize himself as a
news maker, he has our thanks for a
fair 8-liner.

Yesterday morning a story was current
on the street that Miss Ella McLyman
had taken poison with suicidal intent.
On investigation, however, it proved a
canard. She had been under a physi-
cian's care and was taking two kinds of
medicine, and in some unaccountable
manner got her drinks mixed, and took
an overdose of one of the preparations
which made her quite sick for a time.
We are pleased to state that she is now
rapidly improving and that no serious
results are anticipated.

D. Y. Irvine, while out for a bicycle
ride Wednesday evening collided with a
dog near the residence of E. Woodward
from the effects of which he received
serious internal injuries and is still laid
up in bed. Dr. Pernot, who is attending
him, says he is now resting easier and
will be about in a few days. The wheel
fared considerably worse and is now in
the receiving hospital at the rear of the
GAZETTE office. The injuries sustained
to its "Imperial" majesty were both ex-
ternal and internal and Dr. Conover has
despaired of its recovery.

The party consisting of Mr. and Mrs.
Ted Pernot, Franc Parsons, Lettie Wicks,
Mabel Johnson and Messrs. L. V. Eber-
hart, Marion Johnson, J. A. DeCue and
Milton Wyatt, who have been rusticat-
ing on Mary's Peak during the past ten
days, returned Wednesday morning.
Fishing, hunting and coasting upon the
snow, several large banks of which re-
main unmelted, were among the pleas-
ures enjoyed. Mr. Eberhart is said to
have exhausted his supply of ammuni-
tion in shooting at a pack saddle in the
brush, to which was attached a rope
that was vigorously pulled by one of the
party located some distance away and
caused the hapless hunter to mistake the
saddle for a full grown cougar.
