Tha petition circulated to have Dolph re- | speedily useful in cases of dyspepsia, billiousness, constipation, sick headache, nervousthe number of names it contained to the list ness, rheumatism and neuralgia. Against the hurtful effects of sudden changes of temperature, exposure in wet weather, close ap-plication to laborous mental pursuits, and other influences predjudicial to health, it is a most trustworthy safeguard. It fortifies the system against disease, promotes appetite

study. The state, acting under the theory wanderings in foreign lands; somewhat that education of its citizens strengthens older than they were; somewhat battered, the government, has provided various it may be; but strong, sturdy representainstitutions where young men and women tives of the race we are proud to claim can obtain an education at small financial as our own; heroes; yeomen; countrycost. Probably the free tuition should men all !"-Post-Intelligencer. be abolished entirely, or be open to all;

but the tuition at least should be small. The Agricultural College is supported

entirely by the federal government, on condition that the state provide suitable buildings. As a business matter, if we seek no broader grounds, the money expended on the State Agricultural College has been a paying investment. The Ore gonian's policy is to withhold the state's share of the burden and practically de stroy the institution. As far as the Agricultural College is concerned, the Ore gonian has been "wasting its sweetness." The board some time ago decided to ask tions raised, and answering at length Mr. for no appropriation this year.

It is hoped this intelligence will relieve the mind of "the sage of the tall tower," although it is expected in this vicinity that the editorial shrew of 6th and Alder canal, those bordering on, or tributary to streets, will demand that the board mortgage the college farm, and turn the Oregon, California and 3 Washington, money into the state to make up the while prolific in a great variety of agrideficit caused by the delinquency of cultural, mineral, timber, commercial Multuomah county on its state tax.

In the chapel of the Agricultural College will be placed a tablet in memory and flour. The principal market of this of the late president, that future generations of students and visitors may be reminded of the respect and honor in which Professor Arnold was held by the alumni. The action is indeed commendable. On the tablets of their memory his name is written. Engraven on their hearts in letters deeper and more lasting than the per ton, to say nothing of the time saved. engraver's chisel can trace, are his in-But infinitely greater will be the advanfluence and the precepts he so ably tage to the wool growers of the Pacific taught.
