AN EXTENSION ASSURED.

& E. Across Oregon if Alger Lets Yaquina Contract.

Hammond, the new star in the western railroad firmament, made a very important statement to Dr. M. M. Davis at Portland last week, concerning the O. C. & E.

"I will state positively," said Mr. Hammond," that the O. C. & E. railroad will be extended through to the eastern boundary of Oregon, and a branch line run from Prineville to Heppner. This is provided, of course, the government proceeds with the contemplated improvement of Yaquina harbor. And this extension will be made with as little delay as possible. I will have no trouble in securing funds"

This is the first authentic statement that has been made concerning the completion of the road and is so direct and positive as to leave no room for quibbing. Those few words are ducers and business men of the
