

NOTICE.—A certificate of publication...  
CITY AND COUNTY.

In Order.—Some further remarks by the Corralis Gazette on the "head of navigation" will now be in order. The Champion was on Tuesday about noon blown by the high wind that prevailed on a bar and was detained until 2 o'clock Thursday afternoon. Had she been supplied with sufficiently strong lines she would not have lain on the bar more than two hours. In conversation with Captain Wilson he stated that he expected in the course of four or five years to see the river navigable to Eugene the whole year through, and that at a very small outlay of money. The Champion brought about thirty tons of merchandise and took away 100 tons of wheat, a wagon and one of Edris' wheat cleaners.

Florence sewing machines—a variety of styles and prices, for sale by D. B. Gray at Ellsworth's Drug Store.

DEMOLISHED.—We came very near having a first class item the other day, for on the 23d, John Gates, living on Cayote Creek in this county, concluded to chop down a fire tree near his house and began the work, determined, it seems, either to fall it away from the house or directly across it. A neighbor came along and told him it would fall on his house, but he thought otherwise and chopped away. The neighbor called Mrs. Gates out of the house and warned her of the danger. She is still out—John fell the tree on the house knocking it and its contents to splinters. Mrs. Gates and her children would have shared a similar fate had no one interfered.

See that silver-plated cabinet W. & W. sewing machine—second hand, for sale—only \$40, at Ellsworth's Drug Store.

OREGON MAILS.—On the subject of mails the Oregonian makes these pertinent remarks: "The Overland Stage Company still continues to draw its pay for carrying the mails, and still does not carry them; the people still suffer the inconvenience of receiving their mails by steamer once in eight or ten days, instead of daily, as the contract requires; and the Postal Agent still remains at Washington, trying to manipulate politics instead of being at his post of duty."

Sheet music at Ellsworth's Drug Store.

To LOCATE.—The Dallas Heintzer has this item. We are sorry to state that our well known surgeon and physician, Dr. J. C. Grubbs, is settling up his business preparatory to leaving to take up his abode in Eugene City. We are sorry to lose the Doctor as he is one of the best read medical men that Dallas has ever heretofore possessed. We hope our loss will be his gain as he richly deserves success wherever he may go, having so thoroughly fitted himself for the profession he so ably adorns.

FIFTH LECTURE.—On the 17th inst., at the Court House, ex-Governor Whiteaker will deliver the fifth lecture of the Library course, having for his subject: "Vagrant Thoughts on Unsettled Questions." The subject is certainly a queer one, and ought to draw a house of itself, and taken in connection with the gentleman who is to lecture we predict the lecture of the season.

Florence needles at Ellsworth's Drug Store.

GAME LAW.—The game law relative to the killing of deer, elk, or other animals of this species, is now in full force. The bird law will go into effect the 1st of April. One section of the law provides that persons may kill game for their own consumption.

COMMENCED.—Mr. J. W. Parks, county Assessor, has already entered upon the work of assessing this county for the year 1876.

RETURNED.—John D. Kinsey and family arrived on Tuesday from the East. While they were pleased with their visit they were none the less glad to be at home again.

FOURTH LECTURE.—Hon. H. H. Gilroy will deliver the fourth lecture of the Library course this evening, March 4th. The subject will be "Tombs of Dead Cities."

NEW DENTAL CHAIR.—Dr. F. Welch has just received from San Francisco one of Archer's patent dental chairs. It is handsomely upholstered in plush with the attachments silver-plated. By a most ingenious combination of cranks, wheels and levers he is enabled to arrange it in a moment so as to be adapted to any sized person, to place it at any angle, or to turn it around, elevate or depress the seat, change the length of the foot-stool etc., in a moment. The head-rest is a most ingenious affair, which by the use of a joint is adjustable in any position required. If anything could rob tooth pulling of its terrors, this chair would be that thing.

Divine service at the M. E. Church, to-morrow as usual. Subject of the sermon at 11 A. M., The Gospel Church—who are members of it; in the evening the discourse will be on Christian Baptism—the proper subjects and scriptural mode. A general invitation to all.

The McGibeny family is still giving "farewell concerts" in Portland.

RASH.  
J. C. Church has gone to San Francisco. The Oriflamme brought up 90 sacks of mail matter.

Ex-Governor Whiteaker has been in town for a day or two.

The Mormon missionaries, Messrs. Hyde and Clark spent last Sabbath in our town.

Hon. J. M. Thompson has been in Salem attending Supreme Court during the past week.

According to the census of last year there are 12,800 more males than females in this State.

S. Ackerman was a passenger on the Oriflamme. He goes to Philadelphia to the Centennial.

The emaciated Stroud was in town last Monday. Likewise that other skeleton, J. J. Comstock.

Don Pedro and Cassino will be succeeded by base ball if the weather continues good for a day or two longer.

Rev. D. B. Gray will shortly receive a stock of musical instruments, to be opened in Ellsworth's drugstore.

J. A. Stratton has been elected Clerk of the Board of Capital Commissioners in the place of P. L. Willis, resigned.

J. J. Comstock has put up a new saw mill four miles north of his present location, to which he will move in the course of a month.

Remember that H. H. Gilroy, lectures at the Baptist Church on Saturday evening, "Tombs of Barred Cities." Some excellent music is prepared by the committee and band.

Presbyterian Church, Rev. E. R. Geary, D. D., Pastor, preaching morning and evening, Sunday School at 10 A. M., social religious meeting Wednesday evening. A cordial invitation to all.

A youngster put in an appearance in town last Tuesday who is decidedly out of luck—he will only know his age once in four years. When any one says "Mrs. C. how old is your baby?" she says "he will be four years old on the 29th of February, 1880." O, holy Moses.

UNIVERSITY.  
Notice to Subscribers.

The subscribers to the University Association are hereby notified, to pay their subscriptions by the 10th day of March, 1876. The work on the University is now completed and the Board must have the money subscribed to pay the claims against the building. The subscriptions have been placed in the hands of G. B. Dorris, Esq., for collection, and unless the subscriptions are paid by the 10th of March, suit will be commenced immediately to collect the same. We trust there will be no delay on the part of the subscribers in paying the amounts subscribed. Interest on the claims against the University building is accumulating and increasing the indebtedness every day.

BUSINESS NOTICES.  
Take Notice.

All my notes and accounts have been placed in the hands of Thompson & Fitch for collection. Immediate settlement will save costs.  
J. W. DUNCAN.

Humbler.  
I am reliably informed that there is an agent canvassing this county for pictures to enlarge, stating that I charge twelve dollars for the full size, for which he is canvassing. My price in a solid valent frame for a retouched photograph is seven dollars; for duplicates, without frame, one dollar and fifty cents; and for the kind of picture that he gets up on a metallic plate, six dollars—two dollars less than he charges. As to the twelve dollar size, I showed one to this agent and he said it would cost twenty-five dollars in San Francisco.  
J. A. WINTER.

ATTENTION FARMERS.—Until further notice meals will be furnished at the St. Charles Hotel for 25 cents each. Beds same price. St. Charles Hotel, don't forget.

FARM FOR SALE.—A good farm for sale on easy terms, within two miles of Creswell; 550 acres of land, all fenced, good house on the same, and 400 acres can be cultivated. If you want a bargain call and see J. J. Walton, Jr.

Buy your wall paper already trimmed at F. B. DUNN'S.

We wish all those who are in debt to us either by note or book account would please call and settle. We are required to raise a large amount of money by the first of January, and are therefore compelled to collect what is due us.

THE MORNING COURIER.  
Recent political events strongly indicate a speedy return of the Democratic party to supreme power in the nation. The House of Representatives is now Democratic by a large majority; the government of more than one half of the States is administered by Democrats; the party enters upon the Presidential contest with the brightest hopes, and under the most substantial encouragement.  
The wonderful revelations of rascality and corruption on the part of Republican leaders, which have burdened the press and horrified the people during the past three years, make it clearly the duty of every man to take an active part in the great contest of the present year. More than at any previous time in the history of the country, a trustworthy daily newspaper is now necessary to every citizen, in order that he may intelligently discharge his political duties. The Chicago Morning Courier is a consistent Democratic newspaper. It will be devoted to the work of leading in resisting the nation from the party that has debauched its services, squandered its treasure and enslaved its liberties. It will advocate a speedy return to specie payments, but believes that this result should be brought about by economical management of the Government, and not by arbitrary enactment. It believes in greenbacks at par, and the same currency for the rich and poor. It will advocate Home Rule, Free Trade, and Public Economy, the old cardinal principles of the Democratic party.  
The Courier has established a widespread reputation as a first class newspaper. The aim of its management is to make it all that the public in these hurrying days can desire, namely—a complete newspaper. Every facility known to modern journalism will be utilized to insure the prompt presentation of all important intelligence from all parts of the world, while the utmost care will be exercised to glean only such as is worth printing. In short, the Courier will give all the news as promptly as any other paper, and condensed into a more attractive and readable form than the blanket sheets.  
Terms—Mail subscription, postage free, six dollars per annum, or fifty cents per month, in advance.

THE WEEKLY COURIER  
Has a large circulation in every western State and Territory. It is our aim to make the Weekly Courier the best family paper in the West, and we shall continue to give in its columns a large amount of miscellaneous news matter, such as stories, tales, poems, scientific intelligence and agricultural information for which we are not able to make room in our daily edition. The agricultural department especially will be one of its prominent features. The fashions are also regularly reported in its columns, and so are the markets of every kind.  
Terms—\$1.20 per year, postpaid.

And if you fail to appear and answer, judgment will be taken for want thereof, and the Plaintiff will demand to issue an execution on the judgment rendered in said Court on the 25th day of April, 1876, for the amount now due and unpaid judgment being \$78.30, and for costs and disbursements of this action.
