Mammoth Shows.

From the San Francisco *Call* we take the following description of Montgomery Queen's new circus and menagerie, which will probably come through here sometime during the coming Summer:

Montgomery Queen seems to know exactly the wants of the people who patronize amusements on the Pacific Coast. Last year the grand concentration of talent which comprised his elegant establishment seemed to us as if Queen had exhausted the equestrian world, and that no possible improvement could be made; but the indefatigable and never tiring manager has succeeded in collecting together new features that were never offered our public before. Mr. Queen has procured a new and elegant outfit for his caravan, and his daily free street displays cannot fail in convincing the most dubious doubter that Montgomery Queen has by odds the most extravagantly gotten-up establishment, not only in America, but that ever rolled on wheels. Besides the new lofty band chariot, Mr. Queen will introduce some new features in his processions known as tableau cars. One of these represents "Queen's Dream of our Hundreth Anniversary." The car is emblematic of our country and the birth of freedom; in the centre and upon a lofty platform stands the Goddess of Liberty, with a living loose Senegal leopard crouching at her feet, surrounded by full life sized figures in gold of Justice and Columbia. The others consist of moving tableaux. Prof. Pierce's group of performing royal Bengal tigers comprise a living picture witnessed only once in a life time. Zinzebar and five man-eating hyenas form another striking illustration of man's power over the brutes of creation. Madame Pauline, the only female subduer of lions on the Western Continent, gives a public exhibition of her reckless disregard of the great monarchs of the jungles. The long line of new animal dens, elaborately painted in light green and gold, with centre-pieces of over fifty magnificently executed scriptural paintings, representing some of the most sublime passages in the Bible. Many new animals have been added. The Arenic or Moral Circus department is complete and unexceptionable. Signor Quaglieni, the Italian bareback one and four-horse rider; Abelardo Lowanda, the wild rider of Brazil; young Sebastian, the four pony rider, and Miss Mollie Brown, the greatest female rider the world has ever produced, stand prominent among the celebrities of Mr. George Queen's equestrian organization. The Mathew Family, the great Kennebels, Levantine, Austin, and Mme. d'Atille, the beautiful female Sampson, who carries an immense brass cannon upon her shoulders, and from which is fired a Centenial salute in the arena, furnish the best evidence that Queen intends outdoing all previous efforts in the direction of amusing the public with new and the very best sensational performances. Mr. Queen has acquired a fine reputation in California for giving more than he promises to the people for their money, and his shows are regarded by the people of the Pacific Coast as one of the necessaries.

A Good Opportunity.

From the Territorial Enterprise.

There is almost a conviction in men's minds all over the United States that before many years our country is destined to absorb Mexico. It looks as though a good opportunity is offered right now for commencing the work. Mexico owes the United States a good deal of money. For years there has been a constant state of brigandage on the Rio Grande. The Northern States of Mexico are now absolutely wrested from the Central Government, and cannot be regained except at a tremendous outlay of blood and treasure. This is a good time for the Government of Mexico to dispose of the sparsely-setled and turbulent States of the North; to liquidate her debt with the United States; to insure peace to her remaining States, and to safely commence to work out a peaceful and prosperous future. If the matter was rightly represented to the Southern States of Mexico—if it was explained to the people there that for years they have furnished money and soldiers to keep the North in subjection to order and good government—we believe they would gladly let them go. For the United States to purchase that country and conquer a peace there would be but a mercy to the people of that region. They are not capable of self-government; not competent even in towns a hundred years old, to keep the savages from swooping down, driving away their herds and killing their people. They are ever at the mercy of the savages and the banditti of their own race, and need protection as much as do lunatics and children. It is a good time for the United States to strike for a settlement of old claims; for peace on the border; for a shorter line for roads between the seas. The world would justify the move as a right and as a mercy to a distressed and degenerate people; and by it a new field would be given for thousands of men who now in the Union are sighing for a spot wherein their energies may be profitably exerted.

A man named Lamb, employed on Lamboy's scow, hoisting wood from Deep river for the bar tugs, was drowned last Thursday night, having fallen overboard when going from the dock to his berth on board.

The Howe Sewing Machines.

POINTS OF SUPERIORITY.

Simplicity, Perfection of Mechanism.
Durability—Will last a Lifetime.
Range of Work—Without Parallel.
Perfection of Stitch and Tension.
Ease of Operation and Management.
Self-Adjusting Take-up.
Adjustable Head.

In range of work this Machine cannot be equaled. Will work equally well on thick or thin goods, from gauze to heaviest beaver coatings, or even leather, without change of needle, tension, or thread. We will warrant them to do this. Our fine work is equal to any, and our **heavy work excels that of any other Machine in the world.**

This Machine makes the celebrated Lock-stitch—the stitch invented by Mr. Howe—alike on both sides. The tensions are positive for both upper and lower thread. The shuttle tension is upon the thread as it leaves the shuttle, and not the bobbin, as in most Machines, and this tension is invariable, whether the bobbin be full or nearly empty. It is obtained by turning a screw in the shuttle, and can be changed in a moment, without taking out the work, breaking the thread, or threading through holes.

What we claim, in substance, is, that **this is an honest Machine,** and, if put in your family will do any and all of your work perfectly, will last a lifetime is a willing and ready servant, and is not subject to FITS

Persons who have tried all Machines are unanimous in declaring this to be the easiest learned of any in the market. In the majority of cases our customers learn from the instruction book without further aid.

Among the many "First Premiums" awarded the

ELIAS HOWE SEWING MACHINES

May be mentioned the following:

The International Exhibition of all Nations, London, 1862, a Gold Medal. New York State Fair, 1866. Exposition Universelle, Paris, 1867, a Gold medal. Cross of the Legion of Honor to Elias Howe, Jr., as original Inventor. Ohio State Fair, 1868. New York State Fair, 1868. Vermont State Fair, 1868. New Hampshire State Fair, 1868.

If you are prejudiced in favor of any particular Machine, at least examine THE HOWE before you purchase.

Recollect that Mr. Howe was the original inventor of Sewing Machines, and gave twenty years of his life to perfecting this Machine.

Every Machine is Fully Warranted and Satisfaction Guaranteed in every case.

All the Branch Offices and Agents of the Howe Machine Co. keep a full stock of Silk, Cotton and Linen Thread, which can be relied upon as to quality and price. We would, therefore, advise all those using our Machines to purchase their supplies at our office.

PRIVATE MEDICAL AID
QUICK CURES
MODERATE CHARGES
DR. W. K. DOHERTY'S
PRIVATE MEDICAL & SURGICAL INSTITUTE

No. 649 Clay Street,

BETWEEN

Kearny and Montgomery Streets,

SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorff streets, in this city, to more commodious and eligibly located apartments, at **No. 649 Clay Street,** where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of reward for the liberal patronage bestowed on him for the past thirteen years, at his old office,

DR. DOHERTY

desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at **649 Clay street,** on every variety of Disease of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all

SPECIAL DISEASES,

of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persist in concealing their condition from a motive originating in mistaken delicacy, and suffer in silence until their miseries become too acute to be repressed, and mental and physical debility unfits the sufferer for active duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Weakness, and all the distressing forms of Self-Abuse, or Onanism; Gonorrhœa, Gleet, Stricture; Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible Diseases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons he has restored to health, are enough to satisfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures, even in obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except at the express wish of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most successful remedies against diseases of all kinds.

He cures without mercury, charges moderate fees, treats his patients in a correct and honorable way, and has references of unquestionable veracity, from men of known respectability and high standing in society. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.

TO FEMALES.

When a female is afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, derangement of digestive functions, general debility, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to DR. W. K. DOHERTY, at his Medical Institute, and she will receive every possible relief and help.

Let no false delicacy prevent you, but apply immediately, and save yourself from painful suffering and premature death.

TO CORRESPONDENTS.

Patients (male or female) residing in any part of the country however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred.

The Doctor is a regular graduate, and may be consulted with every confidence.

If the disease be fully and candidly described, personal communication will, in most cases, be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies) will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Should your condition require immediate attention, send ten dollars in coin, (or that value in currency) by Mail, or Wells, Fargo & Co.'s Express, and a package of medicines will be forwarded to your address, with the necessary instructions for use.

Consultations, at the office or by letter FREE. Address W. K. DOHERTY, M. D., San Francisco Cal.

OPINIONS OF THE PRESS.

AFTER A QUARTER OF A CENTURY

Of active work in the field of honorable practice in California during which time thousands of the most difficult cases of

Premature Decay and Diseases of Contaminating Poison

have been overcome and the sufferers restored to healthy and vigorous life and manhood the

DR. J. C. YOUNG
Medical and Surgical Institute

still offers to the afflicted the positive assurance of honorable treatment and rapid and absolute cures, as can be shown by thousands of testimonials from grateful Patients. Let me call the attention of those who suffer to some of the effects of

SEMINAL WEAKNESS.

The preservation of health and life is dependent upon the proper condition of the procreative functions and any weakness or cause of weakness of the generative organs or their uses is a direct attack upon the general health as well as a sure destruction—if not properly cured—of the organs that are the pride of one sex and the blessing of the other. IN YOUTH is laid the foundation of much of the misery of after years by the indulgence of the MOST DESTRUCTIVE OF HABITS making life a curse and spreading weakness and ruin among mankind, for it is a well known fact that the indulgence in solitary vice, even in the slightest degree, plants seeds of weakness in the system that grow to a harvest of disease, sorrow and shame in after years.

YOUNG MAN

if you experience any weakness you should not delay, for a day may imperil your health if not your life. In all forms of Weakness and Premature Decay a Cure is Guaranteed by the Doctor to the Young, Middle-aged or Old, without Exposure or Hindrance from Business. The Remedies are purely vegetable and of a Nature that leaves no taint behind. OBSERVE the symptoms and hasten to check the course of the complaint, if you experience any of them—nightly discharges, slight discharges at other times, trembling, anxiety, forgetfulness, confusion, pain in back, limb or body, forebodings, indigestion, timidity, aversion to society loss of power, want of control, variable temper, attacks of sickness akin to biliousness, deposits in urine, irregular bowels, etc., etc.

TERRIBLE POISONS.

Among the most subtle and virulent of poisons in the human blood is that arising from Venereal Taint often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE USE OF MERCURY

only aids in this terrible deception by drying it upon the surface and driving it back into the blood. ALL VENEREAL POISON IS A BLOOD POISON AND CAN BE COMMUNICATED IN THE BLOOD and the only certainty of prevention of transmission is in the positive cures of the reform treatment practiced at the Dr. J. C. Young Medical Institute, comprehensive scientific and thorough, having received endorsements as the best of al modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our tests of the presence of the Taint in the blood are never failing.

TO FEMALES.

There are no class of complaints that so enlist the sympathies of the medical mind or so command its gravest thought and study as those that afflict women. The Doctor after years of patient investigation and treatment is enabled to assure them rapid and thorough cures in all the complaints incident to the sex. THE WEAK CAN HOPE FOR STRENGTH AND THE SUFFERING FOR RELIEF AND CURE.

Those who require personal supervision the doctor can furnish with apartments with careful and skillful nurses where unremitted attention and constant care give every assurance of rapid and permanent cures.

The Institute is supplied with a

LYING-IN DEPARTMENT

where patients will receive the treatment so essential in such cases.

CURED AT HOME.

CORRESPONDENCE. The great difficulty many sick find is the trouble of visiting the city, often incurring an expense far exceeding the cost of treatment. This expense can be avoided by writing to the Doctor, giving in your own way, the symptoms of your trouble or complaint. Cures guaranteed the same as by personal visit. All communications strictly confidential and all letters either returned or destroyed.

☞ The Doctor can be relied upon in all cases requiring CONFIDENCE AND SECRECY. Reposo confidence in him, all you who suffer or are in distress. He will speedily relieve and cure you.

YOUNG MEN

Who may be suffering from the effect of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. SPINNEY will guarantee to forfeit $500 for any case of seminal weakness, or private disease of any kind or character which he undertakes and fails to cure. He would therefore say to the unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage; remember you are approaching the last. If you are bordering upon the last, and are suffering some or all of its ill effects, remember that if you persist in procrastination the time must come when the most skillful physician can render you no assistance; when the door of hope will be closed against you; when an angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work upon your imagination, but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim death hurries you to a premature grave. Full course of treatment $25 00 Send money by postoffice order or express with full description of case. Call, or address,
