

FRANCHISE INCOME.

The Enormous Wealth of the Great Silver Mines Proprietors.

From the New York Sun. The yield of the Consolidated Virginia mine in March last, was \$3,634,298.29. These figures are official, as I got them from Mr. Taylor, principal book-keeper. Since this mine commenced paying dividends its stockholders have received 20,000,000 in round numbers. The California mine, the richest known mine in the world, paid its first monthly dividend on the 15th inst., \$1,080,000, or two dollars per share for each of its 540,000 shares. These two mines pay monthly dividends of \$2,160,000 dollars. Beginning in July, the California mine is expected to pay a monthly dividend of three dollars per share, or \$1,620,000 monthly. The present price per share of these stocks is respectively: California, \$80; Consolidated Virginia, \$78. Like all mining stocks they are subject to starting fluctuations. The knowing ones, however, do not look for any material changes in the prices of these two stocks this Summer. It is not altogether a matter of speculation in regard to these mines. What ore they contain is pretty closely ascertained. At present there is enough first-class ore therein to keep the mines going for at least three years.

Colonel Fair, Superintendent, is now erecting a new 80-stamp mill, in addition to the numerous mills already possessed by himself and partners. When this is finished you will hear of some of the unparalleled results from the Bonanza mines. Fair expects to turn out \$5,000,000 a month. He can do it. It is only a question of milling facilities. There is no lack of ore.

In view of the stupendous wealth of these mines, the question often occurs to me; what will be the eventual limit of the wealth of the four gentlemen popularly known as the "Bonanza Kings"? People who have watched their fortunes with critical eyes estimate that they are now worth in money and property upward of \$100,000,000. It is a common remark here that Mackay has an income of \$800,000, gold, a month. Since the California mine commenced paying dividends it must have added at least \$150,000 to his monthly income. I think I may say that his monthly income is, in round numbers, a million of dollars.

Notice in the letters of correspondents a wide-spread error in regard to all these men. It is generally believed by Eastern people who have read of the wonderful fortunes of the "Bonanza Kings" that they have been acquired within the last year, and that none of them were comfortably fixed before the developments of the Consolidated Virginia mine. This is all a mistake. Flood and O'Brien were worth \$200,000 ten years ago, and they have been adding to it ever since. Fair was worth half a million seven years ago, and Mackay had been a millionaire long before the Consolidated Virginia was dreamed of. I make these corrections for the benefit of such innocents as think the millionaires have nothing to do but throw \$20 gold pieces at every person who takes into his or her head to write begging letters to them. It would not be believed that there were such arrant fools in the world as some of the letters received prove their writers to be. Money is asked for by people hundreds and thousands of miles away on every conceivable pretense. For instance, a Washington woman wrote Mr. Mackay that her daughter had been slandered, and she requested him to forward \$1,500 to hire counsel to take the matter into the courts. And this is but one of the hundreds of applications that come here every week for from \$10 to \$10,000.

A man broke a chair over his wife's head. When he got to jail and the chaplain undertook to talk to him he displayed a good deal of penitence. He said he was very sorry that he had permitted his anger to obtain the mastery over him, and suffer him to do such an act, because it was a good chair, one of those old-fashioned Windsor chairs, which was an heirloom in his family, and he knew he never could replace it.

The entire rise in the river at the Dalles was about six feet above low water mark, and two feet nine inches above the highest water mark of 1862.

Ex-Speaker Blaine has formally accepted the United States Senatorship tendered him by Governor Connor. The vacancy thus created in the House of Representatives will not be filled until the regular election in September.

The Inter Ocean's Sioux City special says hostile Indians who encamped opposite Fort Sully, commenced operations last night by making a raid on a neighboring Indian camp, stole eighty head of horses and committed other depredations.

A Herald special from Washington says the Navy Department has sent out an official paper suspending work at various private yards in New York, Philadelphia, Brooklyn, Chester, Boston, Providence and elsewhere on ironclads, owing to the absence of any appropriation for this kind of work in the newly passed navy bill.

It is stated by a reliable party in the Black Hills that there are nice claims that are paying from \$1,200 to \$3,000 per day with but two stringing stumps to the claim, and working but nine men each. The Indians have all left the Hills and miners can now develop claims without any trouble.

Mr. Pratt has tendered his resignation as commissioner of the internal revenue, and will retire from that office on the 1st of August.

CENTAUR LINIMENTS.

[Letter from a Postmaster.] ASTORIA, Ill., Dec. 1, 1874. Messrs. J. B. Rose & Co: My wife has for a long time been a terrible sufferer from rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

W. H. RING. This is a sample of many thousands of testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mentha, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indisputable fact that the Centaur Liniment is performing more cures of Swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all other Liniments, Embrocations, Extracts, Salves, Ointments and Plasters now in use.

The Centaur Liniment, Yellow Wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Spavin, Sweeney, Wind Gall, Big Head and Poll Evil, are little less than marvelous.

Messrs. J. McClure & Co., Druggists, cor. Elm and Front Sts., Cincinnati, O., say: "In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per month to these teamsters."

For Wounds, Galls, Scratches, Ring-bone, &c., and for Sore Worn in Sheep it has no rival. Farmers, Livery-men, and Stock-raisers have in this Liniment a remedy which is worth a hundred times its cost.

Laboratory of J. B. Rose & Co., 46 DEY ST., NEW YORK.

Mothers may have rest and their babies may have health, if they will use Castoria for Wind Colic, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphia, nor alcohol. It is as pleasant to take as honey, and neither gags nor grips.

Dr. E. Hitchcock, of Dupont, O., says: "An using Castoria in my practice with the most signal benefits and happy result."

This is what everyone says. Most nurses in New York city use the Castoria. It is prepared by Messrs J. B. Rose & Co., 46 Dey St., New York, Successors to Samuel Picher, M. D.

DR. W. K. DOHERTY'S PRIVATE MEDICAL SURGICAL INSTITUTE.

No. 649 Clay Street, BETWEEN Kearny and Montgomery Streets, SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast, induced his removal from his old established and well-known quarters, on the corner of Sacramento and Leidesdorf streets, in his city, to more commodious and eligibly located apartments, at No. 649 Clay Street, where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms, (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of regard for the liberal patronage bestowed on him for the past thirteen years, at his old office,

DR. DOHERTY desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at 649 Clay Street, on every variety of Disease of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all

SPECIAL DISEASES, of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persisting in concealing their condition from a motive originating in mistaken delicacy, and suffering in silence until their miseries become too acute to be repressed, and mental and physical debility under the sufferer for active duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Weakness, and all the distressing forms of Self-Abuse, or Gonorrhoea, Gleet, Stricture; Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible diseases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons he has restored to health are enough to satisfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures in the most obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to the cure prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except at the express wish of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most successful remedies against diseases of all kinds.

He cures without mercury, charges moderate fees, treats his patients in a correct and honorable way, and has references of unquestionable veracity, from men of known respectability and high social position. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.

AFTER A QUARTER OF A CENTURY Of active work in the field of honorable practice in California during which time thousands of the most difficult cases of Premature Decay and Diseases of Contaminating Poison have been overcome and the sufferers restored to healthy and vigorous life and manhood the

DR. J. C. YOUNG Medical and Surgical Institute still offers to the afflicted the positive assurance of honorable treatment and rapid and absolute cures, as can be shown by thousands of testimonials from grateful patients. We call the attention of those who suffer to some of the effects of

SEMINAL WEAKNESS. The preservation of health and life is dependent upon the proper condition of the procreative functions and any weakness or cause of weakness of the generative organs or their uses is a direct attack upon the general health, as well as a sure deduction—if not properly cured, from the organs that are the pride of one sex and the blessing of the other. In Youth is laid the foundation of much of the misery of after years by the indulgence of the most destructive habits making life a curse and preventing the enjoyment of life as man kind, for it is a well known fact that the indulgence in solitary vice, even in the slightest degree, plants seeds of weakness in the system that grow to a harvesting of disease, sorrow and shame in after years.

YOUNG MAN If you experience any weakness you should not delay, for a day may imperil your health if not your life. In all forms of Weakness and Premature Decay a Cure is guaranteed by the Doctor to the Young, Middle-aged or Old, without Exposure or Hindrance to Business. The Remedies are purely vegetable and of a Nature that leaves no taint behind. Observe the symptoms and hasten to check the course of the complaint, if you experience any of them—nightly discharges, slight discharges at other times, trembling, anxiety, forgetfulness, confusion, pain in back, limbs or body, forebodings, indigestion, timidity, aversion to society loss of power, want of control, variable temper, attacks of sickness akin to biliousness, deposits in urine, irregular bowels, etc., etc.

TERRIBLE POISONS. Among the most and virulent of poisons in the human blood is that arising from general Taint often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE USE OF MERCURY only aids in this terrible deception by drying it upon the surface and driving it back into the blood. ALL VENEREAL POISON IS A BLOOD POISON AND CAN BE PURIFIED IN THE BLOOD AND ONLY CERTAINLY PREVENTED BY TRANSMISSION IS IN THE POSITIVE CURS OF THE REFORM METHOD PRACTICED AT THE DR. J. C. YOUNG Medical Institute, comprehensive scientific and thorough, having received endorsements as the best of all modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our tests of the presence of the Taint in the blood are never failing.

TO FEMALES. There are no class of complaints that so enlist the sympathies of the medical mind or so command its gravest thought and study as those that afflict women. The Doctor after years of patient investigation and treatment is enabled to assure them rapid and thorough cures in all the common plain and to the sex. THE WEAK CAN HOPE FOR STRENGTH AND THE SUFFERING FOR RELIEF AND CURE.

Those who require personal supervision the doctor can furnish with apartments with careful and skilful nurses where unremitting attention and constant care give every assurance of rapid and permanent cures.

The Institute is supplied with a LYING-IN DEPARTMENT where patients will receive the treatment so essential in such cases.

CURED AT HOME. CORRESPONDENTS. The great difficulty many sick find is the trouble of visiting the city, often incurring an expense far exceeding that of treatment. This expense can be avoided by writing to the Doctor, giving in your own way the symptoms of your trouble or complaint. Cures guaranteed the same as by personal visit. All communications strictly confidential and all letters either returned or destroyed.

THE Doctor can be relied upon in all cases requiring CONFIDENCE AND SECURITY. Repose confidence in him, all you who suffer or are in distress. He will speedily relieve and cure you. Address
