# ENTAUR INIMENTS.

[Letter from a Postmaster.]

MATIOCH, Ill., Dec. 1, 1874.

"Messra. J. B. Rose & Co:

"My wife has for a long time been a terrible sufferer from rheumutism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

W. H. RING.

W. H. RING.

This is a sample of many thousand of testimonials received, of wonderful cures effected by the Centaer Limment. The ingredients of this article are published around each bottle. It contains Witch Haz I Mentha, Arnica, Rock Oil, Carbolle, and ingredients bitherto little known. It is an indisportable fact that the Centaur Limiment is performing more cures of Swellings, Stiff Joints, Eraptions, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all other Limiment-, Embrocations Extracts, Salves, Ointments and Plusters now in use.

For Toothsche, Eerache, Weak Back, Itch, and Cutaneous Eruptions, it is admirable It cures burns and scalds without a scar. Extracts poison from bites and stings, and heals frost-bites and chibbiains, in a short time. No family can afford to be without the Centaur Limiment, white wrapper.

per.
The Centaur Lin'ment, Yellow Wrapper, is adopted to the tough skin, muscles and
flesh of the animal creation. Its effects upon
severe cases of Spavin, Sweeny, Wind Gall, Big
flead and Poll Evil, are little less than marvel-

Messrs. J. McClure & Co., Druggists, cor. Elm and Front Sts., Cincinnati, O., say:
"In our neighborhood a number of teamster are using the Centaur Limiment. They pronounce it superior to anything they have even sed. We sell as high as four to five doz n bottles per month to these teamsters."

We have thousands of similar testimonials. For Wounds, Galls, Scratches, Ring-bone, &c. and for Screw Worm in Sheen it has no rival. Parmers, Livery-men, and Stock-raisers have in this Liniment a remedy which is worth a hundred times its cost.

## Pitcher's Castoria.

Mothers may have rest and their babies may have health, if they will use Castoria for Wind Colle, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphine, nor alchohol. It is as pleasant to take as honey, and neither gags nor gripes.

Dr. E. Dimoch, of Dupont. O., says:
"I am using Castoria in my practice with the most signal benefits and happy result."

This is what everyone says. Most nurses in New York city use the Castoria. It is prepared by Messrs J. B. Rose & Co., 46 Dey St., New York, Successors to Samuel Pitcher, M. D.

Improved Iron King Wind Mill. THE TRUE PRIEND OF THE Fruit Grower, the Farmer, the Irrigator,

There are several reasons why this Mill she ild i preferred to all others: 1st. It is far more durable because it is

2d. It is Cheaper because of ... a simplicity and durability, and will outlast several Wooden Mills 3d. It is Less Complicated, because there is only three pieces of operating machinery.

4th. It is more powerful than any other Mill, on account of the thin fan, and consequent increased suction of air, and because it is operated by an eccentric, being far superior to the crank shaft or rest pin, as a lifting and falling power. 5th. It needs no care, no watching, havi g self-feeding oil caps and self-regulating vales. It regulates, protects and takes care of itself. 6th. It never warps, shrinks, or swells, hence it is not liable to get out of order. Once up, it

goes all right. 7th. It does more work, runs easier and throws a larger body of water. It will submerge a larger tract of land, with less wind and in a shorter space of time than any other Windmill now in use. It may be set to turn out of the wind at any desired pressure, there being a graduated lever for that purpose.

8th This Mill took the only premium given at the California State Fair, ever the many others there on exhibition.

## AFTER A QUARTER OF

ACENTURY Of active work in the field of honorable practice in California during which time thousands of the most difficult cases of

Premature Decay and Diseases of Con-taminating Poison have been overcome and the sufferers restored to healthy and vigorous life and manhood the DR. J. C. YOUNG

Medical and Surgical Institute

still offers to the afflicted the positive assurance of hosorable treatment and rapid and absolute cures, as can be shown by thousands of testimonials from grateful Patients. Let me call the attention of those who suffer to some of the effects of tion of those who sufer to some of the effects of SEMINAL WEAKNESS.

The preservation of health and life is dependent apon the proper condition of the procreative functions and any weakness or cause of weakness of the generative organs or their uses is a direct attack upon the general health as well as a sure destruction—if not properly cured—of the organs that are the pride of one sex and the blessing of the other. In Youth is laid the foundation of much of the misery of after years by the indulgence of the MOST DESTRUCTIVE OF HABITS making life a curse and spreading weakness and ruin among mankind, for it is a well known fact that the indulgence in solitary vice, even in the slightest degree, plants seeds of weakness in the system that grow to a harvest of disease, sorrow and shame in after years.

YOUNG MAN

YOUNG MAN

If you experience any weakness you should not delay, for a day may imperil your health if not your life. In all forms of Weakness and Prema ture Decay a Cure is Guaranteed by the Dostreto the Young, Middle-aged or Old, without Exposure or Hindrance from Bosiness. The Remedies are purely vegetable and of a Nature that leaves no taint behind. Onserve the symptoms and hasten to check the course of the complaint, if you experience any of them—nightly discharges, slight discharges at other times, trembling, anxiety, forgetfuluess, confusion, pain in back, limb or body, to rebodings, indigestin, timidity, aversion to society loss of power, want of control, variable temper, attacks of sickness akin to billousness, deposits in urine, irregular bowels, etc., etc.

TERRIBLE POISONS. YOUNG MAN

TERRIBLE POISONS.

Among the most subtle and virulent of poisons in the human blood is that arising from Venereal Taint often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE USE OF MERCURY

THE USE OF MERCURY

only aids in this terrible deception by drying its apon the surface and driving it back into the blood. ALL VENEREAL POISON IS A BLOOD FOISON AND CAN BE COMMUNICATED IN THE BLOOD and the only certainty of prevention of transmission is in the positive cures of the reform treatment practiced at the Dr. J. C. Young Medical Institute, comprehensive scientific and thorough, having received endorsements as the best of all modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our tests of the presence of the Taint in the blood are never failing.
