#### AND COUNTY.

County Cours.

The County Commissioners met on Wedpesday and transacted business as follows: In the matter of the road prayed for by J.
W. Vaughn and others, ordered that the
same be declared a public highway on the
payment of \$400, the amount of assessed

damages, by the petitioners.

The road prayed for by J. Yarnell and others was declared a public highway.

Change of road prayed for by J.M. Spores

and others granted.

Petition of H. Smith and others for vaca-

tion of county road granted.

In the matter of the road prayed for by R. B. Hayes and others, Philip Cantrell, C. C. Job and S. Jenkins were appointed viewers and October 2d set for view

Ordered that the west half of the Spring-field bridge be declared in road district No. 47, and the east he, in district No 7. ordered that the tax levy for the current year be as follows: State, 5 mills; bounty. I mill; relief, 1/2 mill, School 3 mills; county, 51/2 mills; total, 15 mills; and a Scate poll tax of 81.

The County Judge was authorized to advertise for sealed proposals for medical attendance on paupers for the ensuing year, the bids to be opened October 2d, to which day the Court adjourned.

A CHANCE TO SPERAD .- One day this week, a Chinaman stopped at Mr. D. R. Lakin's place to see another of his race who was working there. The small pox patients at the place had been moved up stairs, and Mr. Lakin's Chinaman was employed in washing the clothing woru by them, and his visitor handled the clothing. It was the intention of those about the place to have prevented him from leaving, but their attention was drawn from him for a time, and then it was found that he had left. The Chinaman at Mr. Lakin's says his visitor went to Junction, but Mr. Coffin, who, we believe, was there at the time of the visit, says he came to Eugene. Persons employing Chinese will perhaps do well to prepare for small pox.

REPUBLICAN MEETING .- The Republican held the first political meeting of the session at the Court House on Thursday evening Messrs. Higby and Williams were announced to speak, but Mr. Williams got lost on the way up, and has not as yet arrived. There was a fair number in attendance, and Mr. Highy was enthusiastically received. He produced the "bloody shirt," but somehow it did not seem to fit as usual, and his audience were disappointed. They seemed to have forgotten that almost any speech loses interest by being repeated.

POLITICAL SPRAKING .- Hon. H. Klippel, candidate for Presidential Elector on the Democratic ticket, will soon take the stump and canvass the southern part of the State with General Odell, erndldate for the same position on the Republican ticket. Appointments will be announced hereafter.

THAT COUGAR AGAIN .- The congar 'mena few weeks since as having been seen in the vicinity of Crow Postoffice still continues DWELLING HOUSE AND 3 ACRES OF Land its depredations, and at last accounts had made an end of more than sixty head of sheep. It seems as hard to satisfy as a Radical officeholder.

COMPLETED .- The bridge across the river at this place is completed, except painting and filling the piers, and teams began crossing on Wednesday. This is said to be the largest wagon bridge in the State, and one of the best built and most substantial.

SHERMAN & HYDE'S COLUMN

Never before in the history of piano forte man-ufacture has an instrument tisea so rapidly in popular fayor.

Its intrinsic merit and decided superiority over all others has caused every musician and artist of note to adopt and recommend it.

Nilsson says: I shall take every opportunity recommend and praise your instruments.

Miss Kellogg says: Your Pianos are my choice the concert room and for my own house. Lucca says: Your uprights are extraordinary

Patti says: I have used the pianos of every celebrated maker, but give yours the preference over all. Etrauss says: Your Pianos astonishment me. I have never seen any pianos which equal yours. Webli says: Madame Parepa called your Pi-anos the finest in the United Stetes. I fully en-dorse that opinion. They have no rival.

YANKEE NOTIONS, There are several reasons why this Mill she wid be 1st. It is far more durable because it is

2d. It is Cheaper because of i.a simplicity and durability, and will ontlast several Wooden Mills.

3d. It is Less Complicated, because there is only three pieces of operating machinery.

REMOVAL.

CENTRAL

CENTRAL

MARKET

BECKER & BOYD, Proprietors.

BECKER & BOYD HAVE REMOVED to the building known as the Central Market and will

three pieces of operating machinery.

4th. It is more powerful than any other Mill, on account of the thin fan, and consequent increased suction of sir, and because it is operated shaft or rest pin, as a lifting and falling power.

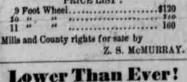

5th. It needs no care, no watching, having self-feeding oil caps and takes care of itself.

6th. It never warps, shrinks, or swells, hence it is not liable to get out of order. Once up, it goes all right. goes all right.

7th. It does more work, runs easier and throws a larger body of water. It will submerge a larger tract of land, with less wind and in a shorter space of time than any other Windmill now in use. It may be set to turn out of the wind at any desired pressure, there being a graduated lever for that

sth. This Mill took the only premium given at the California State Fair, ever the many others there on exhibition.
