

INTERESTING LETTERS.

Why Charles Francis Adams will Vote for Gov. Tilden.

The following letter was received yesterday by Mr. Hugh F. McDermott, editor of the Jersey City Herald, in answer to a letter of inquiry:

H. F. McDermott, Esq., Jersey City; QUINCY, Aug. 8, 1876.

DEAR SIR: I am one of the class now denominated Independents, asking no favors and voting for the best men without regard to party lines. I propose to retain my position. But as to the choice offered to me between Mr. Tilden and Mr. Hayes, though having no prepossessions against either, I do not hesitate to say that the former is far the most fitted to meet the emergency in our politics in my opinion, and I intend to vote for him.

Very truly yours, CHARLES FRANCIS ADAMS.

Gen. Sigel for Tilden.

To THE EDITOR OF THE SUN.—Sir: Having received of late several invitations to address political meetings, it seems to me my duty to declare, for the purpose of avoiding all misunderstanding, that the principle and policy laid down in the Democratic platform, and in the letters of acceptance of Tilden and Hendricks, are in accordance with the views which on many occasions I have expressed and defended privately and publicly. I should be faithless to myself by not upholding and defending them now, in the hour of trial, and therefore shall give my support in this election to the Presidential ticket adopted by the Democratic Convention.

In taking this step, I desire, however to add that I shall not renounce independent action in political matters relative to our own State and city, whenever questions of national policy of paramount importance are not involved.

By publishing this card you will oblige

Yours very respectfully, F. SIGEL.

New York, Aug. 8, 1876.

Joaquin Miller a Hero.

Saratoga Letter.

Quite another sort of person was sitting around here the other day, and may be still for aught I know. The person was Joaquin Miller the bard of the Sierras he has been dubbed. Miller is a poet, unquestionably, and probably possessed of common sense, if he saw fit to use it. The trouble with him is he is consumed by a passion for notoriety, and is incessantly striving to make himself talked about. The consequence is that he is forever trying to appear odd and arrest attention, which renders him a supreme bore. He is so full of affectation and tells so many stories that nobody can tell when he is genuine or truthful. His chief desire is to be esteemed a pure genius which he is far from being.

One of his assumptions is that he has never read anything to speak of, and yet every one of his compositions shows that he has been saturated with Byron, Tennyson, Browning, and other poets. Frequently he does little more than echo them.

Another assumption is that he was with William Walker in Nicaragua. They who ought to know, who have the means of knowing, say that he never saw the "grey-eyed man of destiny."

He is very fond of calling himself an Indian, too, and telling of his life with the Modocs. He may have been with them but there are many who doubt it. It is fair to question any of his statements so much to be allowed for them.

All his long hair, red shirt and trousers-in-boots performance in England was deliberately adopted as a means of self-advertising. He is a very showman in this regard. He now dresses like other civilized men, for he has found that such transparent tomfoolery doesn't "pay" in this country. Still, he plays at all sorts of oddities in society, and wherever he goes, causing all sensible persons to avoid him. The motive of his countless affectations is to convey the impression that he is a wild, undisciplined fellow opposed to forms and conventionalities.

Good-natured, kind-hearted and well-endowed he seems to be, and it is strange that he has not been able enough to lay aside his shallow tricks and be himself. The dullest of his acquaintances found him out long ago. He ought to have learned by this time that it is not necessary for a man setting up to be a poet to act like a fool.

Says the New Orleans Picayune: "Thousands of colored voters joined the Democrats in Mississippi last year to help drive the carpet-baggers from the State and to help elect both men, and the best of the colored men will be for law, order and justice by the side of the white men of Louisiana in November."

The best negroes in Claiborne County, says the Mobile Tribune, are becoming as much excited for Tilden, Hendricks and Chalmers. The most enthusiastic of their white friends. There are Democratic Clubs in every part of the county, and large numbers of colored men are joining them at every meeting.

The Corral Gazette says: "During the past week J. McCully, B. Hartles and W. B. Hamlin have been canvassing among the farmers of Benton county, and in less than five days succeeded in getting freight to the extent of 76,800 bushels pledged."

Many people are leaving Hillsboro in wagons for California.

CENTAUR LINIMENTS.

[Letter from a Postmaster.]

Messrs. J. B. Rose & Co.: My wife has for a long time been a terrible sufferer from rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

W. H. RING. This is a sample of many thousands of testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains White Basil, Mentha, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indisputable fact that the Centaur Liniment is performing more cures of Swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all other Liniments, Embrocations, Extracts, Salves, Ointments and Plasters now in use.

For Toothache, Earache, Weak Back, Itch, and Cutaneous Eruptions, it is admirable. It cures burns and scalds without a scar. Extracts poison from bites and stings, and heals frost-bites and chilblains in a short time. No family can afford to be without the Centaur Liniment, white wrapper.

The Centaur Liniment, Yellow Wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Spavin, Swelling, Wind Gall, Big Head and Poll Evil, are little less than marvellous.

Messrs. J. B. Rose & Co., Druggists, cor. Elm and Front Sts., Cincinnati, O., say: "In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per month to these teamsters."

We have thousands of similar testimonials. For Wounds, Galls, Scratches, Ring-bone, &c., and for Scourge Worm in Sheep it has no rival. Farmers, Livery-men, and Stock-raisers, have in this Liniment a remedy which is worth a hundred times its cost.

Pitcher's Castoria.

Mothers may have rest and their babies may have health, if they will use Castoria for Wind, Colic, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphia, nor alcohol. It is as pleasant to take as honey, and neither gives nor gripes.

Dr. E. Dimock, of Dupont, O., says: "I am using Castoria in my practice with the most signal benefits and happy result." This is what everyone says. Most nurses in New York city use the Castoria. It is prepared by Messrs J. B. Rose & Co., 46 Dey St., New York, Successors to Samuel Pitcher, M. D.

PRIVATE MEDICAL AID QUICK CURES! MODERATE CHARGES!

DR. W. K. DOHERTY'S PRIVATE MEDICAL SURGICAL INSTITUTE

No. 649 Clay Street, BETWEEN Kearny and Montgomery Streets, SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast, induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorff streets, in this city, to more commodious and eligibly located apartments, at No. 649 Clay Street, where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms, (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of reward for the liberal patronage bestowed on him for the past thirteen years, at his old office, DR. DOHERTY desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at 649 Clay Street, on every variety of Disease of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all

SPECIAL DISEASES, of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persist in concealing their condition from a motive originating in mistaken delicacy, and suffer in silence until their miseries become so acute as to be unendurable, and mental and physical debility until the sufferer for active duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Emission, and all the distressing forms of Self-Abuse, or Onanism; Gonorrhoea, Gleet, Stricture, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc.

The number of persons suffering from these horrible diseases, in whom the Doctor has effected a radical cure, can be counted by the thousands, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except as the express wish of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is in possession of the most successful remedies against diseases of all kinds.

He cures his patients in a correct and honorable way, and has references of unquestionable authority, in whom the Doctor has effected a radical cure, even in obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

AFTER A QUARTER OF A CENTURY Of active work in the field of honorable practice in California during which time thousands of the most difficult cases, and cases of weakness of the generative organs or their uses is a direct attack upon the general health as well as a sure destruction—if not properly cured—of the organs that are the pride of one sex and the blessing of the other. In 1874 I laid the foundation of much of the misery of after years, the indulgence of the most destructive of habits making life a curse and spreading weakness and ruin among mankind, for it is a well known fact that the intelligence in solitary vice, even in the slightest degree, plants seeds in the system that grow to a harvest of disease, sorrow and shame in after years.

YOUNG MAN If you experience any weakness you should not delay for a day may imperil your health if not your life. In all forms of Weakness and Premature Decay a Cure is offered by the Doctor to the Young, Middle-aged or Old, without Exposure or Hindrance from Business. The Remedies are purely vegetable and of a Nature that leaves no taint behind. Oursays the symptoms and hastens to check the cause of the complaint, if you experience any of them—nightly discharges, slight discharges at other times, trembling, making, getfulness, confusion, pain in back, limb or body, forebodings, indigestion, timidity, aversion to society, loss of power, want of control, variable temper, attacks of sickness, much biliousness, deposits in urine, irregular bowels, etc., etc.

TERRIBLE POISONS. Among the most subtle and virulent of poisons in the human blood is that arising from Venereal Taint often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE USE OF MERCURY only aids in this terrible deception by drying it upon the surface and driving it back into the blood. ALL Venereal POISON IS A BLOOD POISON AND CAN BE COMMUNICATED TO THE CHILD and the only certainty of prevention of transmission is in the positive cures of the reform treatment practiced at the Dr. J. C. Young Medical Institute, comprehensive of the best of all modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our tests of the presence of the Taint in the blood are never failing.

TO FEMALES. There are no class of complaints that so enlist the sympathies of the medical mind or so command its gravest thought and study as those that afflict women. The Doctor after years of patient investigation and treatment is enabled to assure them rapid and thorough cures in all the complaints incident to the sex. THE WEAK CAN HOPE FOR STRENGTH AND THE SUFFERING FOR RELIEF AND CURE.

Those who require personal supervision the doctor can furnish with apartments with careful and skillful nurses where unremitting attention and constant care give every assurance of rapid and permanent cures. The Institute is supplied with a

LYING-IN DEPARTMENT where patients will receive the treatment so essential in such cases. CURED AT HOME. The great difficulty many sick find in the trouble of visiting the city, often incurring an expense far exceeding the cost of treatment. This expense can be avoided by writing to the Doctor, giving in your own way, the symptoms of your trouble or complaint. Cures guaranteed the same as by personal visit. All communications strictly confidential and all letters either returned or destroyed.

THE Doctor can be relied upon in all cases requiring CONFIDENCE AND SECRECY. Repose of confidence in him, all you who suffer or are in distress. He will specify reliefs and cure you. Address BENJ. F. JOSSELYN, M. D., 615 Sacramento Street, San Francisco, Cal. Box 735.
