CITY AND COUNTY.

WHEAT.—The price of wheat is advancing and farmers are not disposed to sell. Buyers yesterday were offering 72 cents on board the cars: The Standard of Wednesday says: The wheat market is not quite so active as it has been, still enough can be procured to meet contracts. Farmers are holding in expectation of an advance and purchasers are chary of investing too heavily. The amount of storage in port continues to increase and several ships await charter. A perceptible falling off in the receipts of grain is anticipated, owing to the opening of the rainy season. It is estimated that the requirements of cereals by Great Britain during the year will be fully 14,000,800 quarters, whilst imports since September 1st have been arriving at the rate of but 8,000,000 quarters. These justify producers in the expectation of higher prices.

COUNCIL MEETING.—A special meeting of the City Council was held last Monday evening to receive a proposition from Dr. Patterson in relation to the opening of Twelfth street to the eastern boundary of the city. He proposed to donate to the city the right of way for the street through lands owned by him on condition that the Council order an eight-foot sidewalk on the north side of Twelfth street from the eastern line of the city to Mill street, and thence on the east side of Mill to Eleventh street. The Council could not at a special meeting order the walk, but by a test vote agreed to do so at the next regular meeting. This was done to enable the Executive Committee of the State University to build a walk from the front thereof to connect therewith, rather than with the walk on Eleventh street.

J. N. Poindexter & Co. were granted permission to stretch a sign from the top of the Lucky stable to their shop.

NOR TALK.—Some of our exchanges are still repeating the statement that Mrs. W. H. Abrams died from small pox. It is not true. She undoubtedly died of typhoid fever. The cases of small pox in this place thus far have been very mild with the single exception of Mr. Witter's child, which died last Saturday night, and which had not been vaccinated.

CHANGED HANDS.—Mr. Isom Cranfill has bought Mr. Geo. S. Walton's residence, on the corner of Tenth and Olive streets. Rev. Mr. Davenport has bought the Lane property, on Tenth street.

PUBLIC SPEAKING.—Governor Grover will address the people at Eugene City on Wednesday, November 1st, at 1 o'clock P. M., on the pending political issues. All are cordially invited to attend.

Sympathy is that quality of the human heart that gives a kindly bias to all men's actions. Without it this world would be poor indeed, and human nature would be destitute of one of its most beautiful attributes. Remove sympathy from the human breast, and there is a vacuum created only to be exceeded in size by that which would be produced by the closing of Becker & Boyd's market. Buy your meat from them and you will need no sympathy.

MARK THESE FACTS THE TESTIMONY OF THE WHOLE WORLD.

HOLLOWAY'S PILLS.

Let the Suffering and diseased read the following.
Let all who have been given up by Doctors, and spoken of as incurable, read the following.
Let all who can believe facts and can have faith in evidence, read the following.
Know all men by these presents, That on the Twentieth day of June, in the year of Our Lord, One Thousand Eight Hundred and Sixty-six, personally came Joseph Hayward to me known as such, and being duly sworn deposed as follows: "That he is the sole general agent for the United States and dependencies thereof for preparations or medicine known as Dr. Holloway's Pills and Ointment, and that the following certifies as to the best of his knowledge and belief. JAMES SMETTRE, [L.S.] Notary Public, 14 Wall Street, New York.
Dr. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my bowels has left me at last—thanks to your pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS, 116 Avenue D, New York.
This is to certify that I was discharged from the army with chronic diarrhoea, and have been cured by Dr. Holloway's Pills. WILSON HARVEY, New York, April 7, 1866.
The following is an interesting case of a man employed in an iron foundry, who, in pouring melted iron into a flask that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 5 weeks after the accident.
New York, Jan. 11, 1875.
My name is Jacob Hardy, I am an iron founder, I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see my scars on my iron works, 21 Avenue J. HARDY, 119 Goerch street.

EXTRACTS FROM VARIOUS LETTERS.

"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvellous!"
"I send for another box and keep them in the house."
"Dr. Holloway cured my headache that was chronic."
"I gave one of your Pills to my babe for cholera morbus. The dear little fellow got well in a day."
"My nausea of a morning is now cured."
"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and noise has left."
"Send me two boxes, I want one for a poor family."
"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your Pills."
"Let me have three boxes of your Pills by return mail, for Chills and Fever."
I have over 200 such testimonials as these, but want of space compels me to conclude.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, this Ointment is invaluable. It does not heal externally alone, but penetrates to the most searching depths to the very root of the evil.
HOLLOWAY'S PILLS invariably cure the following diseases:
DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and stomach.
Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blisters on the skin, Bowel Complaints, Colic, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throat, Stone & Gravel, Secondary Sympom, The Dolorieux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.

IMPORTANT CAUTION.

Note are genuine unless the signature of J Hayward, an agent for the United States, suri rounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or sending the same knowing them to be spurious. Sold at the manufactory of Professor HOLLOWAY & Co., New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in boxes at 25 cents, 62 cents and \$1 each.
There is considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each box.
