# THE EUGENE CITY GUARD.

#### BATURDAY, NOV. 11. 1876. EUGENE CITY. OREGON

#### TILDEN PROBABLY ELECTED.

At this hour, Friday afternoon, the election is still in doubt, with the chances decidedly in favor of the election of Mr. Tilden, as will be seen by the following extracts from Portland papers. The Oregonian of yesterday morning says. editorially :

We should be glad to believe there is reasonable ground for the hopes entertained by those Republicans who cling to Indiana and Connecticut; but the entire absence of such particulars and details as would coroborate the opinion that these States may be Republican, together with the reports of Democratic gains in the returns thus far received, lead us to believe that they must both he conceded to the Democrats. If so, the result now bepends on the two Carolinas, Louis- Richardson ..... iana and Florida, and of these four Coast Fork...... Hayes requires three to secure an election. Should he receive the votes of the two Carolinas, and lose both Lou- Mohawk isiana and Florida, he will want one vote of the requisite 185. Should be get North Carolina and the two Gulf States he will have three major. ity.

The table of electoral votes now stands:

This we regard has no foundation whatever. Wisconsin still remains in doubt, House 141 Republicans to 105 Demoand with either Florida, Louisiana, South Carolina or Wisconsin Tilden is elected, and in our opinion, Mr. Tilden will carry both Florida and Louisiana, and has an equal show for the other two Statee, so far as indicated by the returns received.

news gatherers of New York City papers did not find any of those Tilden clubs turning over in bodies to Hayes? But they did not. The truth is as we have stated before. It was a success too, as will be seen by the vote of California and Oregon.

## Washington Territory.

From the meagre returns thus far received from this Territory we believe that Mr. Judson, the Democratic candidate has beaten Mr. Jacobs.

There are many little things which had a bearing on the election just passed that have not lost all their interest as yet. One of them is about the letter of Mr. Tilden on Southern Claims. It was surmised and hinted by telegraph that it would turn the South against him. By mail we learn that it was endorsed by the Democratic party of Mississippi.
