Thanksgiving Proclamation by the Governor.

In accordance with time-honored custom, and in acknowledgement of abundant blessings which have been vouchsafed to the people of this State at the hand of an All-wise Providence during the year just drawing to a close, I recommend the observance of Thursday, the 30th day of November, 1876, as a day of thanksgiving and praise to Almighty God, the Giver of every good and perfect gift.

In testimony whereof, I have hereunto set my hand and caused the seal of said State to be affixed, at the city of Salem, this 13th day of November, 1876.

L. F. GROVER.

By the Governor:
S. F. CHADWICK, Secretary of State.

COUNTY COURT.—This body met pursuant to adjournment on Monday last. But little business was transacted except the auditing of claims, the total amount of these being $7,455 92, about $3,000 of which was for bridges. The contract entered into with Dr. Harris at the September term for medical attendance on paupers was annulled, the court holding that "medical attendance" must be construed to include medicines, which view was not concurred in by the doctor.

THE NEW LAW OF ATTACHMENT.—The late Oregon Legislature amended the attachment law so as to provide that an attachment may be sued out to hold property of the defendant until the questions at issue in the suit are decided. The affidavit of the party suing out an attachment, need not state that the affiant believes the defendant is endeavoring to put his property out of his hands to defraud his creditors, but that he is justly indebted to the affiant and that the same has not been paid.

THANKSGIVING SERVICE.—There will be a union Thanksgiving service November 30th, at the Baptist church in this city. Preaching by Rev. E. R. Geary of the Presbyterian church.

INCREASING.—The number of scholars in attendance at the district school has increased to such an extent that it has been found necessary to employ another teacher. Miss [illegible] the disorder, without box or [illegible]

GONE OVER.—Rev. J. McCormac, who was for several years pastor of the Episcopal church in this place, has made application to the Methodist church for admission into the ministry of that body.

A FAINT-HEATED LOVER.—The Standard of the 22d has the subjoined item:

A young man hailing from Eugene embarked upon the Northern bound train yesterday morning with a young lady who had given him her heart and was willing to give him her hand also whenever a minister was willing to perform the ceremony, and it was with this object in view that they traveled toward the metropolis. A Sheriff from one of the upper counties who had wormed himself into the young man's secret, determined to have some sport at his expense and after leaving Oregon City he announced to him his intention of taking him in custody as soon as they reached Portland. The young man had an instinctive dread of Sheriffs and the minions of the law in general and determined to elude them if possible. When the train stopped at Milwaukee he attempted to get off but was prevented by his shadow the Sheriff, who did not wish to press the joke to such an extremity. At the car shops the young swain was narrowly watched, but when the train had got in motion and was traveling at the rate of about ten miles an hour he forced open the door of the car and made the desperate leap leaving his inamorata to the tender mercy of strangers. We cannot say what the final upshot of this romance in real life may be, but it seems probable that the maiden's hate will transplace her love and that she will seek a lord of braver material. Mrs. Tompkins, who had herself just been made happy by the release of her husband, who had been unjustly confined in the penitentiary for another man's crime, took pity upon the innocent girl in the fullness of her heart, offered her a mother's protection and such accommodations as were at her disposal.

Brief Mention.

Thanksgiving next Thursday.

The season of spare-ribs and back-bones is upon us.

F. T. Singer has quit farming and has opened a meat market at Junction.

Elder P. R. Burnett will preach at the Church to-morrow at 11 A. M. and 7 P. M.

The bridge across the Mohawk cost $687, one half of which was paid by the county.

The roses have done blowing for this year, but the noses took it up where the roses left off.

That prince of frauds Mart Taylor has opened another commercial college—thistime at Walla Walla.

Owing to the breeking of a wheel under a box car the mail train from the south on Thursday was three hours late.

Messrs. Harlow & Bond have begun the manufacture of artificial stone in the building formerly occupied by Levi Linder on Ninth street.

To fasten labels on tin cans, put a teaspoonful of brown sugar into a quart of paste and it will fasten labels as securely on tin as on wood.

William Arlington, the justly celebrated speciality artist, has formed a copartnership with Mr. R. C. White and together intend making a tour of the State. Mr. Arlington has no superior in his character delineations, and Mr. White's ability is well known throughout the State.

THE LAUREAN SOCIETY.—The Oregonian says this is the name of a debating society organized some time ago by young men students attending the State University at Eugene. Last Friday evening the fate of this glorious nation was discussed. The question, "Does the present aspect of affairs portend the downfall of the American Republic?" was vigorously discussed by this society, Mr. J. L. Wortman being leader of the affirmative and Mr. H. E. McGinn being leader of the negative side. This momentuous question was decided affirmatively. Office holders may now consistently make up their minds to retire to private life in a few months. The following are the officers of this society: J. L. Wortman, president; E. E. Burke, vice president; T. C. Judkins, Secretary; G. A. Dorris, treasurer; C, A. Woody, censor; H. E. McGinn, sergeant-at-arms.

WHEAT.—Buyers yesterday were offering 78 cents for wheat, but no one seems anxious to sell even at that figure. Nearly all the wheat stored here after harvest has been shipped below, that remaining belonging to producers who will hold it over unless it reaches a price which suits them.

ELECTION RETURNS are important matters, but it is of no less importance to know where to get good meats. To obtain these you must go to Becker & Boyd. If, as is generally the case at this season of the year, you want beef to pickle you can get it from them cheaper than you can from anyone else.

All persons indebted to Jas. McClaren are hereby notified to make settlement of the same on or before Jan. 1, 1877. After that date trouble will commence. JAS. MCCLARES

This being the Centennial year, it is the duty of everyone to plant at least one tree. Go and see his stock. He also has currants, blackberries and grape vines, etc.

HOLLOWAY'S OINTMENT.—Erysipelas and all inflammatory diseases yield to a diligent use of this powerful preparation. In the foot, hand and neck, their approach should be checked at once—if suppuration ensues danger is imminent, and the knife cannot be employed without jeopardizing life. This [illegible] or D. [illegible] immediately costs will be added thereto after the 1st day of December, 1876. D. CHERRY.

Meals at the St. Charles Hotel will hereafter be 37½ cents. MRS. A. RENFREW.

Protect Your Buildings.
Which may be done with one-fourth the usual expense by using our
PATENT SLATE PAINT,
MIXED READY FOR USE.
Fire-Proof, Water-Proof, Durable, Economical and Ornamental.
A roof may be covered with a very cheap shingle, and by application of this slate be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better, and lasting longer than new shingles without the slate for
One-Third the Cost of Re-Shinglingi
The cost of slating new shingles is only about the cost of simply laying them. The paint is FIRE-PROOF against sparks or flying embers, as may be easily tested by any one.
IT STOPS EVERY LEAK,
and for tin or iron has no equal, as it expands by heat and contracts by cold, and NEVER CRACKS nor scales. Roofs covered with tar sheathing felt can be made water tight at a small expense, and preserved for many years.
This slate paint is
EXTREMELY CHEAP.
Two gallons will cover a hundred square feet of shingle roof, while on tin, iron, felt, matched boards, or any smooth surface, from two quarts to one gallon are required to 100 square feet of surface, and although the paint has a heavy body it is easily applied with a brush.
No Tar is Used in this Composition,
Therefore it neither cracks in winter nor runs in summer.
On decaying shingles it fills up the holes and pores, and gives a new and substantial roof that will last for years. CURLED OR WARPED shingles it brings to their places and keeps them there. It fills up all holes in felt roofs, stops the leaks, and although a slow dryer, rain does not effect it a few hours after applying. As nearly all paints that are black contain tar, be sure you obtain our GENUINE article, which (for shingle roofs) is
Chocalate Color,
when first applied, changing in about a month to a month to a uniform slate color, and is to all intents and purposes SLATE. On
TIN ROOFS
our red color is usually preferred, as one coat is equal to five of any ordinary paint. For
BRICK WALLS
our BRIGHT RED is the only reliable Slate Paint ever introduced that will effectually prevent dampness from penetrating and discoloring the plaster.
These paints are also largely used on outhouses and fences, or as a priming coat on fine buildings.
Our only colors are CHOCOLATE, RED, BRIGHT RED and ORANGE.

HOLLOWAY'S PILLS.
☞ Let the Suffering and diseased read the following.
☞ Let all who have been given up by Doctors, and spoken of as incurable, read the following.
☞ Let all who can believe facts and can have faith in evidence, read the following.
Know all men by these presents, That on this, the Twentieth day of June, in the year of Our Lord, One Thousand Eight Hundred and Sixty-six, personally came Joseph Haydock to me known as such, and being duly sworn deposed as follows: "That he is the sole general agent for the United States and dependencies thereof for preparations or medicine known as Dr. Holloway's Pills and Ointment, and that the following certificates are verbatim copies to the best of his knowledge and belief. JAMES SMEITRE,
[L. S.] Notary Public,
14 Wall Street, New York.
DR. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, Doctor, [illegible] and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D.
This is to certify that I was discharged from the army with chronic diarrhœa, and have been cured by Dr. Holloway's Pills. WILSON HARVEY,
New York, April 7, 1866. 21 Pitt street.
The following that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 8 weeks after the accident:
NEW YORK, Jan. 11, 1875.
My name is Jacob Hardy; I am iron founder, I was badly burn by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see me at Jackson's Iron works, 24 Avenue. J. HARDY, 119 Goerch street.
EXTRACTS FROM VARIOUS LETTERS.
"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvellous."
"I send for another box and keep them in the house."
"Dr. Holloway cured my headache that was chronic."
"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."
"My nausea of a morning is now cured."
"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and noise has left."
"Send me two boxes, I want one for a poor family."
"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your Pills"
"Let me have three boxes of your Pills by return mail, for Chills and Fever."
I have over 200 such testimonials as these, but want of space compels me to conclude.
FOR CUTANEOUS DISORDERS
And all eruptions of the skin, this Ointment is invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.
HOLLOWAY'S PILLS
Invariably cure the following diseases:
DISORDERS OF THE KIDNEYS.
In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.
FOR STOMACHS OUT OF ORDER.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the liver and stomach.
Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blotches on the skin, Bowel Complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentary, Erysipelas, Female irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflamation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone & Gravel, Secondary Symptom, Tic-Douloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.
IMPORTANT CAUTION.
None are genuine unless the signature of J. HAYDOCK, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same knowing them to be spurious.
*** Sold at the manufactory of Professor HOLLOWAY & Co., New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.
☞ There is considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each box.
