I desire especially to call attention to my remarkably fine specimens of AMAZON STONE, of which I have or have had nine-tenths of all the speci-mens ever found. I have made six trips to the locality, and think I may safely say no more will be found. Good crystals from 15 cents to

Collections of Minerals

For Students, Amateurs, Professors, Physi cians and other Professional Men.

These collections illustrate all the principal species and all grand subdivisions in Dana and other works on Mineralogy; Every Crystalline system; all the principal Ores and every known element. The collections are labelled with a printed label that can only be removed by soaking. The labels give Dana's species, number, the name, locality, and in most cases the composition of the mineral.

All collections accompanied by an Illustrated Catalogue and table of species.

ex.
The herbarium of Iowa plants that received the Highest Award, is placed in my hands for sale, for \$250. The case alone is worth \$150.

Several \$1,000 worth of Rocky Mountain Birds, Shells, Botanical Specimens, Mound Builders Relies, &c., on hand.

CHEAP READING:

The "WAVERLY MAGAZINE" is the The "WAVERLY MAGAZINE" is the handsomest and largest literary in the United States. The articles are all complete in each number. It also contains a page of music for the Piano, and double the reading of any other paper. Sixteen different numbers will be sent to any part of the country, post-paid, for one dollar. No one will regret taking a dollar's worth as it will give good reading for three months.

MOSES A. DOW, Boston Mass.

GEO. J. BUYS, AND JOB PRINTER

WASHINGTON, D. C., Dec. 11, 1876. is really deplorable. The meeting of cast, Congress is generally the signal for A conspir cy has been formed to at a premium. The river is one sheet board for the choice of the people. tional powers as declared in the uni-36 miles below the city.

Were the cold weather and lack of slight, but far graver matters than these demand the consideration of every citizen. He who thinks that the the signs of the times. No bolder attempt at the subversion of the rights of any people were ever made than are now being made by the plotters who made the false counts in the three States, and now expect to thrust that falsehood down the throat of the people. They have triumphed over the Courts and common decency, and now they expect to triumph over Congress and the people. Whether they will succeed, time alone can determine. I of course can only give you what are accepted here as fixed facts. It is currently stated that the Radical programme has all been arranged, and that it embraces the counting in of Mr. Haves under any and all circumstances. It is stated that the timehonored custom of counting the votes in the hall of the House on this occasion will not be followed, but that the ceremony will be performed in the Senate Chamber. The members of the House will simply be notified that the counting is to take place and seats SPRING & SUMMER TRADE! will be provided for them in the Senate. But no more attention will be paid to members than to visitors in the gallery. Grant is fully aware of all that is in contemplation. He is reported to have told Col. Mosby that he considered Hayes elected and that he should be inaugurated if it took the whole army and navy to do it. And he took occasion to inform Mosby that if any such military extremity arose he (Mosby) should have a larger command than any he had during the war. Mosby himself is authority for GOODS, this statement-having repeated it to four gentlemen in the lobby of the

According to the latest advices quiet reigns in Columbia-not exactly the same, but very similar to that which reigned in Warsaw. In Warsaw it was a quiet bathed in blood, but in Columbia it is a quiet wrapped in the mantle of Wade Hampton's great good sense and self-abnegation. A movement is on foot here to subanother hundred. I have no doubt of local law in its organization, and by the fraudulent exercise of its powthat inquiry can be made into the conduct of four men who so undertook to control the Presidential election by fraudulent means. They believe it is the daty of the House of Representatives to see the proposed wrong is having tested their efficacy in many hundred connection with the candidacy or election of Radicals as Senators in this State and in other States, but the daty of the House of Representatives to see the proposed wrong is defeated, even should the Senate attempt to maintain it. The opinion prevails generally, and I believe uniterated at the research of bribery in conduct of four men who so undertook to control the Presidential election by fraudulent means. They believe it is this State and in other States, but wherefore? They are as well known as the corruption of Radical politics generally, and do not require special mention. But it is proper that we should say something of how the matter than the property of the House of Representatives to see the proposed wrong is defeated, even should the Senate attempt to maintain it. The opinion prevails generally, and I believe uniterated at their efficacy in many hundred connection with the candidacy or election of Radicals as Senators in this State and in other States, but wherefore? They are as well known as the corruption of Radical politics generally, and do not require special mention. But it is proper that we should say something of how the matter than the most gratifying success. It is a fact known to every well-informed physical than many single remedies possess different properties. Quinine, for instance, has a tonic quality, which suggests its use in cases of debility; an unit-periodic by which it is efficacious in the should say something of how the matter than the most gratifying access. It is a fact known to every well-informed physical than many single remedies possess different properties. Quinine, for instance, has a tonic quality, which suggests its use in the case of debility; and a tonic quality, which suggests its use in the case of debil cept anything in the shape of a gift. Persons knowing themselves indebted to me ther by note or account, are requested to make thereby note or account, are requested to make the during the recent canvass versally, among them, that the House ter stood or does stand in Oregon, as and the circumstances under which it is emin South Carolinar
