leans Deutsche Zeitung says :

Commenting upon the Presidential

Hayes and the South.

WASHINGTON, Dec. 18 .- The most often repeated and widely circulated political sensation has been that Gov.

Hayes received overtures from South-"We never had a more quiet and ern Democrats, wherein they promise orderly election. The Radicals had him their support in return for the prudently abandoned in the last hour control of the affairs and the patronage of the South. This has assumed at times such specific and definite conservative citizens, they reduced the shape as to warrant the most careful number to three thousand. In all investigation. The result of numerous interviews with leading public were en masse refused on insignificant Southern men shows, in the first place, that it is true that overtures tius to Pilate, and nowhere could they have been made to Mr. Hayes by obtain help against this tyranny of the Supervisors. In the middle of the persons who gave him to understand that they represented the South, but it is not a fact that any man or set of men of any prominence in the South have given ear or support to any such scheme. There is a set of plotters in the South who seek personal in case some trouble should result ends alone, and they are the class therefrom, then he would not interfere who have made representations to Mr. Hayes that the South was ready to support him on condition that he in return would give them certain guarantees.

swindled out of their right, whilst the Said a well-known Southern gentleman, this evening, a member of the House, "Any story of the South go-ing over to Hayes to support him is absurd, for many good reasons. In the first place, there is no one man por set of men in the South who can transfer its influence to Hayes if they so desired. In the second place, what influence is there in the S outh or in the North that can be transferred to the aid of Hayes that would help him in his attempt to secure the Presidential chair? In the third place, The minutes of the Florida State Mr. Haves is not able, nor could he Board of canvassers, published Dec. by any possible combination of cir-13; the letters of Gen. F. C. Barlow, cumstances be placed in a position where he could give the South any published Dec. 15 and Dec. 17; and the letter of C. A. Cowgill, one of the guarantee of anything in return for board, to Gen. Barlow, published in the Times of Dec. 15, taken together, which it might do. Mr. Hayes is a mere dummy, and is so regarded throughout the South. If he succeeds in his Presidential aspirations he will be run by the same class of 1. Gen. Barlow demonstrates that, men that now surround Grant. Through their aid alone will he accomplish, if ever, succes; to them he will owe everything. So that any talk of a division in the Democratic party upon the subject of Hayes is all

This provision of the life, constitution, it is believed, excludes and disqualifies deputy postmasters, from the appointment of electors; and the disqualifications relates to so apparent on the part of Republicans that the time of the appointments, and that a resignation of the office of committee to settle the electoral vote. that a resignation of the office of tution.

The Western Union Telegraph Company now say political dispatches were destroyed before the demand for them was made, and it consequently will be impossible to comply with the House's orders.

Inheritors of vast wealth are proverbially spendthrifts. The golden ore is dug from the mine, refined and coined by the labor of other hands and the sweat of other brows: Lake children playing with an expensive toy, they can form no just estimate of its value. When the donor weighed it he cast into the balance so many days of unremitting and fatiguing toil, so many anxious and sleepless nights, so much self-denial and so much care. But the inheritor into his balance throws only-pleasure. The one, values it by what it cost him; the other, for what it will parchase. Like the prodigal in the Scripture parable, he thoughtlessly expends it to gratify the caprice and cravings of his nature. Then comes the last scene-the misery, the remorse and the long and wearisome journey back to the home of frugal industry. But there are other prodigals. On her favorites our bounteous parent, Nature, has lavished her richest treasure-health. But the prodigal values it lightly, for it cost him nanght, its two Republican members have since published, not merely that the Soon the curtain rises on the last scene. We county returns, upon their face, show see him helpless, impoverished, --the rich treasures of body and mind all tost, --in misfor the Tilden electors had it kept The journey is long and tedious, but if he within the strict and proper limits of perserveringly follows the right road, he will at length see the haven of his hopes in the distance, and Nature, seeing her invalid child afar off, will come out to meet him, and re-crive him back with love and blessing.
