

The saddest sight in the world.

A correspondent of the S. F. Post who has visited Molokai, the home of the lepers of the Sandwich Islands, writes as follows:

Arriving at the hospital we dismounted, and lepers took charge of our horses. Lepers were to be seen on every side of us, to the north and south, the east and west of us. We are becoming acquainted with them and even growing familiar, for none of them are frightfully afflicted. But a sight awaits us now which will ever grow familiar with. This sight consists of the lepers in the hospitals who are actually rotting away minute by minute, day by day and year by year. The number of these poor creatures so frightfully mutilated by the terrible disease as to have a ghastly, inhuman appearance, is 32. One case, a young boy only eighteen years old, is a mass of putrid, swollen flesh, and bulged out to the size of a large man. He can neither walk nor stand, and sits on the floor, a helpless mass of flesh and blood. His voice is like the grunt of an animal. His hands, feet and body have holes eaten into them, as if bored by augurs, and a slimy, putrid matter, emitting a fearful stench, exudes from his flesh. Another case is that of a woman twenty-five years old, who can move no more from her squatted position on the floor, except as she is moved by her leper nurses. Her whole body is a mass of corruption, except her breast, and it looks as if nature was merciful to her, on account of her having reared a child—a half-white child—while thus afflicted. A more sweet and angelic child was never seen, and it loves and fondles its leprous mother as if she were the most beautiful queen in the world. Marvel of marvels, this child is perfectly pure and spotless, her skin being unusually clear and white for a half-cast. Some think that the child may never be afflicted, though others say that the disease may not break out before she grows to womanhood, but that it is sure to appear on the surface if she lives. A third case was that of a middle-aged woman, whose hands and feet were perforated with holes, eaten away by the disease. The layers of flesh about her eyebrows had almost hidden her eyes from view. When asked by a visitor, who spoke in native, if she was contented, she replied in the sweetest voice imaginable, "Why not? I am indeed happy."

free from excitement or partisan feeling; that the present condition of the country should be discussed with a calmness commensurate with the importance that the subject demands. C. B. BELLINGER, Chairman. J. K. WEATHERFORD, Secretary.

From the Salem Mercury we take the following relative to Oregon blankets:

We have been shown a letter received by Mr. Joseph Hoyt, of this city, formerly superintendent of the Willamette Woolen Mills, acknowledging the receipt of a pair of fine blankets manufactured by Mr. Hoyt expressly for Mr. Cunard, of the Cunard steamship line, London, England. Mr. Cunard says of them: "We are all delighted with them. None of us ever saw such fine blankets before. I slept under one of them last night. It would be impossible to use two, unless it was a very cold night. The pair sent were white lamb's wool, and gotten up in elegant style as to finish and trimmings with Mr. Cunard's name woven in, in German text, and year 1876."

Centaur Liniments

The Quickest, Surest and Unearliest Remedies.

Physicians recommend, and Farmers declare that no such remedies have ever before been in use. Words are cheap, but the proprietors of these articles will present trial bottles to medical men, gratis, and will guarantee more rapid and satisfactory results than have ever before been obtained.

THE CENTAUR LINIMENT, WHITE WRAPPER, will cure Rheumatism, Neuralgia, Lumbago, Sciatica, Caked Breasts, Sore Nipples, Frosted Feet, Chillsains, Swellings, Sprains, and any ordinary FLESH, BONE OR MUSCLE AILMENT. It will extract the poison of bites and stings, and heal burns or scalds without a scar. Lockjaw, Palsy, Weak Back, Caked Breasts, Earache, Toothache, Itch and Cutaneous Eruptions readily yield to its treatment.

Henry Black, of Ada, Harlin Co., Ohio, says: "My wife had the Rheumatism for five years—no rest, no sleep—could scarcely walk across the floor. She is now completely cured by the use of your Centaur Liniment. We all feel thankful to you, and recommend your wonderful medicine to all our friends."

James Hard, of Zanesville, O., says: "The Centaur Liniment cured my Neuralgia." Alfred Push, of Newark, writes: "Send me one dozen bottles by express. The Liniment has saved my leg. I want to distribute it, &c."

THE CENTAUR LINIMENT, YELLOW WRAPPER, is for the tough skin, flesh and muscles of HORSES, MULES AND ANIMALS. We have never yet seen a case of Spavin, Sweeney, Ring-bone, Wind-gall, Scratches or Poll-Evil, which this Liniment would not speedily benefit, and we never saw but a few cases which it would not cure. It will cure when any thing can. It is fully as good for a Farrier, when one dollar's worth of Centaur Liniment will do better. The following is a sample of the testimony produced:

JEFFERSON, Mo., Nov. 10, 1873. Some time ago I was shipping horses to St. Louis. I got one badly crippled in the car. With great difficulty I got him to the stable, on Fourth avenue. The stable keeper gave me a bottle of your Centaur Liniment, which I used with such success that in two days the horse was as active and nearly well. I have been a veterinary surgeon for thirty years, but your Liniment heads anything I ever used.

"A. J. McCARTY, Veterinary Surgeon." For a postage stamp we will mail a Centaur Almanac, containing hundreds of certificates, from every State in the Union. These Liniments are now sold by all dealers in the country.

MOTHERS,

CASTORIA is the result of 20 years experiment, by Dr. Samuel P. Pitcher, of Massachusetts. It is a vegetable preparation as effective as castor oil, but perfectly pleasant to the taste. It can be taken by the youngest infant and neither causes nor gripes. Dr. A. J. Green of Royston, Indiana, says of it:

"I have tried the Castoria and can speak highly of its merits. It will, I think, do away entirely with castor oil. It is pleasant and harmless, and is wonderfully efficacious as an aperient and laxative. It is the very thing. The Castoria destroys worms, regulates the stomach, cures Wind Colic, and permits of natural healthy sleep. It is very efficacious in colic, and for Teething Children. Honey is not pleasant to the taste, and Castor Oil is not so certain in its effects. It costs but 35 cents in large bottles. J. B. ROSE & CO., 46 Dey St., New York.

MARK THESE FACTS THE TESTIMONY OF THE WHOLE WORLD. HOLLOWAY'S PILLS.

Let the suffering diseased read the following. Let all who have been given up by doctors, and spoken of incurable, read the following. Let all who can believe facts and can have faith in evidence read the following.

Know all men by these presents, that on this the 26th day of June, A. D. 1866, personally came Joseph Haylock, to me known as such, and being duly sworn deposed as follows: That he is the sole general agent for the United States and dependencies thereof for preparation or medicines known as Dr. Holloway's Pills and ointment, and that the following certificates are verbatim copies of the best of his knowledge and belief. JAMES SMITH, [L.S.] Notary Public, 14 Wall Street, New York.

Dr. Holloway—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES SMITH, 116 Avenue D.

This is to certify that I was discharged from the army with chronic diarrhoea, and have been cured by Dr. Holloway's Pills. WILSON HARVEY, New York, April 7, 1866. 21 Pitt Street.

The following is an interesting case of a man employed in an iron foundry, who, in pouring melted iron into a flask that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 8 weeks after the accident: New York, Jan. 11, 1873.

My name is Jacob Hardy; I am iron founder, I was badly burnt by hot iron in November last; my legs burned, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see me at Jackson's Iron works, 21 Avenue D. J. HARDY, 119 Goerch street.

EXTRACTS FROM VARIOUS LETTERS. "I had no appetite; Holloway's Pills gave me a hearty one." "Your Pills are marvellous." "I send for another box and keep them in the house." "Dr. Holloway cured my headache that was chronic." "I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day." "My nausea of a morning is now cured." "I am cured of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and noise has left." "Send me two boxes, I want one for a poor family." "I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar." "Send me five boxes of your Pills." "Let me have three boxes of your Pills by express for Chills and Fever." "I have over 300 such testimonials as these, but want of space compels me to conclude."

FOR CUTANEOUS DISORDERS And all eruptions of the skin, this Ointment is invaluable. It does not heal externally alone, but penetrates to the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS Invariably cure the following diseases: DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER. No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They are given to any one rendering it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and stomach. Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blisters on the skin, Bowel Complaints, Colic, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone & Gravel, Secondary Symptom, T. D. Gonorrhoea, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.

IMPORTANT CAUTION. None are genuine unless the signature of J. HAYLOCK, as agent for the United States, suri rounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same knowing them to be spurious.

of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persist in concealing their condition from a motive originating in mistaken delicacy and a desire to silence until their miseries become too acute to be repressed, and mental and physical suffering render the sufferer for the duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Weakness, and all the distressing forms of Self-Abuse, or Onanism; Gonorrhoea, Stricture; Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible Diseases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons he has restored to health are enough to satisfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures, even in obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except at the express desire of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most successful remedies against diseases of all kinds.

He cures without mercury, charges moderate fees, treats his patients in a correct and honorable way, and has references of unquestionable character, from men of known respectability and high standing in society. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.

TO FEMALES. When a female is afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, derangement of digestive functions, general debility, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to Dr. W. D. DOHERTY, at his Medical Institute, and she will receive every possible relief and help. Let no false delicacy prevent you, but apply immediately, and save yourself from painful suffering and premature death.

TO CORRESPONDENTS. Patients (male or female) residing in any part of the country however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacredly.

The Doctor is a regular graduate, and may be consulted with every confidence. If the disease be fully and candidly described, personal communication will, in most cases, be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies) will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Should your condition require immediate attention, send ten dollars in coin, (or that value in currency) by Mail, or Wells, Fargo & Co.'s Express, and a package of medicines will be forwarded to your address, are respectfully assured that instructions for use.

OPINIONS OF THE PRESS. DR. DOHERTY is a skillful physician and honorable gentleman. Any statement he makes to his patients, he is sure to fulfill. PRIVATE MEDICAL AID

QUICK CURES MODERATE CHARGES

DR. W. K. DOHERTY'S PRIVATE MEDICAL SURGICAL INSTITUTE

No. 649 Clay Street, BETWEEN Kearny and Montgomery Streets, SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast, induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorf streets, in this city, to more commodious and eligibly located apartments, No. 649 Clay Street, where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms, (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of regard for the liberal patronage bestowed on him for the past thirteen years, at his old office, DR. DOHERTY desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at 649 Clay Street, on every variety of Disease of the Lung, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all SPECIAL DISEASES, of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware.
