Ten Thousand American Plows for Russia.

The *American Agriculturist* for March 1st says: one of the most noticeable of recent occurrences is the purchase of ten thousand American plows by the Russian Government, for distribution among the farmers of Russia. There is more in this than would would seem to be at first sight. It is certainly a great compliment as well as a valuable acknowledgement of merit to American agricultural implement makers, but it implies that the competition of American farmers in the European grain trade has touched what has been considered an invulnerable spot. The wheat growers of Southern Russia supply what is known as the Black Sea trade, and being much nearer to the market than we are, their wheat has had a great advantage over ours. But American wheat has displaced the Russian wheat, to a considerable extent, in the English market and the Russian farmers have now to exert themselves to hold even a portion of that trade. Hence it is determined to try the plows that we are using, with a view to produce wheat more cheaply than hitherto. But there is something else needed. The man that holds the plow is of more account than the plow, and there are no farmers in the world who are more intelligent or more skillful than American farmers. But we cannot afford to rest upon what we have gained. The important fact here noticed shows that our competitors are by no means idle, and intend to improve their methods of work as far as possible. We must meet their improvements by others of our own.

Cause of Sheep Losing their Wool.

There is no method or medicine—no feed or treatment that will arrest the wool from falling from the sheep once it has begun; for the reason that the injury is done to the fibre of the wool long before it begins to fall out. The wool, by some sickness or disease or some maltreatment in feeding, has been arrested in its continuous growth, and is broken or rotted, and when the new growth of wool starts, it pushes the old wool out till it drops. We often hear many wool-growers say, "I wonder what makes that sheep cast its fleece or drop its wool. It has been treated as well as the rest." But the fact is it has had a bad spell of some kind some time in the fall, and has been overlooked until the fleece tells the story. All the grain it will eat and the best of hay won't make the wool unite again after it is thus broken. Of course the sheep that are getting into the best condition with the grain feed are only hurrying up to grow a new fleece, and are sheding their old rotten coat faster than those that are not so well fed. That is the whole secret. The only way to save the wool is to shear it now and blanket the sheep, or keep them under cover till mild weather, with good feed. If they have any skin disease, or are troubled with ticks, you will then see it, and be prepared to apply the proper remedies. —*Michigan Farmer.*

ABYSSINIAN SLAVES.—A writer in *Macmillan's Magazine* says: "The Abyssinian girls are remarkably pretty, with large eyes, and delicately shaped features. These girls are brought down from the Galla country by the slave-dealers from Abyssinia. That beautiful country, which, had we not wantonly deserted it, might have become of great importance, is now a prey to anarchy. The opposing tribes are only too happy to sell their female prisoners to the Arab slave-traders. These people bring down the young girls in gangs by various routes, but the principal outlet is the Red Sea, about Massowa. A great market is at Gallabat, the frontier town of Abyssinia. There I have seen them crowded together in mat tents, waiting for purchasers from those commissioned to procure slaves by the wealthy Arabs and Turkish officials. At Gallabat a handsome young girl of sixteen is worth about £15, but the same girl at Cairo would fetch £40 or £50. The Abyssinian are a much advanced race compared with the negroes of Central Africa. The women are very affectionate and devoted to those who show them kindness. Thus, as they combine beauty with devotion, they are much sought for and command a high price in the market. They are seldom purchased by common people, as their price is too high, and they cannot earn money by bodily labor like negresses, being too delicate and unable to sustain fatigue. Although they are generally termed Abyssinians (*Habbesheed*) I have never met with a true high-caste Abyssinian girl—those would-be Christians; whereas all I have seen have been Gallas, a Mohammedan race. Many of these poor girls die from fatigue on the desert journey from Gallabat to the sea coast. Those who reach Khartoum or the towns of Lower Egypt are sold to the wealthy, and generally take a high position in the harems, often becoming the wives of their purchasers. In the Soudan I have met several charming Abyssinian ladies, who, having married European resident, have become perfectly civilized; proving the race is capable of great advancement."

Upon the strength of another action, under the forms of law, Senator Patterson has had an interview with Hampton, and promised to work for peace and harmony in the State.

In addition to the purser, freight clerks are now employed on the O. S. N. Co.'s boats.

CENTAUR LINIMENTS.

One kind for the Human Family.
The other for Horses and Animals.

These Liniments are the wonder of the world. Their effects are little less than marvellous.

The White Liniment is for the human family. It will drive Rheumatism, Sciaticia and Neuralgia from the system; cures Lumbago, Chilblains, Lock-jaw, Palsey, Itch, and most Cutaneous Eruptions; it extracts frost from the frozen hands and feet, and the poison of bites and stings of venomous reptiles; it subdues swellings, and alleviates pain of every kind. The Centaur Liniment is used with great efficacy for Sore Throat, Toothache, Caked Breasts, Earache, and Weak Back. The following is but a sample of numerous testimonials:

"INDIANA HOME, Jeff. Co., Ind., May 28, 1873.

"I think it my duty to inform you that I have **suffered** much with **swollen feet and chords.** A few bottles of Centaur Liniment has **done the work** for me. I have not been **free** from these swellings in **eight years.** Now **I am perfectly well.** The Liniment ought to be applied warm. BENJAMIN BROWN."

The proof is in the trial. It is reliable, it is handy, it is cheap, and every family should have the White Centaur Liniment.

THE YELLOW CENTAUR LINIMENT is adapted to the tough muscles, cords and flesh of horses and animals. It has performed more wonderful cures, in three years, of Spavin, Strain, Windgalls, Scratches, sweeny, and general Lameness, than all other remedies in existence. Read what the great Expressmen say about it:

"NEW YORK, January 1874.

"Every owner of horses should give the CENTAUR LINIMENT a trial. We consider it the best article ever used in our stables.

"H. MARSH, Supt. Adams Ex. Stabes, N. Y.
"E. PULTZ, Supt. U. S. Ex. Stables, N. Y.
"A. S. OLIN, Supt. Nat. Ex. Stables, N. Y."

The best patrons of this Liniment are Farriers and Veterinary Surgeons, who are continually using some Liniment. It heals Galls, Wounds and Poll-Evil, removes swellings and is worth millions of dollars annually to Farmers, Liverymen, Stock-growers, Sheep-raisers, and those having horses or cattle.

What a Farrier cannot do for $20 the Centaur Liniment will do at a trifling cost.

These Liniments are sold by all dealers throughout the country. They are warrented by the proprietors, and a bottle will be given to any Farrier or physician who desires to test them.

THE TESTIMONY OF THE WHOLE WORLD.
HOLLOWAY'S PILLS.

Let the suffering diseased read the following.

Let all who have been given up doctors, and spoken of incurable, read the following.

Let all who can believe facts and can have faith in evidence read the following.

Know all men by these presents, that on this the 20th day of June, A. D. 1866, personally came Joseph Haydock, to me known as such, and being duly sworn deposed as follows: That he is the sole general agent for the United States and defendencies thereof for preparation or medicines known as Dr. Holloway's Pills ank ointment, and that the following certificates are verbatim copies to the best of his knowledge and belief. JAMES SMIETRE,
[L.S.] Notary Public.
14 Wall street, New York.

DR. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with chronic diarrhœa, and have been cured by Dr. Holloway's Pills. WILSON HARVEY,
New York, April 7, 1866. 21 Pitt street.

The following is an interesting case of a man employed in an iron foundry, who, in pouring melted iron into a flask that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 8 weeks after the accident:

NEW YORK, Jan. 11, 1875.

My name is Jacob Hardy; I am iron founder, I was badly burn by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see me at Jackson's Iron works, 24 Avenue. J. HARDY, 119 Goerck street.

EXTRACTS FROM VARIOUS LETTERS.

"I had no appetite: Holloway's Pills gave me a hearty one."

"Your Pills are marvellous."

"I send for another box and keep them in the house."

"Dr. Holloway cured my headache that was chronic."

"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears and the noise has left."

"Send me two boxes, I want one for a poor family."

"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have five boxes of your Pills by return mail, for Chills and Fever."

I have over 200 such testimonials, but want of space compels me to conclude."

FOR CUTANEOUS DISORDERS

And all eruptions of the skin; this Ointment is invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS

Invariably cure the following diseases:

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches or pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomachs as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the livers and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blotches on the skin, Bowel complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentary, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflamation, Jaundice, Liver complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone & Gravel, Secondary Symptoms, Tic-Douloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.

IMPORTANT CAUTION.

None are genuine unless the signature of J. HAYDOCK, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same knowing them to be spurious.

PROPRIETARY MEDICINES
OF
DR. CHANDLER, F.R.S.A.,
Late Physician to St. George's and St. Bartholomew's Hospitals, London, Curator to St. Elizabeth's, etc.

After years of the most laborious research and investigation, and after the practical application in treatment to thousands of patients, Geo. Chandler, A.M., M.D., now presents to the American public the following remedies, his sole discovery and property, the efficacy of which is attested in the voluminous quantity of testimonials, the unsolicited offerings of suffering and discouraged patients, who have not only received relief and benefit from their continued use, but have been radically cured of ailments and chronic complaints, which have been adjudged by the most eminent physicians as hopeless.

THE WONDERFUL EGYPTIAN BLOOD-PURIFIER.
HÆMAR.

This incomparable DEPURATIVE is a powerful ALTERATIVE, TONIC, DIURETIC, DIAPHORETIC, and APERIENT, combining virtues which render it invaluable and never-failing, and by its continued use will thoroughly eradicate all diseases of the blood. Its ingredients are of a purely harmless extraction, the products gathered from remote Egyptian Provinces, and where there is the slightest taint of disease in the system, it never fails in ejecting that disease through the medium of the skin, or expelling it through the many and various channels of the body, thereby allowing, and, indeed, forcing all the organs into their proper normal and functional condition. A very brief space of time will convince any patient using it, of its undoubted reliability and wonderful curative properties, it being, most unquestionably, the very acme of medical triumphs, and the greatest discovery of the present age, in the treatment of every disease where the blood itself is primarily the seat of the lesion or disorder, such as SCROFULA and the thousand and one causes that lead to this terrible affliction, of which all civilized communities are cognizant, for Biblical Truth has asserted that the "Sins of the fathers shall visit even unto the third and fourth generations," and to BROKEN-DOWN AND ENFEEBLED CONSTITUTIONS it is a powerful rejuvenator, causing the wreck of man once more to assume the God-like form of manhood.

For CUTANEOUS DISEASES, URINARY DISORDERS, CONSTIPATION OR COSTIVENESS, LIVER AND KIDNEY COMPLAINTS, GENERAL AND NERVOUS DEBILITY, RHEUMATISM, GLANDULAR ENLARGEMENTS, EPITHELIOMATOUS CANCER, SCURVY, AFFECTIONS OF THE BONES, INDOLENT ULCERS, FEMALE COMPLAINTS (and to the gentler sex it is a boon long sought for by sensitive, susceptible, and delicate females, as it takes direct action upon their ailments) AND ALL FORMS OF CHRONIC DISEASE IN WHICH THE BLOOD IS THE SEAT OF THE TROUBLE, it is invaluable. A perseverance with this remedy will prove a positive and permanent cure for CHILLS and FEVERS and all MALARIAL POISONS.

Thousands of Testimonials attest the truth of these claims.

Price, One Dollar, in large bottle, or six bottles, $5.

DYSPEPSIA.
GASTRON.

GASTRON is a safe, speedy, and positive cure for that most depressing of ailments, and a brief course of treatment will restore the digestive organs to their pristine strength, and promote the healthy action of the stomach and intestines. The nervous irritability of literary and all persons pursuing a sedentary life, is speedily removed by this agent. The stomach is restored to health and the keynote of the system will once more respond in the performance of labor.

Price, One Dollar, in large bottle, or six bottles, $5.

BRONCHITIS AND LUNG AFFECTIONS.
TRACHEON.

A slight so-called cold will ofttimes lead to a serious cough, which, uncared for or badly treated, must have but one result—it must eventuate in a settled case of BRONCHITIS, or what is worse, the deadly CONSUMPTION. To all suffering from harassing cough and expectoration, TRACHEON offers a sound, reliable, and permanent relief. It augments expectoration, and enables the patient to expel that terribly septic deposit, which, if left without judicious treatment, must communicate its poison to the vesicular substance of the lung, degenerating and destroying that most essential of organs, and ultimates only in an early and untimely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby affording great relief, but heals the membrane and leaves the patient in possession of healthy lung tissue.

Price, Fifty Cents per bottle, or six bottles, $2.50.

PILES. Hemorrhoids.
PILON.

Many causes tend to produce this painful and distressing state. The blood is retarded in its return; the too frequent use of drastic purgatives tends to produce congestion of the bowels, torpid action of the liver, and numerous other causes are the source of this complaint, and hitherto nothing effectual has been presented to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In PILON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received not only benefit, but have been radically cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessitated the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are cognizant of its merits, as the only known sure cure for PILES.

Price, Fifty Cents per package, or six for $2.50.

THE ABOVE REMEDIES ARE thorough in the eradication of the different and various maladies denominated, and are the result of patient, searching, laborious, and scientific investigation, embracing a period of many years, in Europe and America.

If the specific directions are complied with, thousands of patients will bear witness to their relative merits, and corroborate every assertion. Where there are many complications of disease, and patients so desire, DR. CHANDLER will be pleased to give all information, and treat by letter if necessary.

Descriptive and Explanatory Circular of the above remedies sent on receipt of stamp. If the PROPRIETARY MEDICINES are not on sale at your particular druggist's, send orders to

DR. CHANDLER,

PRIVATE MEDICAL AID
QUICK CURES
MODERATE CHARGES
DR. W. K. DOHERTY'S
PRIVATE MEDICAL & SURGICAL INSTITUTE

No. 649 Clay Street,
BETWEEN
Kearny and Montgomery Streets
SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast, induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorff streets, in this city, to more commodious and eligibly located apartments, at **No. 649 Clay Street,** where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of regard for the liberal patronage bestowed on him for the past thirteen years, at his old office,

DR. DOHERTY

desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at **649 Clay street,** on every variety of Disease of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all

SPECIAL DISEASES,

of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persist in concealing their condition from a motive originating in mistaken delicacy, and suffer in silence until their miseries become too acute to be repressed, and mental and physical debility unfits the sufferer for active duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Weakness, and all the distressing forms of Self-Abuse, or Onanism; Gonorrhœa, Gleet, Stricture; Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible Diseases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons he has restored to health, are enough to satisfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures, even in obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except at the express wish of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most successful remedies against diseases of all kinds.

He cures without mercury, charges moderate fees, treats his patients in a correct and honorable way, and has references of unquestionable veracity, from men of known respectability and high standing in society. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.

TO FEMALES.

When a female is afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, derangement of digestive functions, general debility, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to DR. W. K. DOHERTY, at his Medical Institute, and she will receive every possible relief and help.

Let no false delicacy prevent you, but apply immediately, and save yourself from painful suffering and premature death.

TO CORRESPONDENTS.

Patients (male or female) residing in any part of the country however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred.

The Doctor is a regular graduate, and may be consulted with every confidence.

If the disease be fully and candidly described, personal communication will, in most cases, be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies), will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Should your condition require immediate attention, send ten dollars in coin, (or that value in currency) by Mail, or Wells, Fargo & Co.'s Express, and a package of medicines will be forwarded to your address, with the necessary instructions for use.

Consultations, at the office or by letter FREE. Address W. K. DOHERTY, M. D., San Francisco, Cal.
