Old Drinking Habits in Maine.

The Brunswick, (Me.) *Telegraph* prints a communication, which, speaking of residents of the adjoining town of Topsham, fifty years ago, says: In one family of five persons, three of them would each punish three pints of New England rum every day; the other two perhaps a little less. Why I can be so specific, I was a clerk in a store at Topsham and had them for customers. Another instance we had an old man who was a customer when I went there and was there when I left, who purchased a pint and a half of gin every day, and Saturday three pints. He had it charged, paid his bill monthly, and never purchased another article to my recollection. His family consisted only of himself and wife and she an estimable woman, therefore he must have used all of it himself. The average sales at our store were at least $10 per day, amounting to $3,000 per annum. There were five other stores in Topsham, and I have every reason to believe that they sold as much rum as we did. Brunswick had three times as many stores, besides three successful hotels. (Topsham had none.) I think she must have sold at least double the quantity of Topsham. With New England rum at 40 cents a gallon, and the best imported liquors at $1, in almost every other family in Topsham there was a drunkard or drunkards. The evil became so great that the people became alarmed. Two generations of my own family on both sides of the house suffered severely.

Wide-Tired Wheels.

American Agriculturist.

This is another point we are pretty apt to overlook, greatly to our disadvantage. We suffer ourselves to be guided by wagon-makers, and the wheelwright knows very well that he lives by his trade, and that wear and rear is the life of trade. He serves himself when we are suited with narrow wheels. A set of wheels with 4-inch or 6 inch rims and heavy tires cost considerably more than a set 2½ inches wide, but an extra price is always put upon them. They are well worth it. A wagon or cart with a 6 inch tread will take heavy loads over soft meadows and hardly leave a track, where a narrow wheeled wagon with a similar load could not go at all. On country roads, such broad tread vehicles destroy ruts and act like rollers, making the roads agreeable for light carriages, and keeping them in much better order throughout the year. It would be a real blessing to every State of the Union to put so heavy a tax on narrow wheels upon heavy wagons and carts that they would become quite obsolete. Millons of dollars would be saved to the people of each State in repairs of roads, in repairs of wagons, and in horse-flesh.

Thurman on Quo Warranto.

In a debate in the Senate, February 25, 1875, Senator Thurman made some remarks which may be made applicable hereafter in case of a writ of quo warranto about the Presidency. Mr. Thurman said: "Suppose a contest of the office of President. Suppose that one man is declared, in pursuance of the Constitution, to be President of the United States; of course, then he is inaugurated; and then a contest is begun by quo worranto in the Circuit Court of the United States; that Circuit Court enters a decree ousting the President from his office, an appeal is taken to the Supreme Court, and the Supreme Court affirms the decision. How are you going to enforce it? It is made the duty of the President to see that the laws are faithfully executed. How are you going to enforce that? The Supreme Court has no power to do it. It commands no army; it has no treasury. How can you enforce a judgment of ouster against the man who is de facto President of the United States and has the army at his back? Was it ever intended by our fathers that any such state of case as that should arise? It seems to me certainly not. It seems that these considerations abundantly show that the idea of contesting the office of chief magistrate of the United States in any court whatever is not to be entertained for a moment.

Oregon's Next Legislature.

From the Standard.

The Oregon Legislature is composed of thirty Senators and sixty House members. Of the hold-over Senators there are ten Democrats, four Republicans and one Independent. One new Senator is to be elected from each of the following counties: Baker, Benton, Clackamas, Grant, Jackson, Lane, Multnomah, Umatilla and Yamhill; one from Clatsop and Tillamook; two from Linn and three from Marion, making fifteen in all. Out of these the Democrats are sure of electing the six from Baker, Jackson, Lane, Linn and Umatilla counties. They have an equal chance of securing one each from the following counties: Benton, Grant and Yamhill, and Clatsop and Tillamook. We shall count strongly on a majority of ten. In the House we have twenty-seven about as safe as things generally are, and an equal chance for twelve more. The Republicans are sure of only five. The remaining six are in Multnomah county, the home of liberal minded merchants and independent voters. We shall make a mighty racket for their suffrage in favor of free government and honest rule. Altogether our prospect is fine for putting Hipple into the shades of obscurity.

1,000,000 Bottles

OF THE

CENTAUR LINIMENTS

have been sold the last year, and not one complaint has reached us that they have not done all that is claimed for them. Indeed, scientific skill cannot go beyond the result reached in these wonderful preparations. Added to Carbolic, Arnica, Mentha, Seneca Oil and Witch-Hazel are other ingredients, which makes a family liniment that defies rivalry. Rheumatic and bed-ridden cripples have by it been enabled to throw away their crutches, and many who for years have been afflicted with Neuralgia, Sciatca, Caked Breasts, Weak Backs, etc., have found perfect relief.

Mr. Josiah Westlake, of Marysville, Ohio, writes:

"For years my Rheumatism has been so bad that I have been unable to stir from the house. I have tried every remedy I could hear of. Finally, I learned of the Centaur Liniment. The first three bottles enabled me to walk without my crutches. I am mending rapidly. I think your liniment simply a marvel."

The liniment cures Burns and Scalds without a scar, extracts the poison from bites and stings. Cures Chilliblains and frosted feet, and is very efficacious for Ear-ache, Tooth-ache, Itch and Cutaneous Eruptions.

THE CENTAUR LINIMENT, YELLOW WRAPPER, is intended for the tough, fibres, cords and muscles of horses, mules and animals.

READ! READ!

Rev. Geo. W. Ferris, Manorkill, Schoharie county, N. Y., says:

"My horse was lame for a year with a fetlock wrench. All remedies utterly failed to cure him and I considered him worthless until I commenced to use Centaur Liniment, which rapidly cured him. I heartily recommend it.

It makes very little difference whether the case be "wrench," sprain, spavin or lameness of any kind, the effects are the same. The great power of the Liniment is, however, shown in Poll-evil, Big-head, Sweeny, Spavin, Ring-bone, Galls and Scratches. This Liniment is worth millions of dollars to Livery men, Farmers and those having valuable animals to care for. We warrant its effects, and refer to any farrier who has ever used it.

CHILDREN.

A complete substitute for Castor Oil, without its unpleasant taste or recoil in the throat. The result of 20 years' practice by Dr. Sam'l Pitcher of Massachusetts.

Pitcher's Castoria is particularly recommended for children. It destroys worms, assimilates the food, and allows natural sleep. Very efficacious in Croup and for children Teething. For Colds, Feverishness, disorders of the bowels, and Stomach complaints, nothing is so effective. It is as pleasant to take as honey, costs but 35 cents, and may be had of any druggist.

This is one of the many testimonials:

"CORNWALL, PA., March 17, 1874.

"Dear Sir—I have used your CASTORIA in my practice for some time. I take great pleasure in recommending it to the profession as a safe, reliable and agreeable medicine. It is particularly adapted to children where the repugnant taste of Castor Oil renders it so difficult to administer. E. A. ENDERS, M. D."

Mothers who try Castoria will find that they can sleep nights and that their babies will be healthy.

HOLLOWAY'S PILLS.

Let the suffering diseased read the following.

Let all who have been given up doctors, and spoken of incurable, read the following.

Let all who can believe facts and can have faith in evidence read the following.

Know all men by these presents, that on this the 20th day of June, A. D. 1066, personally came Joseph Haydock, to me known as such, and being duly sworn deposed as follows: That he is the sole general agent for the United States and defendencies thereof for preparation or medicines known as Dr. Holloway's Pills ank ointment, and that the following certificates are verbatim copies to the best of his knowledge and belief. JAMES SMIETRE,
[L.S.] Notary Public.
14 Wall street, New York.

DR. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with chronic diarrhœa, and have been cured by Dr. Holloway's Pills. WILSON HARVEY.
New York, April 7, 1866. 21 Pitt street.

The following is an interesting case of a man employed in an iron foundry, who, in pouring melted iron into a flask that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 8 weeks after the accident:

NEW YORK, Jan. 11, 1875.

My name is Jacob Hardy; I am iron founder, I was badly burn by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see me at Jackson's Iron works, 21 Avenue. J. HARDY, 119 Goerck street.

EXTRACTS FROM VARIOUS LETTERS.

"I had no appetite: Holloway's Pills gave me a hearty one."

"Your Pills are marvellous."

"I send for another box and keep them in the house."

"Dr. Holloway cured my headache that was chronic."

"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears and the noise has left."

"Send me two boxes, I want one for a poor family."

"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have five boxes of your Pills by return mail, for Chills and Fever."

I have over 200 such testimonials, but want of space compels me to conclude."

FOR CUTANEOUS DISORDERS

And all eruptions of the skin; this Ointment is invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS

Invariably cure the following diseases:

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches or pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomachs as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the livers and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blotches on the skin, Bowel complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentary, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflamation, Jaundice, Liver complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone & Gravel, Secondary Symptoms, Tic-Douloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same knowing them to be spurious.

PROPRIETARY MEDICINES
OF
DR. CHANDLER, F.R.S.A.,

Late Physician to St. George's and St. Bartholomew's Hospitals, London, Curator to St. Elizabeth's, etc.

After years of the most laborious research and investigation, and after the practical application in treatment to thousands of patients, Geo. Chandler, A.M., M.D., now presents to the American public the following remedies, his sole discovery and property, the efficacy of which is attested in the voluminous quantity of testimonials, the unsolicited offerings of suffering and discouraged patients, who have not only received relief and benefit from their continued use, but have been radically cured of ailments and chronic complaints, which have been adjudged by the most eminent physicians as hopeless.

THE WONDERFUL EGYPTIAN BLOOD-PURIFIER.
HÆMAR.

This incomparable DEPURATIVE is a powerful ALTERATIVE, TONIC, DIURETIC, DIAPHORETIC, and APERIENT, combining virtues which render it invaluable and never-failing, and by its continued use will thoroughly eradicate all diseases of the blood. Its ingredients are of a purely harmless extraction, the products gathered from remote Egyptian Provinces, and where there is the slightest taint of disease in the system, it never fails in ejecting that disease through the medium of the skin, or expelling it through the many and various channels of the body, thereby allowing, and, indeed, forcing all the organs into their proper normal and functional condition. A very brief space of time will convince any patient using it, of its undoubted reliability and wonderful curative properties, it being, most unquestionably, the very acme of medical triumphs, and the greatest discovery of the present age, in the treatment of every disease where the blood itself is primarily the seat of the lesion or disorder, such as SCROFULA and the thousand and one causes that lead to this terrible affliction, of which all civilized communities are cognizant, for Biblical Truth has asserted that the "Sins of the fathers shall visit even unto the third and fourth generations," and to BROKEN-DOWN AND ENFEEBLED CONSTITUTIONS it is a powerful rejuvenator, causing the wreck of man once more to assume the God-like form of manhood.

For CUTANEOUS DISEASES, URINARY DISORDERS, CONSTIPATION OR COSTIVENESS, LIVER AND KIDNEY COMPLAINTS, GENERAL AND NERVOUS DEBILITY, RHEUMATISM, GLANDULAR ENLARGEMENTS, EPITHELIOMATOUS CANCER, SCURVY, AFFECTIONS OF THE BONES, INDOLENT ULCERS, FEMALE COMPLAINTS (and to the gentler sex it is a boon long sought for by sensitive, susceptible, and delicate females, as it takes direct action upon their ailments) AND ALL FORMS OF CHRONIC DISEASE IN WHICH THE BLOOD IS THE SEAT OF THE TROUBLE, it is invaluable. A perseverance with this remedy will prove a positive and permanent cure for CHILLS and FEVERS and all MALARIAL POISONS.

Thousands of Testimonials attest the truth of these claims.

Price, One Dollar, in large bottle, or six bottles, $5.

DYSPEPSIA.
GASTRON.

GASTRON is a safe, speedy, and positive cure for that most depressing of ailments, and a brief course of treatment will restore the digestive organs to their pristine strength, and promote the healthy action of the stomach and intestines. The nervous irritability of literary and all persons pursuing a sedentary life, is speedily removed by this agent. The stomach is restored to health and the key-note of the system will once more respond in the performance of labor.

Price, One Dollar, in large bottle, or six bottles, $5.

BRONCHITIS AND LUNG AFFECTIONS.
TRACHEON.

A slight so-called cold will ofttimes lead to a serious cough, which, uncared for or badly treated, must have but one result—it must eventuate in a settled case of BRONCHITIS, or what is worse, the deadly CONSUMPTION. To all suffering from harassing cough and expectoration, TRACHEON offers a sound, reliable, and permanent relief. It augments expectoration, and enables the patient to expel that terribly septic deposit, which, if left without judicious treatment, must communicate its poison to the vesicular substance of the lung, degenerating and destroying that most essential of organs, and ultimates only in an early and untimely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby affording great relief, but heals the membrane and leaves the patient in possession of healthy lung tissue.

Price, Fifty Cents per bottle, or six bottles, $2.50.

PILES. Hemorrhoids.
PILON.

Many ecuses tend to produce this painful and distressing state. The blood is retarded in its return; the too frequent use of drastic purgatives tends to produce congestion of the bowels, torpid action of the liver, and numerous other causes are the source of this complaint, and hitherto nothing effectual has been presented to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In PILON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received not only benefit, but have been radically cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessitated the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are cognizant of its merits, as the only known sure cure for PILES.

Price, Fifty Cents per package, or six for $2.50.

THE ABOVE REMEDIES ARE thorough in the eradication of the different and various maladies denominated, and are the result of patient, searching, laborious, and scientific investigation, embracing a period of many years, in Europe and America.

If the specific directions are complied with, thousands of patients will bear witness to their relative merits, and corroborate every assertion. Where there are many complications of disease, and patients so desire, DR. CHANDLER will be pleased to give all information, and treat by letter if necessary.

Descriptive and Explanatory Circular of the above remedies sent on receipt of stamp. If the PROPRIETARY MEDICINES are not on sale at your particular druggist's, send orders to

DR. CHANDLER,
1479 Broadway, New-York City.

PRIVATE MEDICAL AID

QUICK CURES MODERATE CHARGES

DR. W. K. DOHERTY'S

PRIVATE MEDICAL & SURGICAL INSTITUTE

No. 649 Clay Street,

BETWEEN

Kearny and Montgomery Streets

SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily Increasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorff streets, in this city, to more commodious and eligibly located apartments, at **No. 649 Clay Street**, where he has a spacious suite of handsomely fitted up and conveniently arranged Examination and Consultation Rooms (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of regard for the liberal patronage bestowed on him for the past thirteen years, at his old office,

DR. DOHERTY

desires to inform the General Public, and especially all those laboring under all forms of Chronic Complaints, that he can be consulted at **649 Clay street**, on every variety of Disease of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all

SPECIAL DISEASES,

of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy invalids for years persist in concealing their condition from a motive originating in mistaken delicacy, and suffer in silence until their miseries become too acute to be repressed, and mental and physical debility unfits the sufferer for active duties of life. This latter type of affliction manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Seminal Weakness, and all the distressing forms of Self-Abuse, or Onanism; Gonorrhœa, Gleet, Stricture; Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible Diseases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons he has restored to health, are enough to satisfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures, even in obstinate cases, and in every instance give relief. Diseases which formerly baffled the medical skill of the most learned and experienced Practitioners of the healing art, and were regarded by the majority of Physicians as utterly incurable, now readily yield to modern remedies, when prescribed by the intelligent Practitioner, who makes the human system, and these special ailments, his constant study and subject of observation.

In no case is publicity permitted except at the express wish of the patient; and the Doctor confidently trusts that his long experience and successful practice will continue to insure him a liberal share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most successful remedies against diseases of all kinds.

He cures without mercury, charges moderate fees, treats his patients in a correct and honorable way, and has references of unquestionable veracity, from men of known respectability and high standing in society. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.

TO FEMALES.

When a female is afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, derangement of digestive functions, general debility, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to DR. W. K. DOHERTY, at his Medical Institute, and she will receive every possible relief and help.

Let no false delicacy prevent you, but apply immediately, and save yourself from painful suffering and premature death.

TO CORRESPONDENTS.

Patients (male or female) residing in any part of the country however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred.

The Doctor is a regular graduate, and may be consulted with every confidence.

If the disease be fully and candidly described, personal communication will, in most cases, be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies), will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Should your condition require immediate attention, send ten dollars in coin, (or that value in currency) by Mail, or Wells, Fargo & Co.'s Express, and a package of medicines will be forwarded to your address, with the necessary instructions for use.

Consultations, at the office or by letter FREE. Address W. K. DOHERTY, M. D., San Francisco, Cal.
