

LEMON A CURE FOR CONSUMPTION.
—A correspondent of an English medical journal furnishes the following recipe as a new cure for consumption: Put a dozen whole lemons in cold water and boil until soft (not too soft), roll and squeeze until the juice is all extracted, sweeten the juice enough to be palatable, then drink. Use as many as a dozen a day. Should they cause pain or looseness of the bowels, lessen the quantity and use five or six a day until better. By the time you have used five or six dozen you will begin to gain strength and have an appetite. Of course as you get better you need not use so many. Follow these directions and we know that you will never regret it if there is any help for you. Only keep it up faithfully. We know of two cases where both of the patients were given up by the physicians, and were in the last stages of consumption, yet both were cured by using lemons accord- ing to the directions we have stated. One lady in particular was bedridden and very low; had tried everything that money could procure, she was finally persuaded to use the lemons. She began to use them in February, and in April she weighed 140 pounds. She is a well woman to-day, and like- ly to live as long as any of us.—Nash- na Telegram.

The fertilizing and stimulating bay- onet gave the Southern Democracy a growth that was truly phenomenal, remarks the Galveston News. It was this kind of cultivation that massed the great body of honest and intelligent white people, and the less ignorant and more public-spirited colored people, of the South, under the Democrat- ic banner in the last Presidential elec- tion, and made the popular vote of the Southern States solid for Tilden. No other kind of cultivation could have produced such a crop of Demo- cratic votes.

have been sold the last year, and not one complaint has reached us that they have not done all that is claimed for them. Indeed, scientific skill cannot go beyond the result reached in these wonderful preparations. Added to Car- bolic, Arnica, Mentha, Seneca Oil and Witch- Hazel are other ingredients, which makes a family liniment that defies rivalry. Rheumatic and bed-ridden cripples have by it been enabled to throw away their crutches, and many who for years have been afflicted with Neuralgia, Sciatica, Caked Breasts, Weak Backs, etc., have found perfect relief.

Mr. Josiah Westlake, of Marysville, Ohio, writes:
"For years my Rheumatism has been so bad that I have been unable to stir from the house. I have tried every remedy I could hear of. Finally, I learned of the Centaur Liniment. The first three bottles enabled me to walk without my crutches. I am mending rapidly. I think your liniment simply a marvel."

The liniment cures Burns and Scalds without a scar, extracts the poison from bites and stings. Cures Chilblains and frost-bite, and is very efficacious for Ear-ache, Tooth-ache, Itch and Cutaneous Eruptions.

THE CENTAUR LINIMENT, YELLOW WRAPPER, is intended for the tough, fibres, cords and muscles of horses, mules and animals.
READ! READ!
Rev. Geo. W. Ferris, Manokill, Schoharie county, N. Y., says:
"My horse was lame for a year with a fet- lock wrench. All remedies utterly failed to cure him and I considered him worthless until I commenced to use Centaur Liniment, which rapidly cured him. I heartily recommend it."

It makes very little difference whether the case be "wrench," sprain, spavin or lameness of any kind, the effects are the same. The great power of the Liniment is, however, shown in Pull-evil, Big-head, Sweeney, Spavin, Ring-bone, Galls and Scatches. This liniment is worth millions of dollars to Livestock Men, Farmers and those having valuable animals to care for. We warrant its effects, and refer to any farmer who has ever used it.

CHILDREN.

A complete substitute for Castor Oil, without its unpleasant taste or recoil in the throat. The result of 20 years' practice by Dr. Sam'l Pitcher of Massachusetts.

Pi cher's Castoria is particularly recom- mended for children. It destroys worms, assim- ilates the food, and allows normal sleep. Very efficacious in Croup and children Teething. For Colds, Feverishness, disorders of the bow- els, and Stomach complaints, nothing is so ef- fective. It is as pleasant to take as honey, costs but 33 cents, and may be had of any drug- gist.

This is one of the many testimonials:
"CORNWALL, PA., March 17, 1874.
"Dear Sir—I have used your CASTORIA in my practice for some time. I take great pleasure in recommending it to the profession as a safe, reliable and agreeable medicine. It is particularly adapted to children where the repug- nant taste of Castor Oil renders it so difficult to administer.

MARK THESE FACTS
THE TESTIMONY OF THE WHOLE
HOLLOWAY'S PILLS.

Let the suffering diseased read the following. Let all who have been given up doctors, and spoken of incurable, read the following. Let all who can believe facts and can have faith in evidence read the following.

Know all men by these presents, that on the 20th day of June, A. D. 1866, personally came Joseph Haydock, to me known as such, and being duly sworn deposed as follows: That he is the sole general agent for the United States and dependencies thereof for preparation or medicines known as Dr. Holloway's Pills and Ointment, and that the following certificates are verbatim copies to the best of his knowl- edge and belief. JAMES SMITRE,
[L.S.] Notary Public,
14 Wall street, New York.

Dr. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all suf- ferers. I could not stop writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D,
New York, April 7, 1866.

This is to certify that I was discharged from the army with chronic diarrhoea, and have been cured by Dr. Holloway's Pills. WILSON HARVEY,
New York, April 7, 1866. 21 Pitt street.

The following is an interesting case of a man em- ployed in an iron foundry, who, in pouring molten iron into a flask that was wet, caused an explosion. The molten iron was thrown against him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 8 weeks after the accident:
New York, Jan. 11, 1873.

My name is Jacob Harly; I am iron founder. I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This will true what the label can see me at Jackson's Iron works, 21 Avenue J. H. H. D. Y., 110 Church street.

EXTRACTS FROM VARIOUS LETTERS.
"I had no appetite; Holloway's Pills gave me a hearty appetite."
"Your Pills are marvellous."
"I send for another box and keep them in the house."
"Dr. Holloway cured my headache that was chronic."
"I gave one of your Pills to my babe for cholera morosa. The doctor said it would not do it."
"My nausea of morning is now cured."
"Your box of Holloway's Ointment cured me of sores in the head. I rubbed some of your ointment on the sores and the sores have healed."
"Send me two boxes, I want one for a poor fam- ily."
"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your Pills by return mail, for Chills and Fever."
"I have over 300 such testimonials, but want of space compels me to conclude."

FOR CUTANEOUS DISORDERS
And all eruptions of the skin; this Ointment is in- valuable. It does not heat externally alone, but penetrates with the most searching efforts to the very root of the evil.

HOLLOWAY'S PILLS
Invariably cure the following diseases:
DISORDERS OF THE KIDNEYS.
In all diseases affecting these organs, whether they secrete too much or too little water; or whether they are afflicted with stone or gravel, or with aches or pains settled in the loins over the region of the kidneys, these Pills should be taken ac- cording to the printed directions, and the patient should lie well rubbed into the small of the back at bed time. His treatment will give almost imme- diate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.
No machine will so effectually improve the tone of the stomach as that most delectable of all diets, occasional either by intemperance or improper diet. They reach the liver and induce it to a healthy action; they give it the necessary stimulus in- stead of spasm; in fact they never fail in curing all disor- ders of the liver and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Anemia, Bilious complaints, Blisters on the skin, Bowel complaints, Constipation of the Bowels, Con- sumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fever of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaun- dice, Liver complaints, Lumbago, Piles, Rheumat- ism, Retention of Urine, Scrofula or King's Evil, Sore Throat, Stomach & Gravel, Swollen Spleen, Symp- tom, Tendonitis, Tumors, Ulcers, Venereal Affec- tions, Worms of all kinds, Weakness from any cause, &c.

IMPORTANT CAUTION.
None are genuine unless the signature of J. H. HAYDOCK, as agent for the United States, is on the box of Pills and Ointment. A ban loan reward will be given to any one reporting such information as may lead to the detection of any party or parties counterfeiting the medicine, or vending the same knowing them to be spurious.
"Sold at the Manufactory of Professor Holloway & Co., New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in boxes at 25 cents, 60 cents and \$1 each." "There is a considerable saving by taking the larger size."
N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

BRONCHITIS AND LUNG AFFECTIONS.
TRACHEON.
A slight so-called cold will oftentimes lead to a serious cough, which, uncer- tainly for that, must have been one result—it must eventually in a settled case of BRONCHITIS, or what is worse, the CHRONIC AFFECTION. To all suffering from harassing cough and expectoration TRACHEON offers a sound, reliable, and permanent relief. It augments expecto- ration, effectually loosens the phlegm, and cap- tures the terribly septic deposit, which, if left without judicious treatment, must com- mence its poison to the vascular sub- stance of the lung, degenerating and de- stroying that most essential of organs, and ultimately only in an early and un- timely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby affording great relief, but heals the membrane and makes the patient in possession of healthy lung tissue.
Price, Fifty Cents per bottle, or six bottles, \$2.50.

PILES. Hemorrhoids.
PILON.
Many causes tend to produce this pain- ful and distressing state. The blood is retarded in its return; the too frequent use of drastic purgatives tends to produce congestion of the bowels, torpid action of the liver, and numerous other causes are the cause of its complaint, and hitherto nothing effectual has been proposed to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In FELLOWS we have a remedy which not only acts most instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received only benefit, but have been radical cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they could expect in life would be by an operation, and removing it from them from the body of a procedure which necessitated a long and painful recovery, and which, with all the skill of the most eminent and successful physicians, who are con- sidered of its merits, as the only known cure for PILES.

A very brief space of time will convince any patient using it, of its un- doubted reliability and wonderful curative properties, it being most unquestion- ably the very acme of medical triumph, and a great relief to all diseases, such as, in the treatment of every disease where the blood itself is primarily the seat of the lesion, or disorder, such as, SCURVY, GOUT, RHEUMATISM, AND ALL THE AFFECTIONS OF THE BLOOD, and one cause that lead to this terrible affliction, of which all civilized communities are afflicted. SAN FRANCISCO.

DR. DOHERTY'S Largely and Steadily In- creasing Practice, which has constantly kept pace with the unexampled increase and steady growth of the Pacific Coast, induced his removal from his long established and well-known quarters, on the corner of Sacramento and Leidesdorf streets, in this city, to more commodious and slightly elevated premises, at No. 649 Clay Street, where he has a spacious suite of hand- m fitted up and conveniently arranged Examination and Oper- ation Rooms (occupying the whole of the two upper stories) which patients may at all times visit, and see only the Doctor and his assistants.

With the most grateful sentiments of regard for the liberal patronage bestowed on him for the last thirty years, at his old office,
DR. DOHERTY
desires to inform the General Public, and espe- cially all those laboring under all forms of Chronic Complaints, that he can be consulted at 649 Clay Street, on every variety of Diseases of the Lungs, Liver, Kidneys, Digestive and Genito- Urinary Organs, and all
SPECIAL DISEASES,
of which the list is numerous, and which are more closely connected with the general health than the majority of people are aware. Unhappy victims of these diseases, in concealing their con- dition from a motive originating in mistaken de- cision, and suffer in silence until their misery be- comes too acute to be repressed, and mental and physical debility unite the sufferer for active relief. This latter type of suffering manifests itself in the complaint professionally known as Syphilis, in all its forms and stages; Scruvy, Weakness, and all the distressing forms of Self- Abuse, or Onanism; Gonorrhoea, Gleet, Stricture; Nocturnal (or Diurnal) Emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc. The number of persons suffering from these horrible dis- eases, in whom the Doctor has effected a radical cure, can be counted by the thousand, and the voluntary certificates in his possession, received from persons who have restored to health, are enough to sat- isfy all that the Doctor's skill in the treatment of these affections, enables him to warrant speedy cures, even in obstinate cases, and in every instance give relief. Diseases which formerly filled the hospitals of the most famous hos- pitals, and experienced Practitioners of the highest rank, and were regarded by the majority of physicians as utterly incurable, now readily yield to his remedies, when prescribed by the in- stitute. From this Institute, which makes the human system and those special ailments, his constant and subject of observation.

In no case is publicity permitted except at the express wish of the patient; and the Doctor's confident trust that his long experience and suc- cessful practice will continue to assure him a liberal share of public patronage. By the receipt of many years in Europe and the United States, he is enabled to apply the most successful re- medies against diseases of all kinds.
He treats his patients in a correct and busi- ness way, and has references and testimonials of veracity, from men of known respectability and high standing in society. All parties who may consult him by letter or otherwise, will receive the best and gentlest treatment.
