DR. FLATTERY'S PRACTICE is mostly the care of Chronic Diseases and cases given up by the best Physicians and Professors as incurable, and although over 27 years a graduate of a Medical College, his method of treatment is peculiar to himself, as he belongs to no Medical Schools, Creeds, Cliques, Clans, Scholastic Dognas or Straight Jacket Impracticable Medical Theories; but he belongs exclusively to the Medical Profession.

His practice is based upon the most strict principles of science; and there is nothing miraculous or supernatural about it; it is in harmony only with all Nature's laws. Many eminent Physicians of the various practices not only acknowledge his superior method in certain cases, but receive his treatment for themselves and families.

By this treatment it requires but a short time

By this treatment it requires but a short time for inveterate cases of almost any curable chron ic disease; and few diseases require a second treatment, except in Paralysis of Long Stand ing, Suppurating Tumors. Bad Curvatures of the Spine, etc., etc., and these cases are Cured.

The following are the Diseases which yield most readily to his peculiar treatment, to-wit:
