FLESH-COLORED .- She was a very dark-skinned lady, and for all the world knows to the contrary, the blood of one thousand African princes into a city dry goods store and asked for flesh-colored stockings. The young man bowed, smiled, and went to work looking over his stock in trade. Finally he brought forth the box, took the top off and displayed a lot of stockings as black as the higes of midnight which he warranted to be all wool. The colored lady looked at him, and, with the fires of liberty beaming out of both eyes, she claimed's "Look here, young man, what do you mean?" The plerk responded, "business madam." Do you call dem flesh colored stockings, asked the female customer. "Well they want to mean the colored stockings, and saked the female customer. No mineral or damaging substance is used in this preparation, and it is guaranteed to prevent hair falling out after four applications. Well-known cases of long-standing baldness have been successfully treated (as per testimonials in my possession). It will produce a full flowing care of hair on all stages of baldness, even to take most pronounced state. It will prevent hair from turning gray.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once healthy, and effeetual for preserving the hair. Faded or gray hair is soon restored to its original color,

with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

Bomaine Gold, so extensively worn in Paris, was first discovered in 1870, by the celebrated och chemist, Mons. D. Be Lainge, who manufactured it into jewelry, and for five years sold it to eading jewelers of Paris for Solid Gold. In 1878, when his secret became known, ten of the ufacturing jewelers established a stock company, with a capital of \$10,000,000 for the purpose of ufacturing Romaine Gold Jewelry and Watches. With this immense capital, and sid of improved machinery they are snabled to produce all the latest patterns of jewelry at less one-tenth the cost of Solid Gold, and of a quality and color which makes it impossible even for rist to detect it from the commite.

We have secured the exclusive agency of the United States and Canada, for the sale of all goods manufactured from this metal, and in order to introduce them in the most speedy manner, have put up asserted sample lots as given below, which we will sell at one-tenth the retail value until January 1st, 1878. DR. CHANDLER, F.R.S.A., Late Physician to St. George's and St. Bartholo-mew's Hospitals, London, Curator to St. Elizabeth's, etc.

After years of the most taborious research and investigation, and after the practical application in treatment to thousands of patients, Geo. Chandler, A.M., M.D., now presents to the American public the following remedies, his sole discovery and property, the efficacy of which is attested in the voluminous quantity of testimonials, the unsolicited offerings of suffering and discouraged patients, who have not only received relief and benefit from their continued use, but have been radically cured of ailments and chronic complaints, which have been adjudged by the most eminent physicians as hopeless.

THE WONDERFUL EGYPTIAN BLOOD-PURIFIER. HÆMAR.

This incomparable DEPURATIVE is a powerful ALTERATIVE, TONIC, DI-URETIC, DIAPHORETIC, and APERIENT, combining virtues which render it invaluable and never-falling, and by its continued use will thoroughly cradicate all diseases of the blood. Its ingredients are of a purely harmless extraction, the products gathered from remote Egyptian Provinces, and where there is the slightest taint of disease in the system, it never falls in ejecting that disease through the medium of the skin, or expelling it through the many and various channels of the body, thereby allowing, and, indeed, forcing all the organs into their proper normal and functional condition. A very brief space of time will convince any patient using it, of its undoubted reliability and wonderful eirnative properties, it being, most unquestionably, the very usems of medical triumphs, and the greatest discovery of the present age, in the treatment of every disease where the blood itself is primarily the seat of the lesion or disorder, such as SCROFULA and the thousand and one causes that lead to this terrible affliction, of which all civilized communities are cognisant, for Biblical Truth has asserted that the "Sins of the fathers shall visit even unto the third and fourth generations," and to BROKEN-DOWN AND ENFEEBLED CONSTITUTIONS it is a powerful rejuvenator, causing the wreek of men once more to assume the God-like

PILON.

Blany causes tend to produce this pain, ful and distressing state. The blood is retarded in its return; the too frequent use of drustic purgatives tends to produce congestion of the bovels, torpid action of the lowels, torpid action of the liver, and muserous other causes are the source of this complaint, and hitherto nothing effectual has been presented to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In PILON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received not only benefit, but have been radically cured, have been sawred prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessitated the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are cognistant of its merits, as the only known ours care for PILES.
