Mrs. H. A. Moore would announce to the Ladies and Gentlemen who desire the personal adornment of a fine suit of Hair, that she has patented her celebrated Hair Restorer, which has now been before the public for a space of two years, and has in every instance given entire satisfaction as to what it promises. No mineral or damaging substance is used fit this preparation, and it is guaranteed to prevent hair falling out after four applications. Well-known cases of long standing baldness have been successfully treated (as per testimonials in my possession). It will produce a full flowing crop of hair on all stages of baldness, even to form turning gray.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color,

with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
