WANTED TO TRADE.

From the Eureka Sentinel.

A blear-eyed, red-nosed disciple of alcohol, with a breath like a glue factory, and a general air of seediness, dropped into Clark's store yesterday, and with a curt, business-like way, asked the price of flour per barrel. Mac. took a look at the fellow, ciphered him down as a tramp who would probably invest in twenty five cents worth of crackers and cheese, but answered very civilly that it was ruling at $16.

"Well, get out your order book; I want to buy a bill of goods," responded Rummy. "About 500 pounds of breadstuffs will be near the mark."

Mac. sharpened his pencil, and put it down, wondering, meanwhile, who this bloated millionaire in disguise could be. The fellow run through a list of articles, mentioning bacon, tea, coffee, ham, etc., until the page figured up about $200. Then he got down to his work, and wanted to know if the institution kept on hand a really good article of whisky. Mac., instead of leading the way to the barrel, and asking the customer to sample it, merely mentioned over half a dozen favorite brands, the mere allusion to which made Rummy's mouth water. He anticipated an invitation to the rear of the store, but his measure had been taken, and all further efforts in that direction were futile.

"How about the flavor?" he inquired. I am a little particular about my regular beverage."

Mac. assured him it was way up.

"Smooth?" was the next question.

"Oil ain't a circumstance."

"High proof?"

"So it has proved to be."

"Got a five gallon demijohn?"

"Store full of 'em."

"Can I see a sample of that 'ere liquor.

"Yes, sir. When you pay for this bill of goods that you have ordered, I will throw in the whisky."

The fellow looked at Mac. sadly, scratched his head, and said he rather thought he could do better down at Sadler's. He backed out of the store, and the boys, who had been watching his little game, smiled audibly. Mac. is a little angry over the spoiling of a page of his book, and there are two black lines clear across that order.

Rummy joined another rounder over on the corner, and said, in tremendous tones: "She wouldn't work, Jimmy. That clerk over there is as hard-hearted as a Cardiff giant. Blast the luck. I'm as dry as a lime-burner's wig. Let's go spar Hank Knight; I voted for him, and I think that will fetch him."

WHAT WE LIKE.—We know of nothing that is more soul elevating to the publisher of a newspaper than to see a man refuse to take his local paper, and all the time sponging on his neighbor for the reading of it. When we ask a man to subscribe for our paper we do so simply because it makes our heart "flop" from one side of our breast to the other with joy when we hear him say: "I take more papers now than I read," and then find him seated on his neighbor's door-step eagerly watching our carriers to get a glimpse at the local page before the owner of the paper takes it in the house. There is also an "eternal fitness" in seeing a merchant or mechanic refusing to advertise in his home paper, and then consider himself justly entitled to a share of the trade which a newspaper brings to town.—Ex.

General Matthew Calbraith Butler, Senator from South Carolina for six years from March 4th, 1877, is a son of the Hon. William Butler, who was a congressman from South Carolina, and is the nephew of General Pierce M. Butler, who fell at Cherubusco at the head of the Palmetto Regiment, and is the nephew of Judge A. P. Butler, Senator from South Carolina. On his mother's side, he is a nephew of Commodore Oliver H. Perry. General Butler was graduated at the South Carolina College, and was elected to the Legislature in 1860. He entered the Confederate Army as Captain of cavalry, and was promoted, grade by grade, to the rank of Major-General. In the election of 1870, he was a candidate for Governor on the Union Reform Ticket, but was defeated. Last year he nominated General Hampton for Governor, and made an active canvass in his behalf.

The United States produces half the silver used by the world, and we are asked to deliberately disparage and depreciat it, in the interest of bondholders who purchased their securities under a contract by which their principal and interest was made payable in gold or silver coin. And yet these "wreckers" have the insolence to talk of repudiation.

Hon. D. W. Voorhees says: "You Republicans are welcome to the President. He has cost you enough in the way of labor and the loss of self-respect. Keep him. We don't want him. The price of your questionable transactions must be paid by you and not by us."

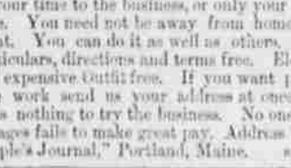
Ayer's Ague Cure,



For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

This is a compound remedy, prepared with scientific skill from vegetable ingredients, which rarely fails to cure the severest cases of Chills and Fever and the concomitant disorders. Such a remedy the necessities of the people in malarious districts demand. Its great superiority over any other medicine yet discovered for the cure of Intermittents is, that it contains no quinine or mineral, and those who take it are free from danger of quinism or any injurious effects, and are as healthy after using it as before. It has been extensively employed during the last thirty years in the treatment of these distressing disorders, and so unvarying has been its success that it has gained the reputation of being infallible. It can, therefore, be safely recommended as a sure remedy and specific for the **Fever and Ague of the West,** and the **Chills and Fever of the South.** It counteracts the miasmatic poison in the blood, and frees the system from its influence, so that fever and ague, shakes or chills, once broken up by it, do not return until the disease is again contracted.

The great variety of disorders which arise from the irritation of this poison, such as Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Splenic Affections, Hysterics, Pain in the Bowels, Colic, Paralysis, and derangement of the Stomach, all of which become intermittent or periodical, have no speedier remedy than AYER'S AGUE CURE, which cures them all alike, and protects the system from future attacks. As a preventive, it is of immense service in those communities where Fever and Ague prevails, as it stays the development of the disease if taken on the first approach of the premonitory symptoms. Travellers and temporary residents are thus enabled to defy these disorders, and few will ever suffer if the slight precautions of the protection this remedy affords.

For Liver Complaints, arising from torpidity it is an excellent remedy; it stimulates the organs into healthy activity, and produces many remarkable cures where other medicines fail.

THE TESTIMONY OF THE WHOLE WORLD.

HOLLOWAY'S PILLS.

Let the suffering diseased read the following.

Let all who have been given up doctors, and spoken of incurable, read the following.

Let all who can believe facts and can have faith in evidence read the following.

Know all men by these presents, that on this the 20th day of June, A. D. 1866, personally came Joseph Haydock, to me known as such, and being duly sworn deposed as follows: That he is the sole general agent for the United States and defendencies thereof for preparation or medicines known as Dr. Holloway's Pills ank ointment, and that the following certificates are verbatim copies to the best of his knowledge and belief. JAMES SMIETRE,
[L.S.] Notary Public.
14 Wall street, New York.

DR. HOLLOWAY—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your pills. Oh, Doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss. JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with chronic diarrhœa, and have been cured by Dr. Holloway's Pills. WILSON HARVEY,
New York, April 7, 1866. 21 Pitt street.

The following is an interesting case of a man employed in an iron foundry, who, in pouring melted iron into a flask that was wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was dreadfully burned. The following certificate was given to me by him about 6 weeks after the accident:

NEW YORK, Jan. 11, 1875.

My name is Jacob Hardy; I am iron founder. I was badly burn by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal. I tried Holloway's Ointment, and it cured my in a few weeks. This is all true and anybody can see me at Jackson's Iron works, 3d Avenue. J. HARDY, 119 Goerck street.

EXTRACTS FROM VARIOUS LETTERS.

"I had no appetite: Holloway's Pills gave me a hearty one."

"Your Pills are marvellous."

"I send for another box and keep them in the house."

"Dr. Holloway cured my headache that was chronic."

"I gave one of your Pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears and the noise has left."

"Send me two boxes, I want one for a poor family."

"I enclose a dollar, your price is 25 cents, but the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have five boxes of your Pills by return mail, for Chills and Fever."

I have over 200 such testimonials, but want of space compels me to conclude."

FOR CUTANEOUS DISORDERS

And all eruptions of the skin; this Ointment is invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.

HOLLOWAY'S PILLS

Invariably cure the following diseases:

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches or pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of the livers and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases: Ague, Asthma, Bilious complaints, Blotches on the skin, Bowel complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentary, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrotula or King's Evil, Sore Throats, Stone & Gravel, Secondary Symptoms, Tic-Douloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from any cause, &c.

IMPORTANT CAUTION.

None are genuine unless the signature of J. Hayden, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending the same knowing them to be spurious.

*** Sold at the manufactory of Professor Holloway & Co., New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

WATCHES!! JEWELRY!!

Romaine Gold, so extensively worn in Paris, was first discovered in 1870, by the celebrated French chemist, Mons. D. Be Lainge, who manufactured it into jewelry, and for five years sold it to the leading jewelers of Paris for **Solid Gold.** In 1875, when his secret became known, ten of the manufacturing jewelers established a stock company, with a capital of $10,000,000 for the purpose of manufacturing **Romaine Gold Jewelry and Watches.** With this immense capital, and the aid of improved machinery they are enabled to produce all the latest patterns of jewelry at less than one-tenth the cost of Solid Gold, and of a quality and color which makes it impossible even for experts to detect it from the genuine.

We have secured the exclusive agency of the United States and Canada, for the sale of all goods manufactured from this metal, and in order to introduce them in the most speedy manner, have put up assorted sample lots as given below, which we will sell at **one-tenth the retail value until January 1st, 1878.** Read the list.

PROPRIETARY MEDICINES

OF

DR. CHANDLER, F.R.S.A.,

Late Physician to St. George's and St. Dunstan's Hospitals, London. Curator to St. Elizabeth's, etc.

After years of the most laborious research and investigation, and after the practical application to innumerable thousands of patients, Geo. Chandler, A. M., M.D., now presents to the American public the following remedies, his discovery and property, the efficacy of which is attested in the voluminous quantity of testimonials, the unsolicited offerings of suffering and discouraged patients, who have not only received relief and benefit from their continued use, but have been radically cured of chronic and chronic complaints, which have been adjudged by the most eminent physicians as hopeless.

THE WONDERFUL EGYPTIAN BLOOD-PURIFIER.

HENNADS.

This Incomparable DEPURATIVE is a powerful ALTERATIVE, TONIC, DIURETIC, DIAPHORETIC, and APERIENT, combining virtues which render it invaluable and never-failing, and by its continued use will thoroughly eradicate all diseases of the blood. Its ingredients are of a purely harmless extraction, the products gathered from remote Egyptian Provinces, and where there is the slightest taint of disease in the system, it never fails in ejecting that disease through the medium of the skin, or expelling it through the many and various channels of the body, thereby allowing, and, indeed, forcing all the organs into their proper normal and functional condition. A very brief space of time will convince any patient using it, of its undoubted reliability and wonderful curative properties, it being, most unquestionably, the very acme of medical triumphs, and the greatest discovery of the present age, in the treatment of every disease where the blood itself is primarily the seat of the lesion or disorder, such as SCROFULA and the thousand and one causes that lead to this terrible affliction, of which all civilized communities are cognizant, for Biblical Truth has asserted that the "Sins of the fathers shall visit even unto the third and fourth generations," and to BROKEN-DOWN AND ENFEEBLED CONSTITUTIONS it is a powerful rejuvenator, causing the wrecks of man once more to assume the God-like form of manhood.

For CUTANEOUS DISEASES, URINARY DISORDERS, CONSTIPATION OR COSTIVENESS, LIVER AND KIDNEY COMPLAINTS, GENERAL AND NERVOUS DEBILITY, RHEUMATISM, GLANDULAR ENLARGEMENTS, EPITHELIOMATOUS CANCER, SCURVY, AFFECTIONS OF THE BONES, INDOLENT ULCERS, FEMALE COMPLAINTS (and to the gentler sex it is a boon long sought for by sensitive, susceptible, and delicate females, as it takes direct action upon their ailments) AND ALL FORMS OF CHRONIC DISEASE IN WHICH THE BLOOD IS THE SEAT OF THE TROUBLE, it is invaluable. A perseverance with this remedy will prove a positive and permanent cure for CHILLS and FEVERS and all MALARIAL POISONS.

Thousands of Testimonials attest the truth of these claims.

BRONCHITIS AND LUNG AFFECTIONS.

TRACHEON.

A slight so-called cold will oftimes lead to a serious cough, which, uncared for or badly treated, must have but one result—it must conclude in a settled case of BRONCHITIS, or what is worse, the deadly CONSUMPTION. To all suffering from harassing coughs and expectoration, TRACHEON offers a sound, reliable, and permanent relief. It augments expectoration, and enables the patient to expel that terrible morbid deposit, which, if left without judicious treatment, must communicate its poison to the vesicular substance of the lung, degenerating and destroying that most essential of organs, and ultimates only in an early and untimely death. TRACHEON has no equal, much less a superior, and its use will not only remove the deposit, thereby affording great relief, but heals the membrane and leaves the patient in possession of healthy lung tissue.

Price, Fifty Cents per bottle, or six bottles, $2.50.

PILES. Hemorrhoids.

PILON.

Many causes tend to produce this painful and distressing state. The blood is retarded in its return; the too frequent use of drastic purgatives tends to produce congestion of the bowels, torpid action of the liver, and numerous other causes are the source of this complaint, and hitherto nothing efficient has been presented to the public, which would rapidly alleviate symptoms and ultimately prove an effective cure. In PILON we have a remedy which not only acts almost instantly, but will remove the largest tumors of the parts (Piles) by absorption, and many who have received not only benefit, but have been radically cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procedure which necessitated the knife. This remedy has been hailed with delight, and is now prescribed by many practising physicians, who are cognizant of its merits, as the only known sure cure for PILES.

Price, Fifty Cents per package, or six for $2.50.
