otherwise ordered by the appropriate cal parties on labor, as opposed to local committees, County Conven- capital, is no new thing, it has often tions be held on Saturday, March 30th, and primary meeting on Saturday, March 28d.

By order of the Democratic State Central Committee. C. B. BELLINGER, Ch'n.

M. V. Brown, Secy.

## CAPITAL AND LABOR,

and poverty. Labor is necessary to labor and capital. capital, as all capital is but the products of labor, but capital does not voluntarily give a just equivalent for of the aborer may be,

submissive, humble and yielding; it is silver weddings, but golden weddings weak and dependent, unable to assert are very appropriate and have an air its own rights, and is from necessity of veneration in their observance, in compelled to yield to the demands of its learned opinion. While we are capital. The knowledge of its inferinot concerned as to the practice of ority in power and social standing as observing the anniversaries of our compared with capital makes labor wedding days, we imagine de World suspicious, envious, and sometimes is sensitive about the titles. Silver, very unjust in its demands. But la in its estimation, is linked with bor is at the mercy of capital; it must "horrors, gorgous and chimeras dire," be active or want and starvation fol- with bad faith, repudiation, banklow. They harmonize in but one raptcy and financial ruin without thing-capital seeks to get the most end, hence it does not even like to labor for the least money, and labor speak respectfully of a silver wedstrives to get the most money for the ding. A tin wedding or a wooden one

remedy for this condition of things. a silver brick would be a silver It is a part of our nature. There is chameleon and, if placed in the same war between ease, idleness and luxury relation to a gold, would be a golden on the one part, and labor, want and chameleon; therefore it is just possi poverty on the other, and probably ble the World may take its color always has been, and any scheme to rom its "support," for in this age, bring the two conditions into harmony men as well as newspapers frequent will prove utopian.

human family, as society is now or the wise and the judgment of the ganized, capital is just as necessary to righteous! the greatness, prosperity and happi-

rights, and are entitled to respect, it wounds. becomes the duty of the practical legtitled to encouragement.

The arrogance of capital is limited only by its ability to enforce its demands. The repudiation of their contracts with, and defiances of, the general Government by the C. P. and U. P. Railroads, is a striking illustrasee the same principle illustrated in the O. & C. R. R. near home. This road, so far, has been able to defeat any legislation where itself was concerned for the protection of labor in this State, and the U. P. and C. P. Railroads actually control Congress where their interests are concerned. what is general and uniform all over whose mainspring's labor as opposed to capital. There is an intermediate element, bordering on, if it does not partake of both labor and capital, which is the true conservative element of the country, and it must be consulted; its wisdom, moderation and honesty entitle it to become the umpire between two great conflicting It is recommended that, unless forces. The idea of founding politibeen tried and alwas proved a failure. They are generally, probably always, the work of small demagogues, who see no other way of attracting that attention they so much covet, but which sensible persons refuse to

bestow upon them. It would be a great mistortune to any people to allow capital, as opposed to labor, or labor as opposed to Much as is said by political econo- capital, to come into full control of mists and financiers about the har- the government. Nothing short of a mony and common interests of capi. fair and just distribution of these tal and labor. There is, in reality, elements can insure the public safety. no common ground on which they Nor is it necessary to look to wealth can both stand. From the very nator to the learned professions excluture of things, as society is consti- sively for our law makers or public tuted, there is an "irrepressible con. officers. The representatives of the flict" going on between them, each learned profession are useful as a striving for the victory. Capital is class, and although they are con arrogant, oppressive and unfeeling in sumers they are not producers, and its demands. Accumulated, or cumu from the nature of things, when conlative capital is, in its nature, incapa. sidering the rights of capital and ble of sympathizing with poverty or labor, must be more theoretical than labor. The few acts of generosity on practical. What kind of practical the part of capital, though always wisdom, so necessary to an equitable heralded to the world are but the adjustment of the differences between oasis in the general desert. Capital labor and capital, is most likely to be is exclusive indeed, it is easte itself, found with that class of men who and is the badge of power and great general thrift placed themselves

The Secretary will, accounts, he don't know but he might have labor needs no restraints, but is en signed by the business as well as the in a few days, forward the money to coough to settle with all his creditors. laboring population of that section. whom it is due.

## A Mountebank.

One A. C. Edmunds, the ostensible editor of the Lador World, devoted a column and a half of that delectable claiming to be a Universalist preacher, and shortly afterwards commenced fully yours, the publication of a paper devoted to the interests of that society. It only took a few weeks to convince his supporters that he was not worthy of their patronage, and consequently he petered out, both clerically and editorially, and having a holy horror of honest labor, drew upon his ingenuity for some other means of sneaking a

apron, three columns to the page, far chosen a majority are Hayes men. and he has written himself a demagogue and blackguard in every editorial sentence in the scabby thing. tween us, and we are willing to me-

cept their verdict. We beg pardon of our readers for devoting so much space to this tellow. As A. C. Edmunds he is un worthy of notice, but when he claims to be the representative of any respectable organization, he deserves a

## U. S. Bonds.

The San Frielsco Ecaminer thus Musical Instruments, Toys, Notions, etc. tersely elucidates the bond question: Watches, Clocks, and Jewelry repaired and warranted. Northwest corner of Willamette it hedges against labor at all points, have by their labor, economy and In 1864 John Smith purchased and Eighth streets. \$1,000 in U. S. bonds for \$1,000 in noss; it supports idleness and luxury, above want, and are thereby qualifi. d legal tender notes, which he bought and cannot be in harmony with labor to hold an even balance between for \$500. The bond draws six per cent. per annum. He receives on it, each year, interest, payable in gold, fendant. at a premium over currency of from the value be paid, in currency, for the \$1,000 bond, and ever since he has been paid every year, a sum, in gold, which now aggregates about interest in gold. And, yet, bondholder Smith is not satisfied. He has, rupled his original investment, and now holds at par the bond which cost him only one half its face. Moreover, he is exempted from taxes upon it. He insist that the interest shall continually be paid in gold exclusively, and that the bond itself must be redeamed also in gold. And he backs all this up with the emphatic declaration that the Government will be THIS ASSOCIATION HAS ON HAND lously obseves what he protests is its sacred obligations, as to the bonds. But he cares not how much the Government repudiates or violates its sarced obligations in other respectsor, indeed, he insist that it shall do trouble to show goods and give prices. ap so. He ignores the no less sacred obligations the Government owes to obligations the Government owes to The undersigned offers his farm lying imme those of its citizens who never bought distely west of Engene City, for sale cheap and do not hold any of its bonds, well improved, 80 acros in cultivation with r but who are excessively taxed to pay young orchard of 300 choice from Sr. JOH. the interest on them with gold at a premium, while they are compelled ness of a people as labor. True, if The New York Herald says: If to receive silver or greenbacks in all labor should cease, mankind would starve, they couldn't live on capital, while, if the capital was all destroyed, party he was pleased to make a great of his expectations. If we may make of the citizens have any rights make of the citizens have any rights of the citizens have any rights.

The bondholders, in short, ford, deceased. All persons having claims refuse to see or to admit that the same to G. B. Dorris, at his office in Eugene Course and the date of this same to G. B. ### DECLINES.—The following card NEW LINE OF STEAMSHIPS from Hon, J. S. Smith appears in the Standard of the 5th inst.:

PORTLAND, Feb. 4, 1878. EDITOR OF THE STANDARD-Dear Sir: As I sheet last week to a short paragraph have been frequently mentioned as a probable candidate of the Democratic party for Governor, in the ensuing election, I wish to before, and we presume, from the amounted through your columns, that I shall not be a condidate for that office. While I would highly prize an unsought nomination distributed in this community last by my fellow Democrats for that high position, and an election by the people among when I have lived so long, as a mark of their ished us. We have taken some pains continued confidence in one who has tried to to trace the torthous wrigglings of serve them well, the condition of my health is such as to constrain me to forego all aspithis fraud from the time of his advent rations in that direction. The effect of this here until he lit out. He made his season on my health convinces me that I appearance here in 1862 or 1863, Winter time, and I shall shortly leave the State to be absent many months-certainly until after the election. I am very respect-fully yours. J. S. Smith.

We call the attention of the citizens of Engene City and Corvallis to an article pubished in another column, entitled A. C. Edmunds. We have a desire to know whether they approve of that style of journalism.

Edmunds.

The citizens of Eugene City are both honest and intelligent, and consequently approve of any style of journalism that exposes falsehood and

fraud.

Taking advantage of the war excitment—that Godsend to bummers and blatherskites—he commenced the publication of "The Union Crusader, An Irrepressible Copper head Killer," No. 4, dated Dec. 12, 1862 lies to the Hartford sustaining the Administration of the bonds of matriment in the service hereof upon you; and if served by publication of summons, on the first day of the next term of said Court, to wit: 15th day of April, 1878, which shall be more than six weeks from the first publication of the bands of matriment in the service hereof upon you; and if served by publication of summons, on the first day of the next term of said Court, to wit: 15th day of April, 1878, which shall be more than six weeks from the first publication of the plaintiff will demand the relief prayed for in the complaint, namely: The dissolution of the bonds of matrimeny now existing between plaintiff and defendant, and the care and custody of the minor children, and for costs and disbursements. before us. It is an 8x10 blacksmith's tion, and of the few delegates thus

## WILL CURE CONSUMPTION.

To all suffering from the following discuses : During the brief existence of this bantling, his time was principally occupied in loading, while his wife and dostan:—for the positive and radical cure of Consumption, Bronchitis, Asthma, Catarrh, Dyspelsia, Threat and Long difficulty, General Debitty, Loss of Manhood and all Nervous Affections, its never has been tested in hunhaving been an infidel lecturer, the citizens of Eugene and other towns in this valley are fully competent to decide the question of veracity because without a failure. I now feel it my sacred duty as far as possible to relieve human misery and will send the recipe — FREE OF CHARGE—to any person who may desire it with directions for using. Sent by return mail by these are and we are willing to the addressing with 2 stamps naming this paper, Dr. O. R. Brisham, Drawer 28, Utica, N. Y. September 29, 77—1y.
